Doctors' Wives Frank G. Slaughter, *Doctors Wives* Disease is not an imaginary ailment For in the closed inbred society of a great medical center these women the wives of superbly successful physicians are driven by loneliness boredom and frustration along forbidden pathways And alcohol drugs and promiscuity become their alternatives to despair A radio bulletin tears the camouflage from the apparent prosperous tranquility of the community A prominent Weston physician has just shot and killed his wife A man with the victim at the time and identified only as another doctor was also seriously wounded Five doctors wives hear the announcement and each one of them comes with despair and terror to realize that her husband himself just might be involved in the scandal either as philanderer or killer Where has trust gone And where is love Beneath this scandalous and passionate picture of human weakness is a tale perhaps even more striking and that is Dr Slaughter s brilliant minute expert s picture of the urgent business of an ultramodern hospital His descriptions in fascinating detail of a heart operation and a brain operation are breathtakingly suspenseful and based on the most advanced medical and surgical knowledge

Freddy and Mike Dick Wells, 2004-11-15 What we remember most about our youth are the friends we grew up with What we treasure most are the friends we still have from that special time and place And when we are challenged with the conventional wisdom that friendship is too commonplace too mundane to make a good story we respond Oh but you dont know my friends Freddy and Mike is the story of two friends growing up in the 1950s An unlikely pair at first meeting they become inseparable surviving trials of fire by tapping unknown reservoirs of strength and enjoying a secret which few discover Freddy and Mike begins when the two ten year old boys meet in the small Midwestern town they call home They come from different backgrounds One belongs to the traditional family of that era where dad works and mom stays home to run the household The other lives with his mother his fathers whereabouts unknown Mother and son suffer the double stigma of being poor and of having a working mother as the single provider As the story progresses each boy in turn learns that he can achieve what he thought was impossible if he depends on the other and accepts help that is offered without conditions Laughter pain and sorrow all play integral parts in forming and sustaining Freddy and Mike And when the last page is read the reaction will be a genuine smile In todays world of sound bite news intimate conversations via cell phone and 24 7 lives everywhere friendships and relationships are hard to come by and even harder to maintain Come live in Freddy and Mikes world for awhile Then go see those who were so special to you and can be
