## **Scottish Journey:**

**A Journey to the Western Islands of Scotland and the Journal of a Tour to the Hebrides** Samuel Johnson, James Boswell, 2020-10-22 In 1773 James Boswell made a long planned journey across the Scottish Highlands with his English friend Samuel Johnson the two spent more than a hundred days together Their tour of the Hebrides resulted in two books A Journey to the Western Islands of Scotland 1775 a kind of locodescriptive ethnography and Johnson's most important work between his Shakespeare edition and his Lives of the Poets The other Boswell's Journal of a Tour to the Hebrides with Samuel Johnson 1785 a travel narrative experimenting with biography the first application of the techniques he would use in his Life of Samuel Johnson 1791 These two works form a natural pair and owing that they cover much of the same material are often read together focusing on the Scottish highlands The text presents a lightly edited version of both works preserving the original orthography and corrected typographical errors to fit modern grammar standards The introduction and notes provide clear and concise explanations on Johnson and Boswell's respective careers their friendship and grand biographical projects It also examines the Scottish Enlightenment the status of England and Scotland during the Reformation through to the Union of the Crowns and the Jacobite

**The Art of Travel** Philip Dodd, 2013-08-21 First published in 1982 The Art of Travel is the first collection of critical essays to be devoted to British travel writing It attempts to give a sense of the wealth of such writing to map some of its forms and conventions and implicitly to claim a place for travel writing in any revised definition of literature For this collection travel includes sea voyages European tours commissioned enquiries into social conditions and urban writing travel writing ranges from works such as Sea and Sardinia by D H Lawrence whose status as a novelist guarantees his travel books some attention through the essays and books of Victorian middle class travellers into working class London to the work of V S Naipaul a contemporary writer who has increasingly preferred the travel book to the novel

**The Soul of the Journey** Diana Ambache, 2021-10-07 Brother and sister Felix and Fanny Mendelssohn enjoyed a rare bond they were intimate companions and theirs was one of the most significant musical relationships of the 19th century They shared and commented on each other's compositions each highly appreciative of the other but also offering frank critical advice Their travels produced some great music Felix's best loved works the Hebrides Overture and the Scottish Symphony were inspired by his 1829 visit to Scotland whilst Fanny's innovative piano cycle Das Jahr was a musical response to the tour of Italy she made in 1839 40 Combining letters and sketches with an accompanying narrative describing their journeys this is a wonderful celebration of the two Mendelssohns and a portrait of Scotland and Italy of the time as seen through the eyes of two of the Romantic movement's most acclaimed composers

Wordsworth's Poems of Travel 1819-1842 J. Wyatt, 1999-06-03 There is a long held view that Wordsworth's inspiration dried up before the age of forty This book opposes that view by examining the substantial body of poetry written after his fiftieth year The argument is that in order to appreciate this work much of which was inspired by itineraries in Britain and in Europe we have to read the poems

as they were first published By adopting the perspective of the contemporary reader Wordsworth's grand design can be appreciated      *The Geographies of Enlightenment Edinburgh* Phil Dodds, 2022 Edinburgh was an Enlightenment city of regional national and global influence But how did the people of Enlightenment Edinburgh understand and order their world How did they encounter compare and produce different kinds of spaces from the urban to the world scale And how did this city set the universal standards by which other places should be judged and transformed The *Geographies of Enlightenment Edinburgh* answers these questions by exploring the thousands of urban plans county surveys travel accounts and encyclopaedias that passed through a busy Edinburgh bookshop over four decades It reveals how these geographical publications were produced and shared and sheds light on the people who bought and used them including moral philosophers silk merchants school teachers ship's surgeons and slave owners This is the story of how specific methods of mapping space came ultimately to predict and organize it creating a new world in Edinburgh's image By connecting global processes of knowledge production to intimate accounts of its reception in the city this book deepens our understanding of the Scottish Enlightenment and the world it made      *Ben Jonson* Ian Donaldson, 2012-02-20 Ben Jonson was the greatest of Shakespeare's contemporaries In the century following his death he was seen by many as the finest of all English writers living or dead His fame rested not only on the numerous plays he had written for the theatre but on his achievements over three decades as principal masque writer to the early Stuart court where he had worked in creative and often stormy collaboration with Inigo Jones One of the most accomplished poets of the age he had become in fact if not in title the first Poet Laureate in England Jonson's life was full of drama Serving in the Low Countries as a young man he overcame a Spanish adversary in single combat in full view of both the armies His early satirical play *The Isle of Dogs* landed him in prison and brought all theatrical activity in London to a temporary and very nearly to a permanent standstill He was almost at the gallows for killing a fellow actor after a quarrel and converted to Catholicism while awaiting execution He supped with the Gunpowder conspirators on the eve of their planned coup at Westminster After satirizing the Scots in *Eastward Ho* he was imprisoned again and throughout his career was repeatedly interrogated about plays and poems thought to contain seditious or slanderous material In his middle years twenty stone in weight he walked to Scotland and back seemingly partly to fulfil a wager and partly to see the land of his forebears He travelled in Europe as tutor to the mischievous son of Sir Walter Raleigh who caused him to be drunken and dead drunk and wheeled provocatively through the streets of Paris During his later years he presided over a sociable club in the Apollo Room in Fleet Street mixed with the most learned scholars of his day and viewed with keen interest the political religious and scientific controversies of the day Ian Donaldson's new biography draws on freshly discovered writings by and about Ben Jonson and locates his work within the social and intellectual contexts of his time Jonson emerges from this study as a more complex and volatile character than his own self-declarations and much modern scholarship would allow and as a writer whose work strikingly foresees and at times pre-emptively satirizes the

