Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology:

Scripture and Metaphysics Matthew Levering, 2008-04-15 This book makes a major contribution to contemporary theological and philosophical debates bridging scriptural and metaphysical approaches to the triune God Bridges the gap between scriptural and metaphysical approaches to biblical narratives Retrieves Aquinas's understanding of theology as contemplative wisdom Structured around Aquinas's treatise on the triune God in his *Summa Theologiae* Argues that intellectual contemplation is part of a broader spiritual journey towards a better understanding of God Contributes to the current resurgence of Thomistic theology in both Protestant and Catholic circles Spirit Christology and Trinity in the Theology of David Coffey Declan O'Byrne, 2010 Studies in Theology Society and Culture invites scholarly contributions to themes including patterns of secularisation postmodern challenges to religion and the relation of faith and culture From a theological perspective it seeks constructive re-interpretations of traditional Christian topics including God creation salvation Christology ecclesiology in a way that makes them more credible for today It also welcomes studies on religion and science and on theology and the arts Revisioning, Renewing, Rediscovering the Triune Center Derek J. Tidball, Brian S. Harris, Dr Jason S. Sexton, 2014-11-10 An international cast of theologians come together in this volume to offer essays in tribute to the late Stanley J. Grenz one of the leading theologians of his generation Accordingly the volume includes timely explorations in some of the most exciting areas in contemporary theology It is only fitting that these very explorations revolve around the key motifs of Grenz's theology Trinity community eschatology and the key sources from which he drew for theology's construction Scripture tradition culture While engaging key features seen in Grenz's work some of the essays here interact with Grenz's own writings reflecting on his theological journey and his contributions to evangelical theology In these ways this volume highlights the kind of evangelical theology that so many have experienced in recent years and of which Stanley Grenz was a leading proponent Revisioning Renewing Rediscovering the Triune Center then makes a significant contribution to discussions in contemporary theology while itself setting out to honor the life and work of an eminent theologian who did so much for evangelical theology *Rethinking Christian Identity* Medi Ann Volpe, 2013-01-04 RETHINKING CHRISTIAN IDENTITY A brilliant compelling agenda setting book Volpe has written this thoughtful passionate informed critique that invites us all to think through precisely what is involved in being formed in the Christian tradition Ian Markham Virginia Theological Seminary A model for those of us who seek to combine the vocations of academic theology and pastoral ministry Rethinking Christian Identity offers a compelling vision of Christian formation Volpe deftly shapes her vision in conversation with contemporary theologians and voices from the history of the Church combining erudition with a passion for Christian discipleship Kathryn Greene McCreight St John's Episcopal Church Recent decades have seen major shifts in our understanding of Christian identity This timely book explores contemporary theological theory in asking what makes a Christian in the twenty first century what unites and sets Christians apart from other social or political groups and how is

this identity forged and then passed on to others Volpe engages with these changing ideas through the work of Kathryn Tanner Rowan Williams and John Milbank whose accounts of Christianity challenge older views Drawing these theologians into conversation with Gregory of Nyssa she clearly and persuasively discusses the importance of doctrine in identity formation the unexplored ideas of the significance of sin on Christian identity and its effects and the need for an inclusive account of Christian identity As Christianity declines in parts of the Western world and yet expands in others the nature of Christian identity is more crucial and vexed than ever before This important book makes a valuable contribution to these ongoing debates

Muhammad Reconsidered Anna Bonta Moreland,2020-03-30 Muhammad Reconsidered rectifies the failures of scholarly attempts to understand Islam in the West and to take Islamic theology seriously Engaging Islam from deep within the Christian tradition by addressing the question of the prophethood of Muhammad Anna Bonta Moreland calls for a retrieval of Thomistic thought on prophecy Without either appropriating the prophet as an unwitting Christian or reducing both Christianity and Islam to a common denominator Moreland studies Muhammad within a Christian theology of revelation This lens leads to a more sophisticated understanding of Islam one that honors the integrity of the Catholic tradition and argues for the possibility in principle of Muhammad as a religious prophet Moreland sets the stage for this inquiry through an intertextual reading of the key Vatican II documents on Islam and on Christian revelation She then uses Aquinas's treatment of prophecy to address the case of whether Muhammad is a prophet in Christian terms Muhammad Reconsidered examines the work of several Christian theologians including W Montgomery Watt Hans K ng Kenneth Cragg David Kerr and Jacques Jomier O P and then draws upon the practice of analogical reasoning in the theology of religious pluralism to show that a term in one religion in this case prophecy can have purchase in another religious tradition Muhammad Reconsidered not only is a constructive contribution to Catholic theology but also has enormous potential to help scholars reframe and comprehend Christian Muslim relations

