Teach English in the Secondary School Jon Davison, Caroline Daly, 2014-06-27 How do you approach teaching English in the contemporary classroom What is expected of a would be English teacher The fourth edition of this best selling text combines theory and practice to present an indispensable introduction to the opportunities and challenges of teaching English in the secondary classroom It offers insight into the history policies and definitions surrounding the subject together with innovative and practical strategies which can be used for effective teaching and learning Already a major text for many university teacher education courses the new edition reflects the extent and impact of current reforms whilst retaining its focus on what is of enduring value for English teaching With an emphasis on developing your own values and on stimulating approaches that underpin English teaching it will help you navigate your way through changing curriculum requirements assessment practice and the demands of professional development Key topics explored include Reading writing and speaking and listening Teaching language and grammar Drama in English teaching Poetry Working with digital technologies Post 16 English language and literature Developing as a critically reflective practitioner Written particularly with the new and student teacher in mind Learning to Teach English in the Secondary School aims to equip readers with the tools to make critically informed judgements about how to teach develop principled practice and most importantly be mindful of pupils and their experience of English in the secondary classroom [Price List and Order Form for English and Dictionaries](#)

[Instructional Materials](#), 1985 **Undergraduate ELT in Sri Lanka** Asantha U. Attanayake, 2018-12-17 The book looks into the South Asian experience of English language education in the first decade of the 21st century by examining its policies practices and perspectives in Sri Lanka It discusses the evolution of English from the language of administration of the former South Asian colony up to its present and intended although poorly implemented status as a link language in Sri Lanka The official removal of English as the language of administration after independence the twists and turns of its practice in various domains over six decades and the views of today's students and teachers reveal that there is more to English language education in a post colonial context than current theories address This book concentrates on what educationalists in English Language Teaching do the goals that curriculum designers must capture and how post colonial attitudes towards English hinder the teaching of English as a second language This book emphasizes that the general principles of teaching English as a second language need specific modifications at the delivery stage in South Asian societies *English Teaching in the Secondary School 2/e* Mike Fleming, David Stevens, 2014-06-03 Presenting an informed view of current educational policy this text encourages students of secondary English to take a creative and independent interpretation of government initiatives in order to achieve effective teaching practice It provides a good balance of theoretical material with practical ideas for application in the classroom and strongly encourages reflection and critical thought This new edition includes coverage of the National Curriculum 2000 the National Literacy Strategy and the new Key Stage 3 Strategy a new chapter on how to teach ICT a new chapter on Inclusion including differentiation cultural diversity EAL and teaching across the ability

range new material on how to teach Shakespeare an introduction to cross curricular themes such as citizenship and social moral and spiritual values Written in an accessible and conversational style this text poses an excellent degree of challenge for all students on initial teacher training courses **The Cambridge History of English Literature** Sir Adolphus William Ward, Alfred Rayney Waller, 1909 **The Cambridge history of English literature** , 1919
