Seeds We Sow:

Seeds We Sow... Little Do We Know Dinah Vinson, 2021-08 *Seeds We Sow Little Do We Know* is somewhat controversial. However, after reading it, one is not inclined to immediately run to the showers. This book is a compilation of short stories that may encourage us to strive to make positive changes in our own lives and to understand and lend a hand in helping others. *Seeds We Sow Little Do We Know* shares important heartfelt events that happened in the lives of ten different men and women. Those strong events happened while they were children. Such events tend to almost declare their expected adult outcomes. The background for these ten interesting short stories is Raleigh, North Carolina. This short but powerful novel runs about 30,000 words. I strongly believe those few words will remain with you forever. **The Egg Is Still in There** Keisha

Perrin, 2021-07-27 Life has been a challenge for Keisha to find the truth of God with false teachings and lack of true discipleship around her. The Holy Spirit divinely intervenes with choosing one of two roads: destruction or God. This choice brought many storms and trials that were authored by God Almighty to break her and her family down to remold them into His image. The cost was high but well worth it. Forgiveness for herself was necessary, and as the convicting came, God also healed through a comparison of the family according to God's word with baking. Knowledge and truth is powerful. The science of baking a cake with ingredients: eggs and flour, match God's purpose for the family. Satan deceives women into thinking their purpose and touch on the family isn't seen, but the egg is still in there, even though you can't always see it. We were all born with a purpose. **Empowered** Pat Munsamy, 2011-12-21 Author Pat Munsamy preaches the power of God's seed in an enlightening book released through Xlibris. In *Empowered*, readers will know who they are in Christ and what they can do through the miracle of the seed. *Empowered* discusses the different forms of the seed and how they affect one's daily life. Munsamy begins by discussing that the seed is the Word, which brings conviction to engender repentance. The seed is also faith, which grows once a person hears the Word. To be empowered by the spirit of God, a person must also experience the seed anointing. As readers absorb Munsamy's message in this book, they will see how everything starts with a seed. Everything we give to the Lord is our seeds: our abilities, our time, our energies, our intellect, and our money are our seeds we sow into the kingdom of God. The turnover we will get from these will be startling and incredible. The Lord will give it back to us more than a hundredfold, says the author. Material, financial, spiritual, and intellectual prosperity can only be achieved from sowing seeds. *Empowered* shows readers how.
