Churchward,2007-06-01 African people developed signs and symbols as a way of communicating and delivering messages It is most unfortunate that most people who today are members of secret societies have no in depth knowledge of the history of the society and the unifying role it played in the early intellectual life of the Nile Valley It is through Churchward s examination of most of the known cultures of the people of his day that the signs and symbols of primordial man is revealed At this juncture we need to be reminded that Nile Valley stretches over 4 000 miles into the body of Africa and that the creations of Nile Valley civilizations cannot be attributed only to that portion of North Africa that the Greeks called Egypt The Nile river was the world s first great cultural highway bringing people and cultures out of the body of inner Africa This great cultural migration led to the peopling of Egypt Making Egypt and composite civilization compromised of different African people who dwelled along the banks of the Nile river The civilization that developed in Egypt was the culmination of civilization *Love Secrets of the Signs* Stacey Wolf,2002 This guide takes your sign and matches it with every other sign to show you how to choose your perfect guy find out the secrets of his heart be the girl of his dreams and avoid messy situations

The Book of Primal Signs Nigel Pennick,2014-06-16 An in depth study of the sacred meanings behind ancient and enduring symbols Explains the multiple forms and uses of symbols from ancient times to the present day reflecting their roots in folk magic and the Western Mystery tradition Examines more than 40 glyphs such as the cross fleur de lis and pentagram as well as several families of symbols such as craftsmen s marks and runes Includes more than 300 unique woodcuts drawings calligraphy and photographs many never before reproduced From ancient rock and cave art to the contemporary brand logos of politics and business human beings have always created symbols to denote specific ideas groups or important objects as well as to convey deeper information than can be communicated in words Many glyphs have retained their meanings over millennia whereas some have modern meanings vastly different from the original connotation In this study of symbols Nigel Pennick explores glyphs as agents of higher consciousness and ports of access to the collective unconscious acknowledging the continuity of tradition both deliberate and not as well as how interpretations of some symbols such as the swastika have changed dramatically With more than 300 unique woodcuts drawings calligraphy and photographs many never before reproduced Pennick examines ancient and enduring glyphs in detail such as the circle cross eye pentagram fleur de lis tree of life and horseshoe as well as several families of symbols such as craftsmen s marks runes symbolic beasts human heads and skulls and the sigils of Mammon The author explains the multiple forms and uses of each from ancient times to the present day reflecting their roots in the Western Mystery tradition He explores the symbols of high magic such as the glyph of John Dee s monad those of folk magic such as the traditional cock on the weather vane and the creation of modern glyphs such as the peace sign and the anarchy symbol Contrasting the hijacked use of power symbols in modern advertising with the vital role of symbols in traditional arts and crafts Pennick reveals how symbols link the cosmic with the terrestrial and allow us to infuse the mundane with the numinous **The Secret Legacy of Jesus** Jeffrey J.

Bütz,2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother Islam the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul s desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics However despite the ongoing persecution by the Roman Catholic orthodoxy this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival Jeffrey Bütz author of The Brother of Jesus and the Lost Teachings of Christianity reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam the Cathars the Knights Templar and Freemasonry In The Secret Legacy of Jesus Bütz demonstrates how this centuries old underground stream of Christ s original teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem With the rise of a fundamentalist Christianity this potent spiritual vision was lost but Bütz contends it can be recovered and used to bring about the reconciliation of Christians Jews and Muslims throughout the world [The Secrets of Spirituality & Occult](#) Helena Blavatsky,2023-12-09 In The Secrets of Spirituality Occult Helena Blavatsky intricately weaves a rich tapestry of esoteric knowledge and spiritual exploration unveiling the hidden dimensions of human existence The book is characterized by its philosophical depth and mystical prose drawing from a diverse range of traditions including Eastern religions Gnosticism and the Western esoteric traditions Blavatsky employs a metaphorical and often poetic style inviting readers to ponder the intricacies of nature existence and the soul s journey toward enlightenment all while positioning her work within the burgeoning context of 19th century occultism and spiritual movements Helena Blavatsky a prominent figure in the Theosophical Society was a revolutionary thinker whose travels across various cultures and in depth studies of ancient texts profoundly influenced her worldview Her early experiences in Russia and her later explorations in the East imbued her with a unique perspective on spirituality which she passionately sought to communicate through her writings Blavatsky s dedication to uncovering the universal truths underlying diverse belief systems led her to synthesize complex philosophical ideas into accessible narratives This book is highly recommended for seekers of knowledge scholars of spirituality and those curious about the intersection of mystical thought and practical wisdom It serves not only as a guide to understanding the deeper aspects of existence but also as an invitation to engage with the transformative power of occult studies that remain relevant today
