Seeds Of Deception Paperback:

Seeds of Deception Linda Castillo, 2016-05-31 From the New York Times bestselling author of *THE DEAD WILL TELL* comes a new short story offering a glimpse into Chief of Police Kate Burkholder's past and her Amish roots. It's autumn in Painter's Mill and fourteen-year-old Katie Burkholder has been tasked with picking apples in Zimmerman's Orchard with her brother. It's just another day filled with chores until her best friend Mattie arrives to help. Somehow boredom transforms into fun and games whenever the girls are together. The innocent fun comes to an end when Billy Marquardt and his gang of friends interrupts. Katie is no prude but she knows better than to associate with the older English boys, especially since they're known troublemakers. Mattie has no such compunction. Thumbing her nose at the Ordnung and all of the Amish rules, she disappears into the old barn with Billy. Moments later, the Zimmerman's barn is consumed by fire. Katie suspects Billy had something to do with the blaze but he denies it. When the facts don't add up, Katie begins her own investigation and she doesn't like what she finds. Will her friendship with Mattie survive the truth? **Seeds of Deception** Sheila Connolly, 2016-10-04 The New York Times bestselling author of *A Gala Event* returns with newlyweds Meg and Seth Chapin who should be worried about writing thank you notes, not taking a juicy bite out of crime. With the bushels of time they spent organizing their wedding, Meg and Seth didn't have a chance to plan a honeymoon. But now that winter has arrived, there's not much to do at the orchard. So with their shared love of history and all things apple, they pick Thomas Jefferson's orchards at Monticello as the perfect getaway. While they enjoy the beautiful sights, there's a rotten addition to the agenda when Meg's parents discover their handyman dead in the backyard. With a bitter police chief eyeing Meg's father as a suspect, Meg and Seth have to cut their honeymoon short to find the root of the problem. Includes Delicious Recipes **Seeds of Deception** Arlene L. Corporate Conspiracies Richard Belzer,David Wayne,2017-05-09 From New York Times bestselling authors Richard Belzer and David Wayne comes a hard look at the wrongs done to us all by big business in America Here is an explosive account of wrongful acts perpetrated and the ensuing cover ups inflicted upon us by American corporations The bestselling author team of Richard Belzer and

David Wayne exposes the ways that the capitalist regime has got us under their thumbs from the mainstream media and its control over us to the trillions stolen by big banks and mortgage companies during the mortgage crisis to the scams perpetrated by Big Oil and Big Pharma. The one common victim of all that corruption is the American public and Corporate Conspiracies wants to do something about it. Corporate Conspiracies takes dead aim at those who take advantage of us little guys. Probably most disturbing is the book's examination of politics and capitalism teaming up against us: how politicians and lobbyists all have their hands in each other's pockets while stabbing us in the back and how the well established energy lobby which is petroleum, natural gas and coal has played a dominant role in the shaping of US foreign policy for decades. Did you know that companies at times know that their products will kill people but they do nothing because it is actually cheaper to compensate the victims than it is to correct the problem. And did you know that the Pentagon is sending 1.5 trillion of our tax dollars to their corporate buddies for a new fighter jet that is already superfluous. This book is guaranteed to make us all think twice about being enslaved and cheated by corporate America. Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history: books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
