*Records* Scottish Church History Society, 1999 Vol 16 includes appendix Records of the Church of Scotland preserved in the Scottish Record Office and General Register Office Register House Edinburgh Studies in Scottish Church History Alex Cheung, 1999-01-01 In these studies Alec Cheyne explores the history of the churches of Scotland since the Reformation Professor Cheyne looks especially at the leaders among them Robert Rollock Robert Leighton William Carstairs Thomas Chalmers John Tulloch John Caird Henry Drummond John Baillie and Donald Baillie He illuminates just how much change and diversity in thought worship government and culture these four hundred years have witnessed in the churches far greater than has traditionally been supposed He also describes the importance of the constant interaction between ecclesiastical and academic affairs and the very wide influence of the churches on Scottish life as a whole A significant work of Scottish history and reference **Sketches of Scottish Church ... Lachman, 1993 Do animals have rights If not do we have duties towards them If so what duties These and a myriad of other issues are discussed in the brilliantly argued *Animal Rights and Wrongs* Issues discussed include Why are animal rights groups so keen to protect the rights of rabbits and foxes but not of rats or mice or even humans How can we bridge the growing gap between rural producers and urban consumers Why is raising animals for fur more heinous than raising them for their meat Are we as human beings driving other species either to extinction or to a state of dependency *Animal Rights and Wrongs* includes chapters on the livestock crisis fishing BSE and a layman's introduction to philosophical concepts The book presents a radical response to the defenders of animal rights and a challenge to those who think that because they are kind to their pets they are therefore good news for animals The Sources and Literature of Scottish Church History Malcolm Blair Macgregor, 1976 **Sketches of Scottish Church History** Thomas

connected with topography and the names of persons and tribes which may add interest to the volume in the eyes of a growing class of readers The sources whence information has been sought in preparing this work will be found on referring to the work itself They come down to the most recent contributions made by writers of authority The references might be more extensive for there are few works on the subject which have not been consulted with some care but the works cited are those whose authority stands highest on the various points discussed Edinburgh Oct 1864      *Sketches of Scottish Church History from the Reformation to the Revolution* ,1849
