Christopher A. Beetham,2009-01-31 While the use of the Old Testament in the New Testament has captured the attention of biblical scholars over the years no study has been devoted to the presence of Scripture in Colossians largely because there are no explicit quotations in Colossians With the introduction of literary intertextuality into the discipline however scholars have begun to devote more attention to the NT authors less explicit references to Scripture often labelled as allusions and or echoes Scholars however continue to debate what constitutes an allusion or echo or how one validates a given proposal as such This study proposes new definitions of these terms and offers a methodology on how to detect and validate them using Colossians as a test case **Epistles** Dr Al Garza,2018-03-07 For the first time in print the Epistles Hebrews Jude volume 7

Abraham and Melchizedek Gard Granerød, 2010-03-26 This book emphasizing Genesis 14 and Psalm 110 contributes to the history of composition of the patriarchal narratives in the book of Genesis and to the history of theology of the Second Temple period Genesis 14 was added on a late stage and in two steps first Genesis 14 and later the so called Melchizedek episode ME vv 18-20 Genesis 14 is the result of inner biblical exegesis both Genesis 14 and the later ME originated from scribal activity in which several earlier biblical texts have served as templates literary building blocks As for Genesis 14 in particular three text groups were important the Table of Nations the wilderness wandering narratives and annals from the Deuteronomistic History As for the ME it is an example of haggadic exegesis presupposing and without any prehistory independent of its narrative framework ME is the result of an assimilation between two texts Genesis 14 and Psalm 110 which assumedly at one point were read as a

narrative and a poetic version respectively of Abraham's war with the kings Genesis 14 has no value as a source to the history of the patriarchal era and to the religion of pre-Israelite Jerusalem In contrast it shows how post-exilic scribes painstaking study of biblical texts resulted in the creation of new biblical texts

Desire in Paul's Undisputed Epistles

Andrew Bowden, 2020-12-18 In this study Andrew Bowden analyzes Paul's use of desire and in his undisputed epistles After introducing critical research on these lexemes the author applies John Lyons's theory of semantic analysis to the use of in Roman imperial texts Based on these observations he makes a hypothesis concerning the common co-occurrences of desire in Roman imperial texts its antonyms the objects it longs for and its use within metaphorical discourse This hypothesis is then tested by looking at the use of desire in Dio Chrysostom Epictetus Lucian of Samosata the Cynic epistles and Second Temple Jewish texts Andrew Bowden illustrates how contrary to the view of many scholars these Roman imperial authors consistently mention positive objects of desire He then applies these findings concerning desire to Paul yielding important and sometimes unexpected discoveries

Forgotten Scriptures

Lee Martin McDonald, 2009-01-01 The early Christian church had a variety of Scriptures and other source material that informed their faith and shaped their thinking But after a few centuries the church decided to keep the twenty-seven books of our present New Testament and to treat them as a canonical in faith and practice But what of the other books Many of them have survived and remain valuable for understanding the diversity of the early Christian church and the astounding claims of faith on which it was founded Learning about these ancient documents need not threaten the church's current orthodoxy and authority in fact learning about these texts can help today's Christians form a deeper understanding of the early church

Jairus's Daughter and

Zwiep examines the gospel stories of the raising of Jairus's daughter and the healing of the haemorrhaging woman Mark 5:21-43 Matt 9:18-26 Luke 8:40-56 from a plurality of sometimes conflicting interpretive strategies to demonstrate the need and fruitfulness of a multi-perspectival exegetical approach Among the various diachronic and synchronic methods that are being applied in this study are philological criticism form criticism and structural analysis tradition and redaction criticism orality studies and performance criticism narrative analysis textual criticism and the study of intertextuality Such a comprehensive approach it is argued leads to an increased knowledge and a deepened understanding of the ancient texts in question and to a sharpened awareness of the applicability of current scholarly research instruments to unlock documents from the past**

A Marginal Jew: Rethinking the

Historical Jesus, Volume IV John P. Meier, 2009-06-02 John Meier's previous volumes in the acclaimed series A Marginal

