Seduced By Moonlight Laurell K. Hamilton, 2004-02-03 I am Meredith Gentry P I and Princess Merry heir to the throne of Fairie Now there are those among me who whisper I am more They fear me even as they protect me And who can blame them I ve awakened the dazzling magic that s slumbered in them for thousands of years But the thing is I can t figure out why My aunt the Queen of Air and Darkness is no longer distracted by her usual sadistic hobbies Her obsession has turned unwaveringly to me The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected Even though I spend each night with the Queen's Ravens my immortal guards no child has come of our decadent pleasures But something else is happening My magic courses through me uncontrollably And as I lock my half mortal body with their full Sidhe blooded ones the power surges like never before It all began with the chalice I dreamed of it and it appeared cool and hard beside me when I awoke My guards know the ancient relic well its disappearance ages ago stripped them of their vital powers But it is here with us now My touch resonates with its force and they re consumed with it their Sidhe essences lit up by it But even as they cherish me for this unexpected gift there are those who loathe me for it Me a mongrel only half fey and part mortal The Unseelie court has suffered for so long and there are some who would not have it weakened further by an impure queen My enemies grow in number every day But they do not know what I am capable of Nor for that matter do I In Seduced by Moonlight Laurell K Hamilton brings the dark erotic reign of the immortal fey to a startling new depth Full of sensuality and the consuming anticipation of latent powers unleashed this world of gods shapeshifters and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceits Midnight Laurell K. Hamilton, 2006-11-28 I am Meredith Gentry P I solving cases in Los Angeles far from the peril and deception of my real home because I am also Princess Meredith heir to the darkest throne faerie has to offer The Unseelie Court infuses me with its power But at what price does such magic come How much of my human side will I have to give up and how much of the sinister side of faerie will I have to embrace To sit on a throne that has ruled through bloodshed and violence for centuries I might have to become that which I dread the most Enemies watch my every move My cousin Cel strives to have me killed even now from his prison cell But not all the assassination attempts are his Some Unseelie nobles have waited centuries for my aunt Andais Queen of Air and Darkness to become weak enough that she might be toppled from her throne Enemies unforeseen move against us enemies who would murder the least among us The threat will drive us to allow human police into faerie for the first time in our history I need my allies now more than ever especially since fate will lead me into the arm of Mistral Master of Storms the queen's new captain of her guard Our passion will reawaken powers long forgotten among the warriors of the sidhe Pain and pleasure await me and danger as well for some at that court seek only death I will find new joys with the butterfly winged demi fey My guards and I will show all of faerie that violence and sex are as popular among the sidhe as they are among the lesser fey of our court The Darkness will weep and Frost will comfort

him The gentlest of my guards will find new strength and break my heart Passions undreamed of await us and my enemies gather for the future of both courts of faerie begins to unravel Women in Science Fiction and Fantasy Robin Anne Reid, 2008-12-30 Works of science fiction and fantasy increasingly explore gender issues feature women as central characters and are written by women writers This book examines women s contributions to science fiction and fantasy across a range of media and genres such as fiction nonfiction film television art comics graphic novels and music The first volume offers survey essays on major topics such as sexual identities fandom women s writing groups and feminist spirituality the second provides alphabetically arranged entries on more specific subjects such as Hindu mythology Toni Morrison magical realism and Margaret Atwood Entries are written by expert contributors and cite works for further reading and the set closes with a selected general bibliography Students and general readers love science fiction and fantasy And science fiction and fantasy works increasingly explore gender issues feature women as central characters and are written by women writers Older works demonstrate attitudes toward women in times past while more recent works grapple with contemporary social issues This book helps students use science fiction and fantasy to understand the contributions of women writers the representation of women in the media and the experiences of women in society Fang-tastic Fiction Patricia O'Brien Mathews, 2011 Mathews uses a limited definition of paranormal and examines works set for the most part in a relatively realistic modern world inhabited by both humans and paranormal beings **Seduced by Moonlight** Janice Sims, 2008-12-01 A moonlit angel that's what Harrison Payne sees when he wanders onto the balcony of his luxury Colorado resort The former pro quarterback knows next to nothing about the sensuous intriguing stranger basking in the night air except that he wants to know her much much better Discovering that Cherisse Washington is the mother of a promising young skier he s agreed to sponsor is a stroke of luck and learning that Cherisse's ex is determined to get back in her life is an unwanted setback But all s fair in love and Harry intends to use every seductive means available to win the woman he knows belongs in his life forever Gender Warriors U. Melissa Anyiwo, Amanda Hobson, 2019-01-14 Gender Warriors Reading Contemporary Urban Fantasy offers classroom ready original essays outlining contemporary debates about sexual objectification and gender norms in urban fantasy and examining how those cultural categories are reinforced and unraveled. The essays explore the foundations and evolutions of urban fantasy and presentations of gendered identities in a wide variety of sources focusing not only on popular examples such as Buffy the Vampire Slayer and Underworld but also on less studied works for instance Penny Dreadful and Anita Blake The authors address the sociocultural institutions that bind gender to the body and shape our views of gendered norms inviting students of all experience levels to engage in interdisciplinary conversations about both theoretical and embodied constructions of gender and the production of genre and generic conventions. The text unpacks cultural norms of gender and addresses issues of identity construction within an endlessly evolving genre This collection demonstrates the way that representations of gender and the kick ass female urban fantasy warrior have upended and reinforced a broad range of

expectations and tropes making it a fascinating text for any course such as first year studies literature film gender studies sociology cultural studies history and more Of Sex and Faerie: further essays on Genre Fiction John Lennard, 2010 Taking up where Of Modern Dragons 2007 left off these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades including work by Bill James Walter Mosley Lois Mcmaster Bujold and Ursula K Le Guin There are groundbreaking studies of contemporary paranormal romance and of Hornblower's transition to space while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a digital world There is an extensive bibliography of genre and critical work with eight illustrations John Lennard is Director of Studies at Hughes Hall Cambridge and has also taught for the Universities of London Notre Dame and for the Open University and was Professor of British American Literature at the University of the West Indies Mona 2004 09 Of Modern Dragons and other essays on genre fiction 2007 is also available from Lulu of the Genre Whitley Strieber, Laurell K.
