Dr. Robert C. Worstell, John E. Kennedy, 2014-05-29 ADVERTISING should be judged only by the goods it is conclusively known to sell at a given cost Mere opinions on Advertising Copy should be excluded from consideration because opinions on Advertising are conflicting as opinions on Religion But it is different with Advertising as it is with Mechanics or with Medicine all three of which can be conclusively tested Many Advertisers however seem satisfied to spend their money on mere Opinions about Advertising when they might have invested it on Evidence about Advertising When it is anything less than Salesmanship it is not real Advertising but only General Publicity And General Publicity admittedly claims only to Keep the Name before the People to produce a General impression on the Trade and to Influence Sales for the salesmen The only way to judge Advertising is to judge it by the amount of goods It is conclusively known to Sell at a given cost Get this copy for yourself and learn these Secrets **Roswell Connection** Theresa Morris, 2010-04-03 Roswell

*Decolonizing the Study of Palestine* Ahmad H. Sa'di, Nur Masalha, 2023-06-15 Writing about Palestine and the Palestinians continue to be controversial Until the late 1980s the question of Palestine was approached through Western social theories that had appeared after World War 2 This endowed European settlers and colonists the mission of guiding the backward natives of Palestine to modernity However since the work of Palestinian scholar Elia Zureik the study of Israel and the ethnic relations in Palestine Israel has been radically shifted Building on Zureik's work this book studies the colonial project in Palestine and how it has transformed Palestinians' lives Zureik had argued that Israel was the product of a colonization process and so should be studied through the same concepts and theorization as South Africa Rhodesia Australia and other colonial societies He also rejected the moral and civilizational superiority of the European settlers Developing this work the contributors here argue that colonialism is not only a political economic system but also a mode of life and consciousness which has far reaching consequences for both the settlers and the indigenous population Across 13 chapters in addition to the introduction and the afterward the book covers topics such as settler colonialism dispossession the separation wall surveillance technologies decolonisation methodologies and popular resistance Composed mostly of Palestinian scholars and scholars of Palestinian heritage it is the first book in which the indigenous Palestinians not merely write back but principally aim to lay the foundations for decolonial social science research on Palestine Secret Faith in the Public Square

Jonathan Malesic, 2009-09 Provocatively argues that concealing Christian identity in American public life is the best way to maintain faithful witness and integrity **A Buddhist Theory of Semiotics** Fabio Rambelli, 2013-03-14 One of the first attempts ever to present in a systematic way a non western semiotic system This book looks at Japanese esoteric Buddhism and is based around original texts informed by explicit and rigorous semiotic categories It is a unique introduction to important aspects of the thought and rituals of the Japanese Shingon tradition Semiotic concerns are deeply ingrained in the Buddhist intellectual and religious discourse beginning with the idea that the world is not what it appears to be which calls for a more accurate understanding of the self and reality This in turn results in sustained discussions on the status of language and representations and on the possibility and methods to know reality beyond delusion such peculiar knowledge is explicitly defined as enlightenment Thus for Buddhism semiotics is directly relevant to salvation this is a key point that is often ignored even by Buddhologists This book discusses in depth the main elements of Buddhist semiotics as based primarily

on original Japanese pre modern sources It is a crucial publication in the fields of semiotics and religious studies *The Unknown* Jack Smith,2014-06-17 She was an unknown a newborn baby discarded in a dumpster on a bed of decaying garbage and lifeless rodents to die trucked away and forgotten Yet she survived Through her childhood teenage and adult years she wandered and hid avoiding violent unknown men driven to finish what they originally failed to do What unknown secret drew these men to her How did the ordinary an unopened letter a homeless couple tennis swimming horses a corrupt friend and a deck of cards change the unknown to the known the hunted to The path this story takes is not straight it bends with mystery intrigue violence the unexpected and more than a few surprises **Sex--the Unknown Quantity** Alexander James McIvor-Tyndall,1916 Culture and Organizational Behaviour Jai B. P. Sinha,2009-01-06 Culture and Organizational Behaviour is a textbook for management studies that highlights the effect of the confluence of Western and Indian cultural influences It adheres to the syllabi of the organizational behaviour courses followed in most major universities and management institutes The book presents basic knowledge of organizational behaviour as developed in the West adds to these the latest global research findings and situates them in the Indian cultural perspective It also highlights the issues that emanate from the interface of the Indian culture and organizational behaviour Key Features Contains updated case studies from Indian organizations Focuses on current and emerging strategies in organizational structures leadership power and politics Covers topics like balancing work and other responsibilities power and politics and conflict and negotiation which though extremely crucial to organizational behaviour have perhaps not got due attention in the existing literature Presents the relatively unexplored effects of Indian culture on organizational behaviour Provides a platform where both theoretical and practical issues can be addressed by managers researchers students and teachers alike Unknown Emma Dorothy Eliza Nevitte Southworth,1889 **William Burroughs and the Secret of Fascination** Harris, Oliver,2003 *Nano-size Polymers* Stoyko Fakirov,2016-09-01 This book details all current techniques for converting bulk polymers into nano size materials The authors highlight various physical and chemical approaches for preparation of nano size polymers They describe the properties of these materials and their extensive potential commercial applications