Divine Illumination Lydia Schumacher,2011-04-18 In Divine Illumination Schumacher offers an original approach to Augustine's theory of divine illumination the precondition of all human knowledge Written with great originality and clarity she traces the idea through medieval thinkers into early modernity and reveals its importance in modern theories of knowledge Takes an original approach to reading Augustine's theory of divine illumination and shows how the theory was transformed and reinterpreted in medieval philosophy and theology Presents a groundbreaking way of thinking about the writings of Augustine Anselm Bonaventure Aquinas and John Duns Scotus and relates this to cutting edge questions in contemporary philosophy of religion especially epistemology Is a significant contribution to the history of philosophy but also to contemporary debates on faith and reason Lays the foundation for future efforts to come to terms with the contemporary epistemological situation and its inherent problems

In Adam's Fall Ian A. McFarland,2010-10-18 IN ADAM'S FALL Few doctrines of Christian teaching are more controversial than original sin For how is it possible to affirm the universality of sin without losing sight of the distinct ways in which individuals are

both responsible for and suffer the consequences of sinful behavior In considering the Christian doctrine of original sin McFarland challenges many prevailing views about it He shows us that traditional Christian convictions regarding humanity's congenital sinfulness neither undermine the moral accountability of sin's perpetrators nor dampen concern for its victims Responding to both historic and contemporary criticism of the doctrine In Adam's Fall reveals how the concept of original sin is not only theologically defensible but stimulating and productive for a life of faith Drawing on both the classical formulations of Augustine and the Christology of Maximus the Confessor McFarland proposes a radical reconstruction of the doctrine of original sin one that not only challenges contemporary Western visions of human autonomy but emphasizes the integrity of each individual called by God to a unique and irreplaceable destiny Engagingly written and infused with scholarly sophistication In Adam's Fall offers refreshingly original insights into the contemporary relevance of a doctrine of Christian teaching that has inspired fierce debate for over 1 500 years *Principles of Catholic Theology* Thomas Joseph White,2023

Divine Simplicity Steven J. Duby,2015-12-17 Steven J Duby examines the doctrine of divine simplicity This discussion is centered around the three distinguishing features grounding in biblical exegesis use of Thomas Aquinas and the Reformed Orthodox and the writings of modern systematic and philosophical theologians Duby outlines the general history of the Christian doctrine of divine simplicity and discusses the methodological traits and essential contents of the dogmatic account He substantiates the claims of the doctrine of divine simplicity by demonstrating that they are implied and required by the scriptural account of God Duby considers how simplicity is inferred from God's singularity and aseity as well as how it is inferred from God's immutability and infinity and the Christian doctrine of creation The discussion ends with the response to major objections to simplicity namely that the doctrine does not pay heed to the plurality of the divine attributes that it eradicates God's freedom in creating the world and acting toward us and that it does not cohere with the personal distinctions to be made in the doctrine of the Trinity Identity and Coherence in Christology Paul S. Scott,2023-09-29 This book explores a number of closely related logical and metaphysical questions relating to the identity of Jesus Christ In particular it considers What does Jesus Christ name and How may Jesus Christ be the subject of both divine and human attributes given their apparent incompatibility The author draws on analytic and scholastic influences and integrates them into a rehabilitation of the neglected habitus theory of the hypostatic union The theory maintains a real identity between Christ and the Word and emphasises the instrumental or possessory dimension of Christ's relationship to his human nature This approach allows for an account of the hypostatic union that is true to the indispensable articles of classical Christology and which satisfies the demands of logical coherence Yet at no point is the mystery of the Incarnational event reduced to the strictures of creaturely comprehension The book will be of particular interest to scholars of Christology analytic theology and the philosophy of religion Christian Theologies of Scripture Justin S. Holcomb,2006-04 All religious traditions that ground themselves in texts must grapple with certain questions concerning the texts authority Yet there has been much debate

