A Ride in Egypt William John Loftie, 2017 Mr Loftie s very pleasant book relates strictly speaking to an excursion from Sioot to Luxor undertaken by the author and three friends in 1879 but it includes as well some entertaining notes en route from England to the East and a number of instructive chapters on Cairo and its environs The Ride proper which was taken mostly on donkey back conducted the party a little aside from the hackneyed track and to some of the less well known points of archaeological interest notably to the ruins of This or Thinis claimed by modern Egyptologists as the cradle of ancient monarchy Nothing fresher or more entertaining on the subject of Egypt has appeared for a long time back than this well considered volume Mr Loftie gives us much that is curious as well as entertaining with regard to antiquities history and the humors of the road and makes a little gentle fun of the school headed by Mr Piazzi Smith which professes to have discovered so much of the secret of the great Pyramid and he deserves special credit for his forcible and manly exposure of the misdoings and misgovernment of the Khedive who was at that time still the shielded pet of English stockholders and of the terrible results of his maladministration as evidenced by the Fellaheen famine

RIDING FOR THE RIGHT REASON Stanley Scott, 2025-04-04 The wind doesn't care who you are. At eighty miles per hour it treats every rider the same, trying to push you back, reminding you that you're alive, vulnerable, and free all at once. That's why Marcus Hayes rides. Not for the image or the noise or even the speed, though he loves all three. He rides for the clarity. For those moments when the world narrows to just him, his machine, and the road stretching ahead. Everything else falls away: the pressures of the docks, family responsibilities, crew politics, all of it. Just for a while. But clarity comes with a price. The road doesn't just offer freedom; it demands respect. It tests you, challenges you to know why you're really out there, wrapped in leather with nothing but skill and reflexes between you and disaster. Marcus knows this better than most. For him, riding isn't

just a hobby or an escape it's a way of life that parallels everything else The same discipline that guides his hands on the throttle guides his decisions at the port with his family and within his crew Ride the Panther Kerry Newcomb,2014-04-29 To stop a savage war from spreading west two brothers stare down an army The year is 1863 Even as the Union Army verges on total victory over the rebellious south there are those in the North who clamor for a negotiated truce Along a creek in the Indian Territories North and South collide and conflict simmers between slaveholding plantation owners and the settlers who would keep the West free As this tension threatens to boil over into open war hardened settler Ben McQueen goes east to plead for help from Washington But when an assassin in Kansas City ambushes and nearly kills McQueen his sons must try to fulfill the mission themselves Though brothers Jesse and Pacer Wolf McQueen have grown up in different worlds But when a conspiracy threatens to destroy their family and tear apart the country they love so dearly they will put aside their differences and fight As long as these brothers stand together the Union has a chance **Ride the Man Down** Luke Short,2016-10-18 One of the top twenty five westerns of all time an action packed tale about a range war in a violent town and the honest foreman who risks his life to keep the peace Phil Evarts is dead and the Hatchet Range is up for grabs That's 70 000 acres of prime turf just waiting for the man rich enough to buy it or the gunman crazy enough to kill for it Every schemer in town has his eyes on Hatchet and Bide Mariner leads the charge An unscrupulous rancher who'll stop at nothing for cash Mariner has the money and the guns to take whatever he wants Only Will Ballard stands in his way and that means Ballard is marked for death The foreman at Hatchet Range Ballard is an honest man who'll do anything to keep the ranch from falling into Mariner's hands In a town so rotten with greed that even the sheriff is against him Ballard must stand alone to save this little piece of the American West Voted one of the top twenty five westerns of all time by the Western Writers of America and made into a 1952 Republic film starring Rod Cameron Ride the Man Down showcases award winning author Luke Short at the height of his writing powers *In the Velvet of Universal Emptiness* Dayton Lummis,2015-03-30 This is the fifth volume of what is now known as The Notational Quintet a collection of acerbic and penetrating views of our contemporary society The author tends toward pessimism but there are occasional bright rays that engender some hope In reading these pieces you may be disturbed occasionally outraged but not bored Good for deck reading on SS Titanic Ride the Dark Trail Louis L'Amour,2003-09-30 In Ride the Dark Trail Louis L'Amour tells the story of Logan Sackett a cynical drifter who changes his ways to help a widow keep her land Logan Sackett is wild and rootless riding west in search of easy living Then he meets Emily Talon a fiery old widow who is even wilder than he is Tall and lean Em is determined to defend herself against the jealous locals who are trying to take her home Logan doesn't want to get involved until he finds out that Em was born a Sackett Em is bucking overwhelming odds but Logan won't let her stand alone For even the rebellious drifter knows that part of being a Sackett is backing up your family when they need you **How to Ride Off-Road Motorcycles** Gary LaPlante,2012-08-13 How to Ride Off Road Motorcycles schools the reader in all the skills necessary to ride safely and
