**Your Passport to Understanding the Bible** Saverio Verduci, 2017-01-13. In his unique work *Your Passport to Understanding the Bible*, Saverio Verduci offers insights into the mysteries of this sacred book, one whose deeply coded texts have confused and perplexed academics and clerics alike. Certain events in the author's life caused him to study the Bible in depth. Over the course of many years and after hundreds of conversations about the Bible, abstruse biblical scriptures revealed themselves to him, and he realized how properly interpreting scripture made a profound impact on his spiritual life and beliefs. *Your Passport to Understanding the Bible* is designed to help readers understand some of the Bible's key mysteries, making the Bible easier to grasp and hopefully leading the reader to a more profound religious experience. Deeper understanding of God's word offers meaningful spiritual benefits and the strengthening of one's faith. Saverio Verduci believes that the Bible must be read as a book that interprets itself. One must understand the Bible's code, allegory, and symbolism. He has written this book to pass on what he has learned, in the hope that his personal experiences and studies of biblical scriptures will benefit others, bringing them joy and blessings through proper biblical understanding.

52 *Apologetics* Michael D. Finney, 2023-12-06. Is the Bible God's Word? Yes. Is Jesus the Messiah, the Son of God, and the only Mediator between a sinful people and a perfect, holy, and righteous God? Yes. Is the Christian faith supported by reasonable, provable, historical, archaeological, and philosophical evidence? Yes, yes, and yes. The word *apologetics* comes from two Greek words: *apo* (out from) and *logos* (logic), and it literally means to give out a logical defense. *apologia*. In Christianity, it means to give out logical reasons for our faith, to defend the truth of Scripture, and to give reasons for believing in Christ. Like Paul: "I am set for the defense, *apologia* of the gospel." (Philippians 1:17). Like Peter: "I am ready always to give an answer, *apologia* to everyone who asks why I trust Christ." (1 Peter 3:15). Like Jude: "I am prepared to earnestly contend, *epi agnōzōmai* (agonize, fight) for the faith." (Jude 3). I have written this book to defend and contend for the Christian faith. I want to let others know why I

believe the Bible is God's Word and Jesus is God's Son 2 Timothy 3:16 John 1:34      *ANSWERING THE CRITICS* Edward D. Andrews, 2023-10-27 Are you tired of scrolling through social media only to find memes and posts mocking the Bible? Do you ever question how the ancient Scriptures could still be relevant today? If you're looking for real answers, this book is for you. Dive into an investigative journey with *Answering the Critics*, your ultimate guide to tackling the hard-hitting questions skeptics are asking about the Bible. Designed for the investigative mind, this book is like a detective's toolkit for defending your faith. From uncovering the reality of the Old and New Testaments to breaking down the myths about Bible contradictions, we leave no stone unturned. In an era dominated by skepticism and doubt, the sanctity and infallibility of the Bible have often been questioned. *ANSWERING THE CRITICS* delves into the heart of these issues, making a robust case for the authenticity, reliability, and divine inspiration of the Scriptures. Starting with an exploration of modern skepticism, the book places the Bible under scrutiny, investigating its profound influence and unparalleled significance throughout history. It also examines the Bible's remarkable survival story, facing existential threats from various quarters yet emerging unscathed. This volume introduces readers to the treacherous fake friends of the Bible, elucidating the half-truths that have tainted its reputation. But can the Old Testament be trusted? And is the New Testament fact or fiction? Andrews addresses these crucial questions head-on, bringing in archaeological findings and scholarly investigations that reaffirm the historical accuracy and truthfulness of the Scriptures. He also delves deep into the realm of miracles, presenting logical arguments against the criticisms and skepticism surrounding them. Furthermore, the book dispels myths about alleged Bible contradictions, illustrating the harmony and coherence of the Scriptures. By offering concrete examples, employing visual aids, and drawing on the literal interpretation philosophy, Andrews systematically dismantles the criticisms against God's Word, reinforcing the reader's faith and trust in the divine message. Drawing from the wellspring of history, archaeology, and theology, this volume serves as a comprehensive guide for those navigating the treacherous waters of modern skepticism. It's an essential read for believers defending their faith and for skeptics seeking the truth. Step into this investigation and discover the unwavering authenticity and divine nature of the Bible. Unlock a deeper understanding of the Scriptures, boost your faith, and arm yourself with facts. Let *Answering the Critics* be your go-to resource for defending God's Word against the harshest critics and skeptics. Get ready to change the way you see the Bible and maybe even the way you see yourself.      **Founding a Faith** Thomas E. Gaston, 2020-11-03 What do you think when you hear the word faith? Do you think of deep spiritual connections or irrational will to believe? What even is faith, how does it work, and what is it founded on? This book might help you answer some of these questions as it explores the interplay between faith and beliefs, the foundations of religious beliefs, and how someone might go from having no faith to having a faith.
