first things Claire Breslinsky loved about Johnny was that he never even glanced at her sister Carmela had always been the glamorous one but Johnny only had eyes for Claire the frazzled world traveling photographer who solved mysteries in her spare time Only when their marriage fell apart did Claire learn that Johnny avoided Carmela because they d had a clandestine fling in high school When Carmela discovered she was pregnant she fled to Ireland where she left her daughter to be raised by her eccentric spinster aunts Now Johnny is gone forever but Claire s niece is coming home Jenny Rose Cashin arrives from Ireland to take a job as an au pair in a fading Long Island resort town hoping to reconnect with her long lost mother But something evil lurks in the quiet beachside residences of Sea Cliff There is a killer on the grounds of this strange art colony and Jenny Rose will need all the help she can get from her aunt Claire to uncover the truth and stay alive **If You Lived Here, I'd Know Your Name** Heather Lende,2006-03-01 A writer for the local newspaper for tiny Haines Alaska provides a series of colorful portraits of the inhabitants festivals and activities of this close knit but remote village offering reflections on the life and death of local eccentric Speedy Joe who never took off his hat the Chilkat Bald Eagle Festival and neighbors both human and animal *Before She Dies* Mary Burton,2016-09-27 A Virginia attorney s deadly past returns with a travelling carnival in this thriller that will have readers sleeping with the lights on Publishers Weekly starred review In death they are purified Holding his victims under water he washes away their sins as they struggle for their last breath Then he exposes them for what they really are witches sent to tempt and to corrupt Virginia defense attorney Charlotte Wellington doesn t talk about her childhood not how she was put to work as a carnival fortuneteller or her sister s brutal murder But now the carnival she escaped all those years ago has come to town For Charlotte what s past is past But others don t agree And as a serial killer terrorizes the area Charlotte and Detective Daniel Rokov are drawn into a case that becomes terrifyingly personal The killer has waited many years for Charlotte to be within his reach All his victims deserve their fate but her guilt is greatest And he is determined to make her suffer and repent before she dies Fanny Brown and Her Honey-bees. [With Illustrations.] Sophia Tandy,1875 *The Web of Time* Robert E. Knowles,2019-12-05 In *The Web of Time* Robert E Knowles intricately weaves a narrative that fuses elements of speculative fiction with profound philosophical inquiry The book delves into the nature of time existence and human experience employing a rich lyrical style that alternates between vivid imagery and contemplative prose Set against a backdrop of alternate realities Knowles explores the implications of time manipulation on personal identity and societal progression engaging the reader in a thought provoking examination of causality and memory The non linear structure of the narrative invites readers to reflect on their own perceptions of time making it a poignant commentary on the interconnectedness of all moments in human history Knowles a graduate of philosophy and an avid researcher in quantum mechanics brings a unique perspective to the subject His academic pursuits and personal reflections on the fluidity of time have profoundly influenced this work allowing him to capture the complexities of temporal existence with both intellectual rigor and imaginative flair His previous works also

reflect a keen understanding of the philosophical dilemmas that permeate human consciousness showing a consistent preoccupation with the constructs of reality This book is a must read for anyone intrigued by the philosophical dimensions of science fiction Its masterful narrative not only invites readers into a world where time is malleable but also challenges them to ponder the larger implications of their own temporal experiences The Web of Time stands out as a compelling exploration of existence making it an essential addition to the libraries of both science fiction enthusiasts and philosophical thinkers
