ENCOURAGEMENT FROM THE PSALMS Dr. B, 2023-10-06 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author's mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord Secrets of the Prince of Expositors Michael Hawk Mills, 2025-04-25 Crowds thronged to hear Alexander Maclaren Some tried to bribe the doormen for a seat and extra chairs often had to be

placed on stage next to the pulpit What drew so many to travel to Manchester England to hear a preacher Maclaren knew how to apply the text to real life His dedication to expository preaching was unique in his day and even surpassed that of his friend Charles Haddon Spurgeon His ministry remains as a needed model for today because countless congregants still see the Bible as stories with little or no relevance to their daily duties Every Sunday people go to a Bible study listen to a sermon or read Scripture and they leave without transforming any part of their lives Despite consistently studying the Bible some people show little difference between the way they act now and the way they acted years ago This problem partially comes down to a lack of good biblical application coming from preachers and teachers of Scripture Maclaren s sermons as well as his essay An Old Preacher on Preaching teach expositors today how to make the Bible s truths come alive and be applicable

Simon,2019-07-02 Prayers that lead to a growing intimacy with God Heart learning not just more head knowledge Walking conversations with God These are a few of the fruits produced by a spiritual practice called holy walks Rooted in the ancient art of praying the Psalms holy walks enrich our understanding and practice of prayer by integrating prayer walking and learning the Psalms by heart In a practical deeply personal and at times humorous manner Steve Simon shares how holy walks have transformed his own prayer life and revitalized his walk with God and how they can do the same for the reader In addition to explaining the spiritual practice of holy walks Holy Walks also provides an introduction to the book of Psalms which will be especially valuable for those with limited knowledge of the Bible Exploring five types of psalms Holy Walks describes how God uses them to shape our heart in life giving ways no matter what peaks we re climbing or valleys we re traversing The book concludes with a discussion on what the Psalms teach about God s relationship with us as our creator leader and rescuer **Spurgeon's Daily Treasures in the Psalms** Roger Campbell, C H Spurgeon invested nearly twenty years in writing his rich commentary on the Psalms entitled The Treasury of David As a result of his work over the last century thousands have studied the Psalms gaining rich insights and spiritual blessing from the Bible s songbook Popular author and pastor Roger Campbell has updated and edited selections from Spurgeon s work to make these timeless writings available to thousands more Now repackaged with a new
