Scotland but Maskull awakens to find himself alone on Tormance In every land he passes through he usually meets only one or two persons these meetings often though not always end in the death of those he meets either at his own hand or by that of another He learns of his own impending death meets Krag again and dies shortly after learning that he is in fact Nightspore himself The book concludes with a final revelation from Krag who claims to be known on Earth as Pain to Nightspore about the origin of the Universe The author turns out to support a variation of the doctrine of the Demiurge somewhat similar to that propounded by some Gnostics