within Christianity concerning the nature of scripture and how it should be understood a debate that has gone on for centuries Christian Theologies of Scripture traces what the theological giants have said about scripture from the early days of Christianity until today It incorporates diverse discussions about the nature of scripture its authority and its interpretation providing a guide to the variety of views about the Bible throughout the Christian tradition Preeminent scholars including Michael S Horton Graham Ward and Pamela Bright offer chapters on major figures in the pre modern reformation and early modern eras from Origen and Aquinas to Luther and Calvin to Barth and Balthasar They illuminate each thinker s understanding of the Christian scriptures and their views on interpreting the Bible The book also includes overview chapters to orient readers to the key questions regarding scripture in each era as well as chapters on scripture and feminism scripture in the African American Christian tradition and scripture and postmodernism This volume will be indispensable reading for students and all those interested in the nature and authority of Christian scripture Words of Wisdom John W.

Carlson,2012-01-16 Like their predecessors throughout the late nineteenth and twentieth centuries popes John Paul II and Benedict XVI have emphasized the importance of philosophy in the Catholic intellectual tradition In his encyclical Fides et ratio 1998 John Paul II called on philosophers to have the courage to recover in the flow of an enduringly valid philosophical tradition the range of authentic wisdom and truth Where the late pope spoke of an enduringly valid tradition Jacques Maritain and other Thomists often have referred to the perennial tradition or to perennial philosophy Words of Wisdom responds to John Paul s call for the development of this tradition with a much needed dictionary of terms As a resource for students in colleges universities and seminaries as well as for teachers of the perennial tradition and interested general readers Words of Wisdom occupies a unique place It offers precise yet clear and understandable accounts of well over a thousand key philosophical terms richly cross referenced It also explains significant terms from other philosophical movements with which Thomism and the Catholic intellectual tradition more generally has engaged either through debate or through judicious and creative incorporation Moreover it identifies a number of theological and doctrinal expressions to which perennial philosophy has contributed Finally it provides a comprehensive bibliography of works by Aquinas in English expositions and discussions of perennial themes and representative examples from the writings of all philosophers and theologians mentioned in dictionary entries

God's Companions Samuel Wells,2008-04-15 We are pleased to announce that God s Companions by Samuel Wells has been shortlisted for the 2007 Michael Ramsey Prize for theological writing www.michaelramseyprize.org.uk Grounded in Samuel Wells experience of ordinary lives in poorer neighborhoods this book presents a striking and imaginative approach to Christian ethics It argues that Christian ethics is founded on God on the practices of human community and on worship and that ethics is fundamentally a reflection of God s abundance Wells synthesizes dogmatic liturgical ethical scriptural and pastoral approaches to theology in order to make a bold claim for the centrality of the local church in theological reflection He considers the abundance of gifts God gives through the practices of

