Scrambling After Circumstance:

A Scrambling After Circumstance Margaret-Love Denman, 1991 Church rambles and scrambles, by a perambulating curate Church rambles, 1881 **Uncertainty and Plenitude** Peter Stitt, 1997-09-01 From the extraordinary diversity of contemporary poetry Peter Stitt the distinguished critic and editor of the Gettysburg Review has chosen in this book to write about five poets only all premier practitioners John Ashbery Stephen Dobyns Charles Simic Gerald Stern and Charles Wright with a special look at Stanley Kunitz in relation to Wright Stitt's confident and inventive assessments of these fine poets work help us gain some focus on the uncertainty and plenitude of the current poetry scene demonstrating that concentrated and knowledgeable criticism can show us ways to begin measuring the accomplishments of our poetic age Stitt's interest in these five poets is intellectual and aesthetic As he states I chose these particular writers because their work continues to interest me deeply both intellectually and formally even after years of familiarity He uses his understanding of the philosophical implications inherent in modern physics as they apply to both content and form as the basis for his close analysis Stitt attends to the poets writerly strategies so that we may discover in their poetry where surface form intersects and complements meaning and thus becomes in John Berryman's terms deep form He explains what these poets say and how they say it and what relationships lie between He also shows how humor plays a part in some of their work **Velocities** Stephen Dobyns, 1994-01-11 Stephen Dobyns is one of the very finest poets writing in America today His poems are brave ravenous intensely moving and utterly his own Thomas Lux Velocities presents a selection of poems spanning more than twenty five years in the career of Stephen Dobyns one of the finest and most original poets of our age This volume brings together new poems and a generous selection of work from Dobyns's seven previously published collections **Men of Our Time** Fred Moramarco, Al Zolynas, 1992-10-01 In this groundbreaking volume Fred Moramarco and Al Zolynas bring together a comprehensive and widely representative selection of poetry reflecting both the diversity and commodity of male experience in the United States today Since the beginning of the contemporary phase of the women's movement in the 1960s various anthologies devoted to the poetry of women have articulated and defined a distinctive sensibility attuned to the particularities of a woman's life in our time Although much has been written recently about the male role in our society as well the discussion generally has assumed a sociopsychological or mythic perspective Poetry Moramarco and Zolynas believe can reveal most about the nature of male life today especially the enormous changes men have experienced in recent years As the editors state in their introduction A quiet revolution has been taking place in men's poetry over the past few decades as men have been chronicling the history of their hearts and have been examining those relationships central to their being in the world their connections to their fathers and mothers their own sense of fatherhood and of being sons and brothers their marriages divorces and other aspects of their love lives as well as the ways they conceive of maleness and femaleness The poems collected in Men of Our Time 257 from more than 170 poets include a wide mix of ethnic and racial perspectives

that reflect the multicultural tenor of American life They reveal men s most intimate feelings about the loss of childhood sexual anxieties and fantasies aging self sufficiency and dependency and the perennial quest for a masculine identity Above all the poems are unapologetically grounded in a distinctly male experience or imagination Men of Our Time reclaims a poetry that is connected to and expressive of men s lives in the closing decade of the twentieth century **1888-1900, The scramble for Africa** Wilfrid Scawen Blunt,1921 **My Diaries: 1888-1900, The scramble for Africa** Wilfrid Scawen Blunt,1921 **The Scramble for Asia** Marc Gallicchio,2011-11-25 As American generals and diplomats accepted Japan s surrender on the deck of the U S S Missouri in September 1945 allied combatants wrestled for power in the new post war world The decisions made to effect Japan s surrender entangled U S forces on the mainland of Asia for the next two years and helped shape the next several decades of international relations in the Far East Marc Gallicchio expertly examines the diplomatic military and economic struggles in which the United States China and the Soviet Union were pitted in the immediate aftermath of victory over Japan The Allied victory was but a prelude to an American search for a lasting peace across Asia stretching from Korea to Vietnam and out to the Pacific atolls In seeking to shape events on the mainland the administration of Harry S Truman confronted the anomalous nature of American power The military operations undertaken by the United States in the early days of post war peace affected developments in Asia in unexpected ways As Gallicchio makes clear Americans would soon find that the scramble for Asia from 1945 to 1947 had set the stage for future conflict in the region Peregrine Scramble Sir Henry Vere Huntley,1849 **The Congressional Globe** United States. Congress,1836 Across Country from Thonon to Trent. Rambles and Scrambles in Switzerland and the Tyrol Douglas William Freshfield,1865 *The News-letter of the Society for the Study of Southern Literature* Society for the Study of Southern Literature,1990 **After the Lost Generation** John Watson Aldridge,2019-01-13 John W Aldridge is one of the few young critics of importance to appear on the literary scene since World War II In AFTER THE LOST GENERATION he discusses with acumen and discernment the most important works of the young post war writers of the Forties Norman Mailer Irwin Shaw John Horne Burns Truman Capote Gore Vidal Paul Bowles Alfred Hayes and others Aldridge discusses three writers of the 1920 s Ernest Hemingway John Dos Passos and F Scott Fitzgerald to introduce the writers of World War II He draws significant parallels between the work of the two generations between Hemingway and Hayes between Fitzgerald and Burns between Bowles and Hemingway and between the lost generation of the Twenties and the illusionless lads of the Forties More important than the likenesses between the two generations are the new developments Norman Mailer and Irwin Shaw wrote enormous encyclopedic war novels which covered whole armies and had settings in a dozen different lands John Horne Burns sought relief from the chaos of modernity in Italian culture and Old World tradition Truman Capote dealt essentially with abnormalities and peculiarities in human nature Anti Semitism the Negro problem and homosexuality appear time and again in the new writing The old

themes with which Hemingway and Fitzgerald shattered Victorian patterns sex drinking the brutalities of war are no longer shocking AFTER THE LOST GENERATION is a penetrating analysis of post war fiction that already has provoked wide controversy and discussion A pioneer study The first serious and challenging book about the new novelists Malcolm Cowley New York Herald Tribune **A Scramble Through London & Brighton** Edward Nelson Haxell,1888 **Scrambles Amongst the Alps in the Years 1860-69** Edward Whymper,1900 *The North Carolina Historical Review* ,1993 **The Scramble for Africa** M.
