Alan Stevenson, 2013-03-05 This superb profusely illustrated survey by noted authority recounts the history of seamarks from antiquity to the early 19th century 261 black and white illustrations **The Lighthouse** Keith McCloskey, 2014-07-01 On 26

December 1900 the vessel Hesperus arrived at Eilean Mor in the remote Outer Hebrides with a relief lighthouseman and fresh provisions The lighthouse had been in operation for a year but it had been noted that no light had been seen from Eilean Mor for several days The relief keeper Joseph Moore found the lighthouse to be completely deserted and a subsequent search of the island failed to reveal any sign of what had happened to the three keepers The last entry in the logbook had been made on 15 December and contained a number of strange and distressing clues as to the mental states of the men One was reported to have been crying while another had become very quiet When it was revealed that the men's oilskin coats were missing and the clock in the lighthouse had stopped theories surrounding the keepers' fates inevitably proliferated These included a giant wave washing them away murder or suicide Others favoured more esoteric explanations Eilean Mor was believed to have mystical properties In *The Lighthouse* Keith McCloskey explores this mysterious and chilling story in depth for the first time and reveals a shocking conclusion

The Ultimate Book of Lighthouses Michael J. Rhein, Samuel Willard Compton, 2018-02-27 The sheer beauty of the elegant lonely lighthouses along our shores and their unspoiled scenic natural settings has captivated our collective imagination A celebration of one of America's purest landmarks *The Ultimate Book of Lighthouses* is a must have for any home

Preserving Historic Lighthouses, 1989 *Remote Lighthouses* Evelyn Foster, 2025-02-20 *Remote Lighthouses* explores the fascinating history of isolated lighthouses and the lives of the keepers who bravely manned them These maritime structures often located in treacherous and remote locations played a vital role in navigation and maritime safety The book delves into the evolution of lighthouse technology from early beacons to automated systems highlighting the ingenuity required to conquer the challenges of remote operation Discover how these lighthouses represent humanity's enduring struggle to conquer the sea and provide safe passage for maritime trade while also examining the unique communities that formed around these lonely outposts The book presents a blend of historical narrative and travelogue providing detailed accounts of life at key lighthouses around the world such as Eddystone Lighthouse and Fastnet Rock Lighthouse It examines lighthouse construction technology and purpose progressing to detailed accounts of life at several key lighthouses around the world Individual chapters focus on specific locations each illustrating different aspects of lighthouse life and the geographical challenges faced Finally the book culminates by examining the automation of lighthouses and the legacy of the keepers analyzing the impact of these changes on maritime culture and the preservation of these historic sites

The Last Lighthouse Sharma Krauskopf, 2000 This work depicts the nine year quest of an American couple an agricultural advisor and a writer/webmaster living on a farm in Michigan USA to own and live in a remote Scottish lighthouse keepers home In the form of e-mails the book gives an intimate view of the gleefully reported successes and the less happily reported tragedies along the way and describes the joys and difficulties of running and living in such a home in a remote but beautiful part of the Shetlands