Jews are founded upon the notion that while solid historical information about Jesus is quite limited people of different faiths can nevertheless arrive at a consensus on fundamental historical facts of his life In this eagerly anticipated fourth volume in the series Meier approaches a fresh topic the teachings of the historical Jesus concerning Mosaic Law and morality with the same rigor thoroughness accuracy and insightfulness on display in his earlier works **Ancient Apologetic Exegesis**

Stuart Parsons,2015-02-05 New Testament scholarship uncovers much about first century Christianity Early Christian masters such as Origen and Augustine draw great attention to the third and following centuries Yet oddly despite this flood of attention to both the first century and to the third and later centuries the second century often escapes notice this despite its almost living memory of Jesus and his apostles from only a generation or two prior A distinctive biblical exegesis was used by those second century apologists who challenged Greco Roman pagan religionists Along with introducing the general shape of this ancient apologetic exegesis Ancient Apologetic Exegesis aims at its recovery as well Current literature often misunderstands or dismisses second century exegetical approaches But by looking behind anachronistic views of ancient genre literacy and rhetoric we can rediscover a forgotten form of early Christian exegesis **Handbook on the New**

Testament Use of the Old Testament G. K. Beale,2012-09-01 This concise guide by a leading New Testament scholar helps readers understand how to better study the multitude of Old Testament references in the New Testament G K Beale coeditor of the bestselling Commentary on the New Testament Use of the Old Testament focuses on the how to of interpreting the New Testament use of the Old Testament providing students and pastors with many of the insights and categories necessary for them to do their own exegesis Brief enough to be accessible yet thorough enough to be useful this handbook will be a trusted guide for all students of the Bible This handbook provides readers with a wonderful overview of key issues in and tools for the study of the use of the Old Testament in the New I expect it to become a standard textbook for courses on the subject and the first book to which newcomers will be directed to help them navigate through these sometimes complex waters Roy E Ciampa Gordon Conwell Theological Seminary **The Torn Veil** Daniel M.

Gurtner,2006-12-21 In this 2006 text Daniel M Gurtner examines the meaning of the rending of the veil at the death of Jesus in Matthew 27 51a by considering the functions of the veil in the Old Testament and its symbolism in Second Temple and Rabbinic Judaism Gurtner incorporates these elements into a compositional exegesis of the rending text in Matthew He concludes that the rending of the veil is an apocalyptic assertion like the opening of heaven revealing in part end time images drawn from Ezekiel 37 Moreover when the veil is torn Matthew depicts the cessation of its function articulating the atoning role of Christ's death which gives access to God not simply in the sense of entering the Holy of Holies as in Hebrews but in trademark Matthean Emmanuel Christology God with us This underscores the significance of Jesus atoning death in the first gospel **Old Testament Quotations in Hebrews** Georg Walser,2013 This thesis aims at investigating the use of the Old Testament in the New and in Hebrews specifically focusing on two aspects which appear to have been somewhat neglected in

previous scholarship namely the text and context of specific quotations The aspect of text takes the complicated textual history of the Old Testament into account especially concentrating on the findings of recent Septuagint research and particularly the possibility that different Hebrew texts may underlie the Greek translation The aspect of context draws on the assumption that Hebrews was composed in a Jewish context where the Old Testament text had been interpreted for a long time It is also presupposed that this exegesis was handed down along with the Hebrew Scriptures not only in the post Second Temple Jewish community but also in the early Church Hence primary sources such as Talmud Midrash and early Church Fathers are consulted with the intention of better understanding the interpretation of the Old Testament quotations in Hebrews To do this three Old Testament texts which exist in distinctly different versions and have been quoted in Hebrews have been examined namely Gen 47 31b in Heb 11 21 Ps 40 7b in Heb 10 5 and Jer 31 33 in Heb 8 10 and 10 16 The outcome of this study shows that several versions of Old Testament texts were interpreted at the time of the New Testament and that the peculiarities of the different versions had a decisive impact on the exegesis of the texts Further it shows that some versions of the texts were favoured in the Jewish context while others were preferred in the early Church Hence different understandings of Old Testament passages in different contexts are sometimes not the result of different interpretations of the same texts but of the exegesis of different versions of the same text
