Scotland The Brave The Story Of The Scottish Soldier:

Scotland the Brave John Laffin,1974-01-01 *Military History of Scotland* Spiers Edward M. Spiers,2014-07-11 The Scottish soldier has been at war for over 2000 years Until now no reference work has attempted to examine this vast heritage of warfare A Military History of Scotland offers readers an unparalleled insight into the evolution of the Scottish military tradition This wide ranging and extensively illustrated volume traces the military history of Scotland from pre history to the recent conflict in Afghanistan Edited by three leading military historians and featuring contributions from thirty scholars it explores the role of warfare in the emergence of a Scottish kingdom the forging of a Scottish British military identity and the participation of Scots in Britain s imperial and world wars Eschewing a narrow definition of military history it investigates the cultural and physical dimensions of Scotland s military past such as Scottish military dress and music the role of the Scottish soldier in art and literature Scotland s fortifications and battlefield archaeology and Scotland s military memorials and museum collections

The Royal Scots Trevor Royle,2011-09-02 The Royal Scots are Scotland s oldest infantry regiment with a tradition that stretches back to 1633 This first concise history of the regiment is based largely on the recollections of several generations of Royal Scots men like Private McBane who carried his three year old son into battle at Malplaquet and Private Begbie the youngest soldier to serve in the First World War These first hand accounts take the reader through the great wars of the eighteenth century when Britain was a rising global power through the setbacks and the triumphs of the Napoleonic Wars and on to the glorious years of the nineteenth century The two world wars of the twentieth century saw the Royals expand in size and there are full accounts of its meritorious service on all the main battle fronts More recently the regiment has been involved in operations in the Balkans and Iraq In 2006 in one of the most radical changes in the country s defence policy the Royal Scots will be amalgamated into the new Royal Regiment of Scotland Royal Scots is therefore a timely celebration of the British Army s most venerable regiment right of the line and second to none On the Western Front John Laffin,2004-08-19 A serious attempt to illustrate the humanity of the soldier on the Western Front this title reflects World War I as they saw it from first shot to last These tales told to fellow men in the trenches behind the lines at base hospitals and at the estaminets and billets during rest periods have been recorded here

A Bibliography of Regimental Histories of the British Army Arthur S. the present and has a reputation second to none Following on from *The Highland Furies* in which she traced the regiment's history to 1899 Victoria Schofield tells the story of The Black Watch in the 20th and 21st centuries She tracks its fortunes through the 2nd South African War two World Wars the troubles in N Ireland and the war in Iraq up to The Black Watch's merger with five other regiments to form the Royal Regiment of Scotland in 2006 Drawing on diaries letters and interviews Victoria Schofield weaves the many strands of the story into an epic narrative of a heroic body of officers and men In her sure hands the story of The Black Watch is no arid recitation of campaigns and battle honours but a rewarding account of the fortunes of war of a regiment that has played a distinguished role in British and world history Journal of the Royal United Service Institution Royal United Service Institution (Great Britain),1963 *The Man the Nazis Couldn't Catch* John Laffin,1997 The story of British Army Private Len Arlington and his five years living undercover in wartime France Writers Directory NA NA,2016-03-05 General Catalogue of Printed Books British Museum.
