*Silly Ghost Stories for Kids* Denis Hayes, 2013-08-23

The Ghosts that haunt Highfields Tower are spooky wild and fearsome but very entertaining In fact that is their job to scare and entertain the visitors The Reliable Ghost has become bored and boring He successfully decides to liven up his act The Absent Minded Ghost is headless and in trouble He usually carries his head tucked underneath his arm but when he puts it down he forgets where he left it The head can see but cant move and the body can move but cant see Their rows spill over into the Great Hall The Chained Woman doesnt sympathise at all with the Crying Lady until they form a double act They are so convincing as Ghosts that spectators think they are actors When they are shown that the Ghosts are real there is a panic The Necrodominator is a terrible Ghoul He doesnt just haunt he terrifies One day he goes too far and has to be found another job The Silent Lady haunts the Special Room She tempts those brave enough to stay in the room to follow her She always disappears through a door that was never there Calamity is a clumsy Ghost He cannot do ghostly things He scares no one until one day something unusual happens The Usurper just appears one day uninvited and unannounced Why he is there is a mystery until he fights to get attention and puts right what he thinks is wrong Then he disappears never to return The Invisible Ghost of course finds it difficult to convince anyone he is actually there because he is invisible He finds dramatic and startling ways to impress people The Adventures of the Man who walked through the Door that wasnt there tells the thrilling story of the man who did just that and finally found his way back after many dangerous encounters