modern age      **Scottish Journey** Edwin Muir,1996 This is a perceptive and beautifully written account of one of Scotland's greatest modern writers of prose and poetry Muir's journey took him from Edinburgh to the Lowlands Glasgow and the Highlands      **Drivetime** Lynne Pearce,2016-07-07 Engages literary texts in order to theorise the distinctive cognitive and affective experiences of driving What sorts of things do we think about when we're driving or being driven in a car Drivetime seeks to answer this question by drawing upon a rich archive of British and American texts from the motoring century 1900-2000 paying particular attention to the way in which the practice of driving shapes and structures our thinking While recent sociological and psychological research has helped explain how drivers are able to think about other things while performing such a complex task little attention has as yet been paid to the form these cognitive and affective journeys take Pearce uses her close readings of literary texts ranging from early twentieth century motoring periodicals Modernist and inter war fiction American road trip classics and autobiography in order to model different types of driving event and by extension the car's use as a means of phenomenological encounter escape from memory meditation problem solving and daydreaming Key Features Brings Humanities based perspectives to bear upon topical debates in automobilities research Introduces a new concept for understanding our journeys made my car by focusing on the driver's automotive consciousness rather than utility function Makes use of auto ethnography to explore and theorise automotive consciousness Draws upon a rich archive of literary texts from across the twentieth century including original research into unknown writers featured in the early twentieth century texts motoring periodicals      Edwin and Willa Muir Margery Palmer McCulloch,2023 A joint biography of the literary marriage between Scottish poet novelist and translator Edwin Muir 1887-1959 and Scottish novelist essayist and translator Willa Muir 1890-1970      Handbook of British Travel Writing Barbara Schaff,2020-09-07 This handbook offers a systematic exploration of current key topics in travel writing studies It addresses the history impact and unique discursive variety of British travel writing by covering some of the most celebrated and canonical authors of the genre as well as lesser known ones in more than thirty close reading chapters Combining theoretically informed astute literary criticism of single texts with the analysis of the circumstances of their production and reception these chapters offer excellent possibilities for understanding the complexity and cultural relevance of British travel writing      **The Cambridge Companion to Travel Writing** Peter Hulme,Tim Youngs,2002-11-21 The Cambridge Companion to Travel Writing brings together specialists from anthropology history literary and cultural studies to offer a broad and vibrant introduction to travel writing in English between 1500 and the present This comprehensive introduction to the subject features specially commissioned contributions including six essays surveying the period's travel writing a further six focusing on geographical areas of particular interest Arabia the Amazon Tahiti Ireland Calcutta the Congo and California and three final chapters analysing some of the theoretical and cultural dimensions to this enigmatic and influential genre of writing Several invaluable tools are also provided including an extensive list of further reading and a detailed five hundred year chronology listing important events

