## **Scoundrels Dreamers And Second Sons British Remittance Men In The Canadian West:**

**Scoundrels, Dreamers & Second Sons** Mark Zuehlke, 1994      **Scoundrels, Dreamers & Second Sons** Mark Zuehlke, 2016-05-14 Remittance man was meant to be a disparaging term It reflected the fact that these young men had been sent to the colonies to spare their families continuing embarrassment or shame At home they had been scoundrels dreamers and second sons without future prospects Perhaps in the Canadian West they would make something of themselves If they didn't at least they would be far enough away that little disgrace would fall upon their families Mark Zuehlke Beginning in 1880 thousands of young upper class British men with few prospects were sent to the Canadian West to distance them from British society Still supported by their families thus earning them the title remittance men these men set out to continue their lives of leisure in this new land With education respectable breeding and the belief from birth that they were superior beings the remittance men descended upon Western Canada with expectations of accomplishing something great and increasing their wealth In reality they hunted played games courted women and enjoyed distinguished pursuits that squandered their parents money and made hard working Canadians raise their eyebrows Though their era in Western Canada was short 1880 1914 they left an indelible mark perpetuated by the stories and legends that sprung up around them In *Scoundrels Dreamers Second Sons* first published fifteen years ago Mark Zuehlke traces the path of the remittance men through Western Canada highlighting their adventures limited successes and glorious failures      **Metis Pioneers** Doris Jeanne MacKinnon, 2018-03-15 In *Metis Pioneers* Doris Jeanne MacKinnon compares the survival strategies of two Metis women born during the fur trade one from the French speaking free trade tradition and one from the English speaking Hudson's Bay Company tradition who settled in southern Alberta as the Canadian West transitioned to a sedentary agricultural and industrial economy MacKinnon provides rare insight into their lives demonstrating the contributions Metis women made to the building of the Prairie West This is a compelling tale of two women's acts of quiet resistance in the final days of the British Empire      *Scots in the North American West, 1790-1917* Ferenc Morton Szasz, 2000 Scots trappers dominated the fur trade often proving more loyal to clan than to trading company or nation Relying on centuries of experience raising livestock for British markets Scottish investors and managers became highly visible in the post Civil War western cattle industry with thriving outfits such as the Swan Land and Cattle Company in Wyoming They introduced new breeds to western ranching such as the Aberdeen Angus that remain popular today Similarly Scots herders dominated the western sheep industry running herds of over 100 000 animals Andrew Little's sheep ranch in Idaho was so famous that a letter addressed simply Andy Little USA found its intended recipient      *Shaping Nations* Linda Cardinal, David Headon, 2002-03-01 As questions concerning nationhood and national identity continue to preoccupy both Canada and Australia *Shaping Nations* brings together the work of Australian and Canadian scholars around five core themes constitutionalism colonialism republicanism national identity and governance      *Mountain Masculinity* Tex Wood, 2008 In 1906 Nello Vernon Wood 1882

1978 reinvented himself as Tex Wood Banff hunting guide and writer of yarns of the wilderness by a competent outdoorsman His homespun stories of a vanishing world in such periodicals as The Sportsman Hunting and Fishing and the Canadian Alpine Journal have much to tell us about the west as envisioned by those who wanted to leave the early 20th century behind or at least read about others who had done so In the writings of his persona Tex Vernon Wood created an image of the frontier that blended the West of his guiding experiences with the West as a literary object Editors Gow and Rak guide the reader with a framing introduction to the work as well as to each article William Wye Smith William Wye Smith,2008-11-10 William Wye Smith Upper Canadian poet and publisher provided his unique perspective on pioneer life in this compilation of anecdotes from his experiences The Cowboy Cavalry Gordon Errett Tolton,2011 When Native and M tis unrest escalated into the Northwest Rebellion of 1885 white settlers in southern Alberta s cattle country were terrified Three major First Nations bordered their range and war seemed certain In anticipation 114 men mustered to form the Rocky Mountain Rangers a volunteer militia charged with ensuring the safety of the open range between the Rocky Mountains and the Cypress Hills The Rangers were a motley crew from ex Mounties and ex cons to retired high ranking military officials and working ranch hands Membership qualifications were scant ability to ride a horse knowledge of the prairies and preparedness to die The Rangers were resolutely prepared to fight as mounted cavalry should the rebellion spread This is their story inextricably linked to the dissensions of the day rife with skirmishes corruption jealousies rumour innuendo and gross media sensationalizing all bound together with what author Gordon Tolton terms a generous helping of gunpowder

Frontier Cattle Ranching in the Land and Times of Charlie Russell Warren M. Elofson,2004-04-28 In Frontier Cattle Ranching in the Land and Times of Charlie Russell Warren Elofson debunks the myth of the American wild west and the Canadian mild west by demonstrating that cattlemen on both sides of the forty ninth parallel shared a common experience Focusing on Montana Southern Alberta Southern Saskatchewan and the well known figure of Charlie Russell an artist and storyteller from that era who spent time on both sides of the border Elofson examines the lives of cowboys and ranch owners looking closely at the prevalence of drunkenness prostitution gunplay rustling and vigilante justice in both Canada and the United States **The Identities of Marie Rose Delorme Smith** Doris Jeanne MacKinnon,2012 This book relates the history and self identifying process of a Metis woman who lived on the western plains of Canada during the transitional period from fur trade to sedentary agricultural economy Marie Rose Delorme Smith was a woman of French Metis ancestry who was born during the fur trade era and who spent her adult years as a pioneer rancher in the Pincher Creek district of southern Alberta Sold by her mother at the age of sixteen to a robe and whiskey trader several years older than her Marie Rose went on to raise seventeen children establish a boarding house take a homestead serve as medicine woman and midwife and to publish several articles in the early prairie ranch periodical Canadian Cattlemen The author relies on close readings of these articles as well as the diaries manuscripts and fictional writing of Marie Rose Delorme Smith along with personal

interviews with her descendants These sources allow a close examination of the self identifying process for Marie Rose as she negotiated the changing environment of the western plains during the late 1800s and early 1900s when large numbers of Anglo speaking immigrants settled in the area Clearly proud of her Metis identity Marie Rose was a member of an extended family who served as Louis Riel s soldiers and she presented that identity tentatively in her own writings Roles which Marie Rose assumed with pride were those of author historian mother and historical character and these roles serve as themes from which to examine her life
