Seek God Within:

God Within Oliver Davies, 2006-03 This new edition of a classic book sheds light again on a neglected spiritual tradition. It conveys the essence of writers whose works still resonate with contemporary seekers of authentic theological insight: Jan van Ruusbroec, Johannes Tauler, Henry Suso, and Walter Hilton, in addition to more familiar figures such as Meister Eckhart and Julian of Norwich. Book cover

Holy Spirit: God Within You David Diga Hernandez, 2025-06-03 Does God still speak today? Does God still move like He did in Bible times? Is His power still at work? Can God be reduced to just theology, or is He personal and near? Can the presence and power of the Holy Spirit still be experienced? In a world filled with deceptive substitutes and counterfeit spiritual experiences, it's crucial to grasp the truth. The truth is that God, through the Holy Spirit, dwells within you and empowers you to live a supernatural life. When Jesus walked the earth, the Holy Spirit lived in and rested upon Him only. Now every single follower of Jesus can be filled with and empowered by the same Spirit that empowered Him to heal the sick, cast out demons, perform supernatural works, and even be raised from the dead. David Diga Hernandez has dedicated his life to unveiling the person and work of the Holy Spirit and guiding believers into closer fellowship with Him. His global ministry has witnessed tens of thousands experience life-changing encounters, divine healing, and deliverance from demonic torment. Amidst intrigue and controversy surrounding the topic, David reveals the biblical reality of the Holy Spirit dwelling within you, supernaturally upgrading every aspect of your life. Prepare to embrace your divine identity as a vessel of God's Spirit, designed to carry His immense power and presence. Discover and activate the miraculous gifts of the Spirit. Be empowered with righteousness, boldness, joy, and peace. Go deeper in prayer, the Word, and worship. Hear the voice of the Holy Spirit with confidence and clarity. Rise as a faith giant by living overshadowed by the Holy Spirit, just like the mighty forerunners before you. No more living in defeat or spiritual dryness. Step into a life of victory, power, and supernatural encounters today.

The God Within Me Michael Faust, 2011-10-23 Psychologist Carl Jung and Nobel Prize-winning physicist Wolfgang Pauli collaborated to find a means of bridging the gap between the psychological and scientific worlds, between mind and matter. They failed, but everything they sought has been accomplished by the ancient and controversial secret society known as the Illuminati. They have provided a framework for understanding all phenomena of whatever nature, either scientific or paranormal. Discover their startling theory of everything. It explains Rupert Sheldrake's theory of Morphic Resonance, homeopathy, out-of-body and near-death experiences, synchronicity, remote viewing, hypnosis, and many other previously inexplicable phenomena. And read about dream gnosis, the extraordinary means by which the fortunate few encounter their inner God.

Seeking God In All Things William Reiser, 2004-05-01 The practice of spiritual direction assumes a theology of the Holy Spirit, a theology of revelation, and of the Church, and a theology of prayer. Seeking God in All Things explores each of these themes as the underpinnings of spiritual direction and examines what makes the Christian religious experience distinctive. Since not every experience of God bears a Christian imprint, William Reiser SJ asks

whether and in what way a Christian might be able to assist someone who is not Christian in developing his or her interior life. This question looks beyond suggesting the concrete steps a person might take in initiating nurturing and solidifying a way of praying. It looks rather toward the fundamental issue of helping others as they discover and deepen their relationship to the mystery of God. Chapters are: It Is God Who Directs; Imagining Divine Action in Human Lives; Where Do Holy Desires Come From? What's Distinctive About the Christian Religious Experience; Further Elements of Christian Distinctiveness; The Incarnation as a Starting Point for Spiritual Direction; and Should Christian Spirituality Move Beyond Jesus? William Reiser, SJ, PhD, is a professor of theology in the religious studies department at Holy Cross College, Worcester, Massachusetts. Over the past twelve years, he has also served as an associate staff member at the Center for Religious Development in Cambridge. He is the author of *Jesus in Solidarity with His People*, published by Liturgical Press.

Finding the Will of God in a Crazy, Mixed-Up World Tim LaHaye, Tim F. LaHaye, 1989 Finding God's Will in the haze of this crazy mixed-up world of ours is like landing an airplane in the fog since you are unable to see the future you must trust the signs. Learn how to follow Dr. LaHaye's eight road signs for decision making.

WALK WITH GOD IN ALL HIS BENEFITS Diane Pacheco, 2024-05-22 My main objective in writing this book is to help people learn and develop in becoming spiritually mature, faith-filled believers walking in peace and joy, complete in Him, God. I have written seven children's books back in 2007 and thereafter I was working part-time and taking care of my granddaughter at that time. I have been walking with God for many years and want to help people see what is available to them in this day and time. The children's books are Christian-oriented. Three of them are called *Three Cousins* and the other four are called *Grand Ma Explains*. I have worked in the areas of serving people in the medical and human service field. I have a Bachelor's in Human Services and an Associate's in Medical Assisting. Many people are struggling and going through tough times, and I would like to help them find a level of stability and balance which, with God willing, will help people to walk in peace. To be honest, many many years ago I did not think that was possible. But let me tell you: if you seek and keep on seeking, you will find the way. If you knock and keep on knocking, it will be open to you. God will open the deep things and the treasures that are hid in His amazing word. It takes time and effort and asking and seeking and knocking, and God's word will be open to you little by little, one day at a time.
