Thomas,Robert Murray Thomas,2008 This book has a dual purpose to identify problems faced by people who teach in correctional institutions and to propose solutions for those problems The intent of this book is to help both new instructors as well as current ones perform their jobs effectively The book is divided into three parts The first part introduces the reader to the field of correctional education describing

correctional efforts in America the kinds of facilities the inmate populations and the controversies including advocates and critics over providing educational opportunities A description is provided on the kinds of educational and rehabilitation programs including the varieties and sources of teachers and administrators Part two explores the teaching process and how students are analyzed on their abilities learning disorders gender ethnicity gang membership length of imprisonment and reasons for enrolling in educational programs Each chapter is divided into two major sections the first section studies the perspective and the second section concerns problems and solutions Each problem is posed as a brief case study that includes the nature of a particular problem factors affecting decisions about what a teacher might do and one or more proposed solutions Part three summarizes key concepts from the previous chapters and speculates about the state of correctional education in the years ahead It will be of interest to those who contemplate a career in correctional education those who are already in correctional education or those who simply want to learn what teaching in a prison jail or juvenile facility is all about

Alchemy of Desire, Revolt & Violence Vishnu Patil, 2017-03-08 It is essential to set a balanced context for literary analysis amidst international national and regional conditions In terms of Indian perspectives it travels deep down to religion caste and cultural levels To understand any Indian phenomenon one needs to understand the diversity and its historical implications Mahesh Elkunchwar as a notable Indian dramatist holds a key position in Indian literature due to his excellent presentation of Indian consciousness on stage Desire revolt and violence are perhaps few of the most important issues in human relationships The performance of the emotions on the stage receives special significance The poststructuralist perspectives on Elkunchwar's plays by Vishnu Patil present a fresh insight into the study of Indian drama in particular and critical thinking about desire and violence in general It becomes a fine interweaving of eastern and western thinking about sexuality and violence He investigates and offers deconstructive analysis on incest relationships extramarital affairs rape prostitution homosexuality love relationships as depicted in the plays like Desire in the Rocks Garbo etc He examines acts of violence and revolt in a post structuralist way especially in the light of ideas of post Lacanian critic Slavoj Žižek Revolt however is treated on both the levels i.e. feminist and general level The book continuously attempts to unveil the ideological forces functional under many regular social practices especially in the form of patriarchy religion and so on It succeeds in doing so by combining views on the issues desire and violence from ancient Indian contexts and its evolution through time The textual references serve the purpose of setting a balanced review and investigation of relevance of certain ideas and sexual politics and it also helps to understand reasons and culminations of violent responses and politics responsible for its origin
