Vaver, Lionel Bently, 2004-10-14 Intellectual property law is a subject of increasing economic importance and the focus of a great deal of legislative activity at an international and regional level This collection brings together contributions from some of the most distinguished scholars in this exciting and controversial field covering the full extent of intellectual property laws that is patents copyright trade marks and related rights the contributions examine some of the most pressing practical and theoretical concerns which intellectual property lawyers face      *Whiskey* Kevin R. Kosar, 2010-10-15 A Manhattan or a Sazerac neat on the rocks or with a splash of soda no matter how it s served up whiskey is synonymous with the poet s inspiration and the devil s spirit Be it bourbon rye corn Irish or Scotch whiskey has an infamous and celebrated history from a sometimes lethal herb infused concoction to a high quality meticulously crafted liquor In *Whiskey* Kevin R. Kosar delivers an informative concise narrative of the drink s history from its obscure medieval origins to the globally traded product that it is today Focusing on three nations Scotland Ireland and America Kosar charts how the technique of distillation moved from ancient Egypt to the British Isles Contrary to popular claims there were no good old days of whiskey before the twentieth century consumers could never be sure just what was being poured in their cup unscrupulous profiteers could distill anything into booze and pawn it off as whiskey Eventually government and industry established legal definitions of what whiskey is and how it could be made allowing for the distinctive styles of whiskey known today *Whiskey* explains what whiskey is how it is made and how the types of whiskey differ With a list of suggested brands and classic cocktail recipes for the thirsty reader this book is perfect for drink and food enthusiasts and history lovers alike      *A Double Scotch* F. Paul Pacult, 2011-01-06 *A Double Scotch* tells the intertwined success stories of Chivas Regal and The Glenlivet two Scotch whisky brands recognized the world over for their unparalleled quality Founded by Scottish grocers from Aberdeen Chivas Regal stands as the world s most popular prestige blended Scotch First distilled by a pistol packing

Highlander The Glenlivet is today the top selling single malt Scotch in America F Paul Pacult explores these two iconic spirits and tells the remarkable story of the two families who endured numerous hardships to build their brands A business book that goes down easy A Double Scotch tells the story of the world s favorite whiskies and the story of the nation and families that made them so

**The Joy of Mixology, Revised and Updated Edition** Gary Regan,2018-08-28 A thoroughly updated edition of the 2003 classic that home and professional bartenders alike refer to as their cocktail bible Gary Regan the most read cocktail expert around Imbibe has revised his original tome for the 15th anniversary with new material many more cocktail recipes including smart revisions to the originals and fascinating information on the drink making revival that has popped up in the past decade confirming once again that this is the only cocktail reference you need A prolific writer on all things cocktails Gary Regan and his books have been a huge influence on mixologists and bartenders in America This brand new edition fills in the gaps since the book first published incorporating Regan s special insight on the cocktail revolution from 2000 to the present and a complete overhaul of the recipe section With Regan s renowned system for categorizing drinks helps bartenders not only to remember drink recipes but also to invent their own The Joy of Mixology Revised and Updated Edition is the original drinks book for both professionals and amateurs alike

**99 Drams of Whiskey** Kate Hopkins,2025-06-25 Kate Hopkins knew there had to be more to whiskey than using it as a mixer She had an unquenchable thirst to learn more about the drink and set out on an ambitious itinerary researching its history Combining comprehensive research with informal narrative Hopkins entertains and educates the readers on whiskey s place in the history of the world She visited historians and pub owners went to distilleries owned by corporations who sell thousands of gallons per day and artisans who sell thousands of gallons per year and interviewed the aficionados and the common drinkers because one of the best aspects of whiskey is not just its taste but the stories about the drink that are told around the bar As an added bonus she discusses the fine art of distilling the proper ways to drink whiskey and provides tasting notes on different brands all in the hope of discovering the best shot of the liquor

*Grammatical Number in English Nouns* Mark A. Wickens,1992-03-12 Apart from the coverage given to it in the grammars number in English nouns has received relatively little attention especially in the area of theoretical considerations Guided by the principles of psychomechanics Hirtle 1982a put forth a fairly elaborate theory of number in English nouns The aim of this work is to provide evidence to validate parts of Hirtle s theory to verify some of his analyses and to investigate several problems some of which are mentioned in his work as subjects for further research Specific areas treated are ailment nouns liquid names ending in ings binary objects abstract s and external singulars
