**Sorcerers on Trial** Kate Wildman Nakai, Mark Teeuwen, Fumiko Miyazaki, 2020-07-07 In 1829 three women and three men were paraded through Osaka and crucified. Placards set up at the execution ground proclaimed their crime: they were devotees of the pernicious creed of Christianity. Middle-aged widows, the women made a living as mediums, healers, and fortune tellers. Two of the men dabbled in divination; the third was a doctor who collected books in Chinese on Western learning and Christianity. This was a startling development. No one in Japan had been identified and punished as a Christian for more than a century, and now avowed devotees of the proscribed sect had appeared in the very heart of the realm. Just decades before the arrival of Perry's black ships and the fall of the Tokugawa shogunate, the incident reignited fears of Christians as evil sorcerers plotting to undermine society and overthrow the country. **Christian Sorcerers on Trial** offers annotated translations of a range of sources on this sensational event, from the 1827 arrest of the alleged Christians through the case's afterlife. The protagonists' testimonies relate with striking detail their life histories, practices, and motivations. The record of deliberations in Edo and communications between Osaka and Edo officials illuminate the operation of the Tokugawa system of criminal justice. Retellings of the incident show how the story was transmitted and received. Translated and put in context by Fumiko Miyazaki, Kate Wildman Nakai, and Mark Teeuwen, the sources provide students and scholars alike with an extraordinarily rich picture of late Edo social life, religious practices, and judicial procedures. **Other**

**The Big Story** Justin Buzzard, 2013-05-15 How would you explain your life to a stranger? When strangers meet today, they often ask not "What do you do?" but "What is your story?" Everybody on the planet believes some larger story in order to make sense of the smaller story of his or her life. We want our lives to fit within a larger plot, a plot full of history, forward movement, and future. So the better question to ask is "What sort of story are you in?" Most people believe false stories that leave them disillusioned, enslaved, and hopeless. Secular stories of chasing success and religious stories of doing good works leave us feeling exhausted and empty. Only Christianity offers a story that's big enough to make sense of both the beauty and brokenness in our lives and in our world. **Tragedies, Volume 2** William Shakespeare, 1993-10-26 We read Shakespeare line by line for his supernatural mastery of all the poetic resources of the English language and play by play for his utterly human, utterly intimate feeling for our condition as individuals and as social beings. Through these works, which deal with the transcendence and the corruption of love, the exigencies of power, the domination of fate, and the algebra of human need, an entire civilization has come to understand its character and its destiny.
