Journey to Jesus Leroy Dickerson Jr.,2007-05-16 Journey to Jesus A Walk Through the Bible written in every day street language takes a fresh look at some key areas of the Bible and how they relate to the most supreme event in mankind's history the Incarnation The purpose of Journey to Jesus A Walk Through the Bible is to motivate people to become TRUE Christians a Christian being any person who strives to live by the guidelines set by Jesus guidelines that are not primarily religiously centered but humanitarian A Christian then is a person whose guiding spirit is one of deep caring kindness Through His word and examples Jesus came to earth to teach all people how to enter into a glorious new area of life that He called The Kingdom of God This book focuses on the guiding principle of conduct that is the one primary requirement for admission into His kingdom the active spirit of unbounded unlimited KINDNESS The key message is this To conclude all people of goodwill i e kind hearted should consider all other like minded people as brothers and sisters in Christ regardless of their religious beliefs and affiliations if any or their cultural backgrounds Jewish and master religions honor Jesus for the sublime wisdom of His teachings It is my hope that the words set forth in this book will encourage Christians around the world to closely examine the words of Jesus Himself and what He was trying to teach us And in doing so it is my prayer that we will all incorporate His words into our hearts and lives making clear once more His pathways to Life Everlasting Leroy Dickerson Jr Selections from the book Some day soon the curtain will fall on our lives and this functioning unity of body and soul will cease to be Will our souls continue on into another life Or will they also flicker out because they are only the creation of energy forms called BODY which promptly begins to disintegrate upon death Once again though it desperately tries humanity cannot and never will discover the TRUE reality We can make assumptions that are derived from either our fears or powerful desires of hope but that is all we have and nothing more So I submit that the propositions I just presented support the reality of Jesus While not absolute proof they are valid assumptions Therefore the Gospel message that confronts

us today is NOT a message about some fictional character from Once upon a time Instead the Gospel story is about the very real Jesus Christ the ONE and ONLY Jesus who continues to challenge us today in the same manner that He challenged the Hebrews who had direct contact with Him when He walked in Palestine during the reign of Pontius Pilate and Tetrarch Herod YES that Jesus was real And the resurrected Christ is real We have every logical reason to bet our lives on the fact that Jesus is REAL and ALIVE today As I look back over my own life somewhat judging myself I realize that on the whole I have failed the test I have always known that Christ wants and expects me to be a kind person But in this rough world of ours it is certainly not easy to do At this late hour of my life all I can do now is keep His standards in mind and follow them to the very best of my ability for the remainder of my days on earth Be kind At all times To everyone In every situation This is the message Christ came to teach and to illustrate kindness the one trait of a truly glorious and successful life So its not just the pious devotees in church who are safe in the arms of Christ Instead I surmise its all people whose hearts are akin to Christs heart those who are motivated and activated by a powerful loving concern for all of humanity thereby embracing a spirit that is most accurately termed as kindness So its when we think kindly