and publications This volume will be of interest to teachers and students alike **Edinburgh: The Autobiography** Alan Taylor, 2024-10-03 From one of the earliest mentions of its name in the sixth century to the Covid lockdowns of the twenty first this is a magnificent portrait of one of the world's great cities in its many iterations from Edinburgh the sink of abomination to the Athens of the North and everything including the home of the Enlightenment the Festival City the Aids Capital of Europe and a Mecca for tourists seeking tartan tat in between As the nation's capital it has been critical to its progress and a witness to epochal events such the tumultuous reign of Mary Queen of Scots the Reformation the Forty Five rebellion the Disruption of the Church of Scotland and the reconvening of the Scottish Parliament All of these and more feature But this is not simply a book about the great and good the famous and infamous There is testimony aplenty from ordinary folk who may not have made their mark on history but who have contributed to Edinburgh's ever expanding tapestry There are stories of body snatching and murder drunkenness and drug taking sex and shopping as well rants against inclement weather and the city council **Literature of Travel and Exploration** Jennifer Speake, 2014-05-12 Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website **Tobias Smollett in the Enlightenment** Richard J. Jones, 2011-04-01 Tobias Smollett 1721-71 is best known today as a novelist whereas in the eighteenth century he was primarily regarded as a historian and critic In Tobias Smollett in the Enlightenment Richard J Jones explores the diversity of Smollett's journalistic and literary writings and establishes new connections between Smollett's work and writers of the Scottish Enlightenment Taking as his focal point Smollett's visit to Nice between 1763 and 1765 and the account he wrote of it in Travels through France and Italy 1766 Jones argues that Smollett's account should be read as a pocket encyclopedia in the tradition of Voltaire rather than as a conventional travel narrative Discussing Smollett's engagement with medicine fine art the theater and history Jones offers a productive juxtaposition of authors texts and contexts presenting Smollett as a writer whose Scottish and particularly Glaswegian identity informed his involvement in a wider European Enlightenment

**Mendelssohn** Benedict Taylor, 2017-07-05 This volume of essays brings together a selection of the most significant and representative writings on Mendelssohn from the last fifty years Divided into four main subject areas it makes available twenty two essays which have transformed scholarly awareness of this crucial and ever popular nineteenth century composer

and musician it also includes a specially commissioned introductory chapter which offers a critical overview of the last half century of Mendelssohn scholarship and the direction of future research The addition of new translations of two influential essays by Carl Dahlhaus hitherto unavailable in English adds to the value of this volume which brings back in to circulation important scholarly works and constitutes an indispensable reference work for Mendelssohn scholars **Whaur Extremes**

**Meet** Catriona M.M. MacDonald,2009-10-30 On the cusp of memory and history the story of Scotland s twentieth century is contested territory international yet parochial prosperous yet ailing and passionate yet temperate This thematic account of Scotland s twentieth century examines the economic social political and cultural aspects that shaped the country during the period Catriona MacDonald underlines the tensions inherent in the life of a nation distinguished by stark changes and surprising continuities a fragmented identity a shifting and at times uneasy accommodation in the UK nation state and an ongoing engagement with globalising tendencies In identifying the choices ambitions possibilities and contradictions that Scotland experienced during a century of profound change she uncovers a country in which one can truly say extremes met

**Listening to Reason** Michael P. Steinberg,2010-01-02 This pathbreaking work reveals the pivotal role of music musical works and musical culture in debates about society self and culture that forged European modernity through the long nineteenth century Michael Steinberg argues that from the late 1700s to the early 1900s music not only reflected but also embodied modern subjectivity as it increasingly engaged and criticized old regimes of power belief and representation His purview ranges from Mozart to Mahler and from the sacred to the secular including opera as well as symphonic and solo instrumental music Defining subjectivity as the experience rather than the position of the I Steinberg argues that music s embodiment of subjectivity involved its apparent capacity to listen to itself its past its desires Nineteenth century music in particular music from a north German Protestant sphere inspired introspection in a way that the music and art of previous periods notably the Catholic baroque with its emphasis on the visual did not The book analyzes musical subjectivity initially from Mozart through Mendelssohn then seeks it in its central chapter in those aspects of Wagner that contradict his own ideological imperialism before finally uncovering its survival in the post Wagnerian recovery from musical and other ideologies Engagingly written yet theoretically sophisticated *Listening to Reason* represents a startlingly original corrective to cultural history s long standing inhibition to engage with music while presenting a powerful alternative vision of the modern Some images inside the book are unavailable due to digital copyright restrictions **The Future of Scotland** Robert

Underwood,2021-10-12 Originally published in 1977 at a time when Scottish affairs were in a state of flux as the debate over political devolution and self government was pursued this book deals with key features of Scottish development It explores the main issues which were then being considered in the planning of Scotland s future The contributors discuss the issues from a global perspective using Scotland as an occasion for detailed focus *The English Catalogue of Books Published from January, 1835, to January, 1863 ,1864* **Drummond of Hawthornden** David Masson,2023-07-13 Reprint of the
