Who is God What is God's relation to the world How is God disposed towards us What does God ask of us These questions are not mere intellectual puzzles They matter for us A disinterested theology would be no theology at all for we are fundamentally at our very core invested in God God is the one who concerns us most deeply Put differently any theology worth the name is as Miroslav Volf has put it theology for a way of life We ask theological questions as those whose lives depend on the God whose character we try to articulate in the answers and also in the asking How we ask and answer these questions gives shape to our lives In this volume published in Volf's honor leading Christian Jewish and Muslim theological scholars reflect on the shapes flourishing human life takes in light of God Considering concrete questions from how to talk about suffering to the value of singing in congregational worship in light of their deep theological commitments the contributors exemplify the kind of theological reflection our cultures so deeply need Contributors to this volume Matthew Croasmun Ryan McAnnally Linz Marianne Meye Thompson David H Kelsey Michael Welker Christoph Schwobel Alon Goshen Gottstein Reza Shah Kazemi Jurgen Moltmann Natalia Marandiu Nancy Bedford Nicholas Wolterstorff Lidija Matosevi Ivan Sar evi Linn Marie Tonstad
