On Edge C. Carr, 2012-04-09 Through her engaged and articulate essays in the Village Voice C Carr has emerged as the cultural historian of the New York underground and the foremost critic of performance art On Edge brings together her writings to offer a detailed and insightful history of this vibrant brand of theatre from the late 70s to today It represents both Carr's analysis as a critic and her testament as a witness to performances which by their very nature can never be repeated Carr has organized this collection both chronologically and thematically ranging from the emphasis on bodily manipulation endurance in the 70s to the underground club scene in New York to an insider's analysis of the Tompkins Square Riot as a manifestation of the cultural and social conflicts that underlie much of performance art She examines the transgressive and taboo shattering work of Ethyl Eichelberger Karen Finley and Holly Hughes documents specific performances by Annie Sprinkle and Lydia Lunch and maps the development of such artists as Robbie McCauley Blue Man Group and John Jesurun She also describes the cross over phenomenon of the mid 80s and considers the far right backlash against this mainstreaming as cultural reactionaries sought to curb the influence of these new artists

Organizational Behaviour and Gender Fiona M. Wilson, 2017-05-15. *Organizational Behaviour and Gender* provides an alternative to the gender silence of the standard OB textbooks. This Second Edition updates and expands the text's coverage and employs the most recent research findings to portray the world of work in a realistic manner. *Organizational Behaviour and Gender* is a comprehensive text. The text examines some of the assumptions that have been made about women at work, for example, that women's difference is rooted in biology and that women and men have contrasting and even polar opposite skills and attitudes. The text considers the key topics in OB such as selection, assessment, leadership and motivation to test such assumptions. The book describes the reality of working life for women. It examines issues of low pay, part-time working, family responsibilities, home working and horizontal and vertical job segregation. It asks whether inequality of opportunity comes about because of actual gender differences or from prejudicial expectations and thinking. The last chapter is about sex and sexuality in organizations. Sexual behaviour in organizations is pervasive but is rarely discussed in OB textbooks. This chapter describes the masculine and heterosexual business environment and examines the issues of work romances and sexual harassment. The text provides numerous learning aids including discussion topics and chapter questions to assist both the lecturer and the student.
