Scleroderma A Guide For Patients And Families:

The Scleroderma Book Maureen D. Mayes M.D.,2005-05-01 The Scleroderma Book has long been considered the leading source of information for patients suffering with this disease Now comes the Second Edition of this highly respected volume extensively revised by Maureen Mayes M D the leading authority in this field Writing specifically for patients and their families Dr Mayes draws on her extensive experience treating scleroderma to provide up to date practical information that will help patients manage their symptoms and improve their quality of life Dr Mayes begins with an easily accessible description of the basic facts distinguishing between the many manifestations of the disease ranging from localized scleroderma small patches of hardened skin most common in children which tend to clear up over time to systemic scleroderma which can attack the lungs the kidneys and the blood vessels and can be life threatening Equally important she offers sympathetic and reassuring advice on matters that often concern patients such as the best course of action for those who want children what to do if the disease affects your sex life and what you can do to help your doctor treat your illness more effectively The book concludes with a good humored frank discussion about how to cope day in and day out with an uncertain future how to be a person living with scleroderma not a victim suffering from it The new edition has updated chapters on the genetics of scleroderma and on new treatments for complications of this disease Touching on virtually every aspect of this disorder The Scleroderma Book provides a reliable source of information and reassurance for patients of any age and no matter how severe their form of the disease Endorsed by the leading national advocate group The Scleroderma Foundation

[Facing Scleroderma](#) Theodore Stern, Marcy Bolster, 2020 [The New Sjogren's Syndrome Handbook](#) Sjogren's Syndrome Foundation, 2004-10-18 Afflicting nearly four million Americans Sjogren s syndrome is an autoimmune disease that commonly causes dryness of the eyes mouth and nose and that can lead to complications including profound fatigue depression and lymphoma While there is no cure for Sjogren s much can be done to alleviate the suffering of patients This extensively revised handbook offers everything you need to know to cope with this disease The New Sjogren s Syndrome Handbook Third Edition is a comprehensive and authoritative guide produced by the Sjogren s Syndrome Foundation and its medical advisors and edited by physician Daniel J Wallace a leading authority on auto immune disorders This expanded edition provides readers with the best medical and practical information on this disorder bringing together the current thinking about Sjogren s in an easily readable and understandable book The handbook illuminates the major clinical aspects of the syndrome and is loaded with practical tips and advice to assist those seeking information Indeed it offers a wide ranging look at the many faces of Sjogren s covering diagnosis the various organ systems that can be affected the possible psychological problems and the many treatment options as well as an appendix listing the resources available for patients with the disease It is a valuable aid that patients can use while discussing their illness with their physician and an excellent resource for family members And because Sjogren s is greatly underdiagnosed this handbook is a particularly valuable

resource for healthcare professionals The most reliable and informative guide available The New Sjogren s Syndrome Handbook Third Edition is the first place for patients to look when they have questions about this little known but serious chronic disease Massachusetts General Hospital Handbook of General Hospital Psychiatry - E-BOOK Theodore A. Stern, Scott R. Beach, Felicia A.