the Church particularly the Eucharist His central thesis which governs his argument throughout is that God gives his people everything they need to worship him be his friends and eat with him Wells engages with serious scholarly material yet sets out the issues lucidly for a student audience *Sanctification* Michael Allen,2017-10-24 Sanctification the act or process of becoming holy is one of the gifts of the gospel of Jesus Christ but it s often misunderstood by the modern church Sanctification offers a Christ centered and clear account of the doctrine by viewing it within its wider biblical and historical context Churches too often allow their definitions of holiness to be prompted by existential goals or the social mores of the Christian community It s not surprising then that many view holiness as accidental or expendable even as a legalistic posture opposed to the freedom of the gospel and separate from the gift of grace Sanctification part of the New Studies in Dogmatics series defines holiness in theological terms by Providing a framework by discussing the core Christian doctrines associated with it such as the character of God the nature of creation and the covenantal shape of life with God Considering the ways in which the gospel of Jesus not only prompts us to holy action but provides holiness as one of its blessings Attending to the ways in which the gift of sanctification relates to human means so that we can appreciate its connection to human nature responsibility and the pedagogy of exemplars and of law ABOUT THE SERIES New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal Following in the tradition of G C Berkouwer s Studies in Dogmatics this series provides thoughtful concise and readable treatments of major theological topics expressing the biblical creedal and confessional shape of Christian doctrine for a contemporary evangelical audience The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church s historic understanding of the Word of God as professed in its creeds councils and confessions and by its most trusted teachers **Christ and Culture** Graham Ward,2015-11-04 Leading theologian Graham Ward presents a stimulating series of reflections on Christ and contemporary culture Takes as its starting point Niebuhr s famous volume on Christ and Culture published in the 1970s Explores representations of Christ from sources as diverse as the New Testament and twentieth century continental philosophy Considers Christ and culture in the light of contemporary categories such as the body gender desire politics and the sublime Develops an original and imaginative Christology rooted in Scriptural exegesis and concerned with today s cultural issues The author has been described as the most visionary theologian of his generation **Powers and Submissions** Sarah Coakley,2008-04-15 In this book Sarah Coakley confronts a central paradox of theological feminism what she terms the paradox of power and vulnerability Confronts a central paradox of theological feminism what Coakley terms paradox of power and vulnerability Explores this issue through the perspective of spiritual practice philosophical enquiry and doctrinal analysis Draws together an essential collection of Sarah Coakley s work in this field Offers an original perspective into contemporary feminist theology *Bonhoeffer as Biblical Interpreter* Jameson E. Ross,2021-08-12 By oscillating between Dietrich Bonhoeffer s explicit hermeneutical reflections and his actual practice of

interpreting biblical texts Jameson E Ross shows that Bonhoeffer's interpretive acts consist of a theologically self reflective hermeneutic in which Scripture is for interpretation underscoring how essential the interpreter's Spirit given freedom actions theology context and needs are for reading Scripture Offering a fresh vision for methodological discussions in theology this book is a valuable resource for graduate and postgraduate students and researchers on modern theology political theology and ethics and biblical exegesis **The Vietnam War and Theologies of Memory** Jonathan

Tran, 2010-03-02 The Vietnam War and Theologies of Memory develops a theological analysis of the American war in Vietnam and constructs a Christian account of memory in relation to this tragic conflict An elegantly written reflection of memory and forgiveness this unique work explores the ecclesial practice of memory in relation to the American war in Vietnam Questions how and why we choose to remember atrocity and asks whether it is ever ethical to simply forget Explores the theological categories of time and eternity and the ideas of thinkers including Aquinas Augustine and Barth Reveals broader insights about history memory and redemption Resonates beyond the field of theological inquiry by offering a broader analysis of war entirely relevant to our time **Reading the Bible Theologically** Darren Sarisky, 2019-01-17 Theological interpretation of

the Bible is one of the most significant debates within theology today Yet what exactly is theological reading Darren Sarisky proposes that it requires identification of the reader via a theological anthropology an understanding of the text as a collection of signs and reading the text with a view toward engaging with what it says of transcendence Accounts of theological reading do not often give explicit focus to the place of the reader but this work seeks to redress this neglect Sarisky examines Augustine's approach to the Bible and how his theological insights into the reader and the text generate an aim for interpretation which is fulfilled by fitting reading strategies He also engages with Spinoza showing that theological exegesis contrasts not with approaches that take history seriously but with naturalistic approaches to reading *Keeping God's Silence* Rachel Muers, 2008-04-15 This ground breaking book provides a new perspective on Christian practices of silence An original theologically informed work written by a significant Quaker theologian Provides a new perspective on Christian practices of silence Considers the theological and ethical significance of these practices Relates silence listening and communication to major contemporary issues Takes forward theological engagement with feminist thought Contributes to ongoing research into the theology of Dietrich Bonhoeffer

Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology has opened up a world of possibilities. Downloading Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Scripture And Metaphysics Aquinas And The

Renewal Of Trinitarian Theology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology Books

1. Where can I buy Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Scripture And Metaphysics Aquinas And The Renewal Of Trinitarian Theology books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
