## **Seeing Beyond Church Walls Action Plans For Touching Your Community:**

**Seeing Beyond Church Walls** Steve Sjogren, 2002 Build bridges of love to your church community with wisdom from respected Christian leaders Respected Christian leaders share key action plans and an encouraging vision for seeing beyond church walls created by inward focus and introversion to how to penetrate our local communities with the love of Jesus Christ In the trenches church leaders like Steve Sjogren Dale Galloway Sally Morgenthaler and Leonard Sweet give challenging and passionate yet intensely practical insights into transforming your church to become lovingly and strategically outwardly focused A bridge building body of Christ that overcomes its own inwardly focused gaze to grip the hearts of those beyond church walls Evangelism Althea Marchelle Brown, 2009-06 DR ALTHEA MARCHELLE BROWN serves as an ordained itinerant elder in the Fourth Episcopal District and served in that position in the Sixth Episcopal District of the AME Church She earned her Master of Divinity from Turner Theological Seminary at the Interdenominational Theological Center in Atlanta Georgia and a Doctor of Ministry from the Ecumenical Theological Seminary in Detroit Michigan Her other two books published by AuthorHouse are Holy Spirit Fruit and Gift Seminar and Praise and Worship Heaven s Street Address These guidebooks and study aides are practical and authoritative resources for church leaders and practitioners in ministry

**The Logic of Intersubjectivity** Darren M. Slade, 2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren s inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren s actual philosophy of religion What is argued in this book is that McLaren s philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ s religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer s identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren s philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren s line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale

A Generous Orthodoxy Brian D. McLaren, 2009-05-18 A confession and manifesto from a senior leader in the emerging church movement A Generous Orthodoxy calls for a radical Christ centered orthodoxy of faith and practice in a missional generous spirit Brian McLaren argues for a post liberal post conservative post protestant convergence which will stimulate lively interest and global conversation among thoughtful Christians from all traditions In a sweeping exploration of belief author Brian McLaren takes us across the landscape of faith envisioning an orthodoxy that aims for Jesus driven by love and is defined by missional intent A Generous Orthodoxy rediscovers the mysterious and compelling ways that Jesus can be embraced across the entire Christian horizon Rather than establishing what is and is not orthodox McLaren walks through

the many traditions of faith bringing to the center a way of life that draws us closer to Christ and to each other Whether you find yourself inside outside or somewhere on the fringe of Christianity A Generous Orthodoxy draws you toward a way of living that looks beyond the us them paradigm to the blessed and ancient paradox of we

**The Gospel According to Starbucks** Leonard Sweet,2008-05-20 Leonard Sweet shows you how the passion that Starbucks has for creating an irresistible experience can connect you with God s stirring introduction to the experience of faith in The Gospel According to Starbucks You don t stand in line at Starbucks just to buy a cup of coffee You stop for the experience surrounding the cup of coffee Too many of us line up for God out of duty or guilt We completely miss the warmth and richness of the experience of living with God If we d learn to see what God is doing on earth we could participate fully in the irresistible life that he offers You can learn to pay attention like never before to identify where God is already in business right in your neighborhood The doors are open and the coffee is brewing God is serving the refreshing antidote to the unsatisfying arms length spiritual life and he won t even make you stand in line

**Igniting Passion in Your Church** Stephen L. Ayers,Steve Ayers,2003 Information and training are readily available on church growth methodology organization business processes and efficient management All of these are important for effective ministry But in Igniting Passion in Your Church author and pastor Steve Ayers addresses more critical matters for the church such as How can we help people in our church become fully devoted followers of Jesus What does it mean for the church to be the bride of Christ How can the church more clearly reflect God in the midst of a world that turns away from the divine We must take people deeper Deeper in their relationship with God Deeper into the responsibility and blessing we enjoy as the church Deeper into what it means to be the bride of Christ Ayers challenges pastors and church leaders to ask themselves Am I just flirting with the things of God or am I truly and fully engaged with God Have I taken seriously my covenant relationship with God Have I determined that no matter what happens I will live out God s mission and ministry It s time to move the church beyond flitration beyond a superficial relationship with God The church must assume her role as the totally committed bride God designed her to be Live out the life of Christ Show the world the reality of Christ through your life Author Steve Ayers will inspire and equip you to guide your church to a deeper more passionate relationship with Jesus Book jacket

**God's Mandate for Transforming Your Nation** Dexter Low, 2016 What is the church's mission in the 21st century Malaysian apostle and missiologist Dexter Low says nation transformation must become our new agenda for fulfilling the Great Commission in our time The current model which calls for uniting the church's leaders worldwide to win 1 billion souls and plant 5 million churches by 2021 isn't working Ultimately it cannot because its emphasis on church planting and evangelism excludes social transformation But when the key pillars of social influence are also realigned according to kingdom principles then your nation any nation will be transformed God's Mandate for Transforming Your Nation provides practical instructions on advancing God's kingdom globally True examples of ways that lead to measurable results are included Low will both challenge and inspire you as a Christian leader to take a significant step forward in fulfilling the church's mission in the 21st century **The Living Church**, 1909 *Letters to the Church* William B.
