Scottish Violin Makers Past And Present:

Scottish Violin Makers William Crawford Honeyman,1984 Scottish Violin Makers William C. Honeyman,1920

British Violin Makers M. Meredith Morris,2006-04-30 This adaptable instrument s origins date back centuries Celtic legends amuse us with mystical stories describing the creation of stringed music but practical history recounts that the modern birth of the violin occurred in Italy as early as the sixteenth century The skilled craft of hand production was renowned in France as well but it is the British classic type and its history that W Meredith Morris writes about in *British Violin Makers* This classic comprehensive reference to violin making reprinted in 1920 features a biographical dictionary of craftsmen along with many of their signatures and marks Twenty six photographs of selected makers and their instruments help place the contemporary reader in the style of the period Reverend Morris s second edition improves upon the first 1904 edition by adding more than 150 names to the list of makers who produced six violins or more A new foreword by music scholar Benjamin Hebbert explains the important role British violin makers played in the development of the instrument From Morris s narrative one gets a feel for the importance of the craftsman and his materials He explains the various types of wood and varnish used and how they along with the arch and contour work together to produce a specific tone Speaking with fervor the way a wine connoisseur does when describing a certain vintage Morris compares and contrasts the quality of British instruments to that of other nations **British Violin-makers, Classical and Modern ...** William Meredith Morris,1920 Scottish Violin Makers William C. Dictionary of Violin Makers Old and Modern Henri Poidras,1930 **The Amadeus Book of the Violin** Walter Kolneder,2023-09-12 Available for the first time in English this book has been considered the best single encyclopedia of the violin for 20 years All aspects of the violin are covered construction history and literature violin playing and teaching and violin virtuosos through the ages Catalogs Harold Reeves (Firm),1919 The Violin Family and Its Makers in the British Isles Brian W. Harvey,1995 The contribution of the British Isles to the history of the violin family has been consistently underestimated For over 200 years England Wales Scotland and Ireland have produced many fine makers and an abundance of quality instruments and bows now sought after around the world In addition London has for over 100 years been an important centre for restoring dealing in collecting and exhibiting the finest products of Stradivari Guarneri and other Italian masters an important source of inspiration Professor Harvey explains in detail the history of violin making in Britain from one of the earliest extant English instruments made of iron by John Bunyan in about 1647 to the extensive British craft industry of today including within his book a comprehensive directory of violin and bow makers of the British Isles with auction prices The book includes numerous high quality colour and monochrome illustrations including samples of the work of the major craftsmen involved Throughout most of this history the scene has been dominated by the Hill family which for over 250 years has produced instruments and bows of the highest quality and their influence is fully assessed The book is also a social and economic history of stringed instruments showing how in England in particular the violin was slow to win acceptance by association with gypsies and the devil and how the cello became the instrument favoured by royalty and the aristocracy The demand for instruments at any particular time is gauged against musical activity in the country The book is the first in any language to deal with the vast and fascinating subject in this way and in such depth As such it will be welcomed by makers dealers internationally auction houses collectors teachers players and students of stringed instruments **Scottish Violin Makers** William Crawford Honeyman,1919
