Scrambling Golf:

Scrambling Golf George Peper, 1982 *The Historical Dictionary of Golfing Terms* Peter Davies, 2005-01-01 No game has a richer array of terms than golf As new golfing terms have accumulated old ones have changed or faded away This concise yet informative dictionary provides definitions and the etymologies for the extraordinary vocabulary of golf built up over its five hundred year history To discover the origins of golf and its special language Peter Davies combed little known archives on two continents As his unique contribution to the game Davies s enthusiasm and enjoyment of golf are stamped on every page of this authoritative book **Nine-Iron John** Alan C. Shapiro, 2002-02 Jim Carlson s most vivid memories of childhood are of his estranged father s obsession with parring the Savage Located on the island of Caramus the 458 yard par 4 16th hole at Wild Links has presumably never been parred At age twenty five Jim sets off to Caramus Over the course of this golfing weekend his life is forever transformed There is the beautiful Tina who presents Jim with a challenge to rival his own dream of parring the Savage And there is John a handsome solidly built enigma of a young man who can knock the cover off a golf ball and plans to make his own run at the Savage by using a gold ball a 9 iron and a little bit of magic Nine Iron John is a tale about reconciling a painful past with the hope for the future It s about fathers and sons the fertile territory of the male ego about coming to terms with the pursuit of athletic and sexual conquests It s about the search for dignity and self respect the desire to love and to be loved It is the story of the journey that all men begin that only a select few ever manage to successfully complete *Golf s Mental Hazards* Alan Shapiro, 1996-06-04 Psychologist Alan Shapiro explores in this book the relationship between a golfer s personality and his or her performance on the links and shows how increased self awareness can improve one s golf score *Two Years in St. Andrews* George Peper, 2008-06-30 The Old Course at St Andrews is to golfers what St Peter s is to Catholics or the Western Wall is to Jews hallowed ground the course every golfer longs to play and master In 1983 George Peper was playing the Old Course when he hit a slice so hideous that he never found the ball But in looking for it he came across a For Sale sign on a stone town house alongside the famed eighteenth hole Two months later he and his wife Libby became the proud owners of 9A Gibson Place In 2003 Peper retired after twenty five years as the editor in chief of Golf magazine With the younger of their two sons off to college the Pepers decided to sell their house in the United States and relocate temporarily to the town house in St Andrews And so they left for the land of golf and single malt scotch haggis bagpipes television licenses and accents thicker than a North Sea fog While Libby struggled with renovating an apartment that for years had been rented to students at the local university George began his quest to break par on the Old Course Their new neighbors were friendly helpful charmingly eccentric and always serious about golf In no time George was welcomed into the local golf crowd joining the likes of Gordon Murray the man who knows everyone Sir Michael Bonallack Britain s premier amateur golfer of the last century and Wee Raymond Gatherum a magnificent shotmaker whose diminutive stature belies his skills For anyone who has ever dreamed of playing the Old Course and what golfer hasn t this book is the

next best thing And for those who have had that privilege Two Years in St Andrews will revive old memories and confirm Bobby Jones s tribute If I were to set down to play on one golf course for the remainder of my life I should choose the Old Course at St Andrews **St. Andrews Sojourn** George Peper,2007-06-05 Read about what happens when golf writer Peper buys a house alongside the venerable Old Course in St Andrews Scotland **A Hiker's Guide to Scrambling Safely** Tom Morin,2005 Unroped scrambling over so called easy terrain is one of the most potentially dangerous recreational activities Every year scramblers are injured or killed in preventable accidents A Hiker s Guide to Scrambling Safely educates new scramblers in the inherent risks required climbing skills and mountain knowledge required for safety in the mountains
