*Modernism* Catherine E. Paul,2002 How modernist writers experienced the Louvre the British Museum and the Museum of

Natural History and how these museums influenced their writing      **The Degenerate Muse** Robin G. Schulze, 2013-09-19

The early twentieth century marked a dramatic shift in the American conception of nature This book analyzes the ways in which the scientific recasting of American nature as an antidote for degeneration influenced work of important modernist writers Harriet Monroe Ezra Pound and Marianne Moore      **Josephine Herbst's Short Fiction** Barbara Wiedemann, 1998

A native of Iowa and long time resident of Pennsylvania Josephine Herbst 1892-1969 well known and highly regarded in the 1930s was the author of seven novels twenty seven short stories a biography and numerous journal and newspaper articles In the current study the first on Herbst's short fiction the author provides a critical discussion of each of Herbst's stories including relevant biographical and historical data      *Ralph Ellison and Kenneth Burke at the Roots of the Racial Divide* Bryan Crable, 2012

Ralph Ellison and Kenneth Burke focuses on the little known but important friendship between two canonical American writers The story of this fifty year friendship however is more than literary biography Bryan Crable argues that the Burke Ellison relationship can be interpreted as a microcosm of the American racial divide Through examination of published writings and unpublished correspondence he reconstructs the dialogue between Burke and Ellison about race that shaped some of their most important works including Burke's *A Rhetoric of Motives* and Ellison's *Invisible Man* In addition the book connects this dialogue to changes in American discourse about race Crable shows that these two men were deeply connected intellectually and personally but the social division between white and black Americans produced hesitation embarrassment mystery and estrangement where Ellison and Burke might otherwise have found unity By using Ellison's nonfiction and Burke's rhetorical theory to articulate a new vocabulary of race the author concludes not with a simplistic healing of the divide but with a challenge to embrace the responsibility inherent to our social order

American Literatures Initiative      **Bodies of Poems** Lennart Nyberg, 2009 The traditional borders between the arts have been eroded to reveal new connections and create new links between art forms Cultural Interactions is intended to provide a forum for this activity It will publish monographs edited collections and volumes of primary material on points of crossover such as those between literature and the visual arts or photography and fiction music and theatre sculpture and historiography      **Becoming Modern** Carolyn Burke, 1996-07-25

The poet and visual artist Mina Loy has long had an underground reputation as an exemplary avant gardist Born in London of mixed Jewish and English parentage and a much photographed beauty she moved in the pivotal circles of international modernism in Florence as Gertrude Stein's friend and Marinetti's lover in New York as Marcel Duchamp's co conspirator and Djuna Barnes's confidante in Mexico with the greatest love the notorious boxer poet Arthur Cravan in Paris with the Surrealists and Man Ray Carolyn Burke's riveting authoritative biography *Becoming Modern* brings this highly original and representative figure wonderfully alive in the process giving us a new picture of modernism and one woman's important contribution to it      *Hints and Disguises* Celeste Goodridge, 1989      *Painted Shadow* Carole Seymour-Jones, 2009-12-23

By the time Vivienne Eliot was committed to an

asylum for what would be the final nine years of her life she had been abandoned by her husband T S Eliot and shunned by literary London Yet Vivienne was neither insane nor insignificant She generously collaborated in her husband s literary efforts taking dictation editing his drafts and writing articles for his magazine Criterion Her distinctive voice can be heard in his poetry And paradoxically it was the unhappiness of the Eliots marriage that inspired some of the poet s most distinguished work from *The Family Reunion* to *The Waste Land* This first biography ever written about Vivienne draws on hundreds of previously unpublished papers journals and letters to portray a spontaneous loving but fragile woman who had an important influence on her husband s work as well as a great poet whose behavior was hampered by psychological and sexual impulses he could not fully acknowledge Intriguing and provocative *Painted Shadow* gracefully rescues Vivienne Eliot from undeserved obscurity and is indispensable for anyone wishing to understand T S Eliot Vivienne or the world in which they traveled

*The Poems of T. S. Eliot, Volume I* T. S. Forgotten Prophet Bruce Clayton, 1998 Rarely has an individual's life been so inseparable from his writing as was Randolph Bourne's His work reveals not only his political viewpoints but also his humanistic personality and the tumultuous era during which he lived *Forgotten Prophet* carefully examines the intellect and personality of the born essayist who saw clearly both his century's potential for harmony and the danger that it faced from the lingering tides of nineteenth-century European nationalism Disfigured and hunchbacked Bourne reacted to his disability not with bitterness or self-pity but rather with an exuberant love for beauty and a compassion for humanity that created in him a longing for a truly cosmopolitan society a trans-national America that would draw its strength from ethnic diversity and political pluralism Nearly alone among American intellectuals Bourne actively denounced

involvement in World War I He foresaw that beyond the horrible cost in young lives the war would bring in its wake the spiritual impoverishment of the nation and the disillusionment of its youth it would strangle reform and social tolerance exacerbate racism and nativism and plant the seeds for further international instability Although derided and largely ignored at the time they were written Bourne's fearful predictions would all too quickly be confirmed in the dissolute frenzy of the jazz age the turmoil of the 1930s and the social chaos that brought about the rise of fascism in Europe and soon an even more destructive war Bourne did not live to witness this terrifying unfolding of events His career as a social critic was brief but prolific When he died in 1918 at the age of thirty two a victim of the flu epidemic he had completed three books and more than a hundred essays His first book *Youth and Life* is considered by some to be the original manifesto of the counterculture From his earliest years as a writer Bourne was identified as a voice for youth idealism and progress in human relations *Forgotten Prophet* characterizes Bourne not just as a foreseer of this century's bloodshed but equally important as an apostle of hope a champion of what was best most truthful in the arts in politics and in the conduct of our daily lives **The American Literary Review** Gerardus Antonius Maria Janssens, 1968
