### **SCM Studyguide to Christian Spirituality** Ross

Thompson, 2008-09-01 The SCM Studyguide Christian Spirituality is designed as an introduction to spirituality for students of all religious backgrounds coming to the subject for the first time

### SCM Studyguide: Philosophy and the Christian Faith

Ben Pugh, 2018-12-04 The challenges that Western culture keeps posing to the Christian faith are ever new The goal posts keep changing This study guide will equip theology students to understand the culture shaping beliefs that are driving the kinds of questions it brings to faith It will be an historical overview of the key stages in the history of Western philosophy with each section carefully tracing the genealogical line of ideas and the Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes show itself in Sunday morning worship

**SCM Studyguide: Christian Mission** Stephen Spencer, 2014-04-15 Explores the nature of Christian mission in contemporary post modern society This book examines the main historic types of mission in the Christian tradition seeing how they were forged in the cross currents of history and how they continue to be expressed by different Christian communities

**SCM Studyguide to Religious and Spiritual Experience** Jeff Astley, 2020-03-31 Spiritual religious sacred or mystical experiences may be broadly defined as subjective human experiences that appear to the person undergoing them or to others to convey or imply contact with or knowledge about a transcendent power presence or superior reality beyond the realm of the physical Research has shown that these forms of awareness of something beyond are of considerable significance in the ordinary lives of very many people as well as being elements of signal importance in the origin and development of religion not least by deepening characteristically spiritual or religious attitudes emotions beliefs values and practices along with fundamental orientations of life and quests for meaning This Studyguide provides a succinct and lucid introduction to the subject for those studying religion at both undergraduate and GCE AS A level By exploring the key areas of both the empirical and theoretical study of religious and spiritual experience the Studyguide will serve as an accessible and nonpartisan guide to enable its readers to explore the range of challenging data debates approaches and issues that relate to the study of this widespread and significant phenomenon

### SCM Studyguide: Anglicanism Stephen Spencer, 2021-03-08
