## **Seekers Guide To Jesus In The Gospels:**

**The Seeker's Guide to Jesus in the Gospels** Steve Mueller, 2001 Mueller explores the four gospels in an effort to understand the extraordinary life of this first century Jew who came from an obscure village in Roman Palestine *The Seeker's Guide to Mary* Maria Ruiz Scaperlanda, 2002 The Seeker's Guide to Mary presents a balanced and insightful examination of the life of Mary To many Christians Mary is a mystery Author Maria Ruiz Scaperlanda introduces us to Mary through scriptural references historical perspective and Christian devotion **The Seeker's Guide to Faith** J. Peter Baumgarten, 2020-11-23 The Seeker's Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author's professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel's plan of happiness He hopes The Seeker's Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ To be a Christian, A Seeker's Guide , **The Seeker's Guide to Saints** Mitch Finley, 2016-03-09 Who were the saints and what is it about them that causes people all over the world to remember them What were their stories motivations passions and shortcomings This informative delightful inspiring book reveals the truth behind the misconceptions and the mystique in a survey of saints throughout the history of the Church The stories included here emphasize that although the saints were often flawed and quirky individuals what made them saintly above all else was their dedication to faith They had a passionate extraordinary pull out all the stops devotion writes award winning Catholic author Mitch Finley and a desire for truth that is not unlike our own *The Seeker's Guide* Elizabeth Lesser, 2008-11-18 In 1977 Elizabeth Lesser cofounded the Omega Institute now America's largest adult education center focusing on wellness and spirituality Working with many of the eminent thinkers of our times including Zen masters rabbis Christian monks psychologists

**The Seeker's Guide to Holiness and Usefulness, Designed to Assist in Obtaining and Diffusing the Religion of Our Lord Jesus Christ** Henry Breeden,1841      **Hidden Gospels** Philip Jenkins,2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas the Gospel of Mary and even the Dead Sea Scrolls undermine the historical validity of the New Testament Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that far from being revolutionary such attempts to find an alternative Christianity date back at least to the Enlightenment By employing the appropriate scholarly and historical methodologies he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible Produced by obscure heretical movements these texts have attracted much media attention chiefly because they seem to support radical feminist and post modern positions in the modern church Indeed

Jenkins shows how best selling books on the hidden gospels have been taken up by an uncritical drama hungry media as the basis for a social movement that could have powerful effects on the faith and practice of contemporary Christianity *The Two-Edged Gospel* Gerald O'Mahony,2005-08-01 *The Spiritual Seeker's Guide* Steven S. Sadleir,1992 This one stop guide details the history ideology and practices of over 100 religions and spiritual traditions and teachers from around the world From Christianity to Krishna Consciousness from Alcoholics Anonymous to Zoroastrianism this guide briefly describes each group s major tenets tells who to call for more information and includes suggestions for further information An unbiased reporting *The Gospel of Sâdhu Sundar Singh* Friedrich Heiler,1927 *Outgrowing Church, Second Edition* John Killinger,2019-10-23 Why are so many people drifting away from today s churches John Killinger suggests that part of the problem is that they have personally outpaced the thinking and understanding of the church so that they no longer find it adequate as a social structure for the celebration of their faith In their attempts to find Jesus and his teachings relevant within the new culture they strike out on their own or adhere to para Christian organizations that retain an allegiance to Jesus without the baggage of the traditional institution Killinger a former big steeple minister and theologian describes how he himself has been forced essentially to abandon the church in order to remain faithful to the beliefs and ideals that first drew him into it *How to Read the Bible Without Losing Your Mind* Kent Blevins,2014-03-10 Does reading the Bible sometimes leave you confused Do you have difficulty seeing the relevance of the Bible to modern concerns or to important issues in your life Do you believe Bible reading and intellectual inquiry are mutually exclusive This book explores how the Bible can serve as a resource for discovering truth It provides a method that accepts and incorporates the knowledge gained from modern scholarship while also recognizing that truth discovery is a personal multifaceted journey It honors the integrity of Scripture while remaining open to insight from additional truth sources In exploring what we mean when we speak of the Bible s authority it is honest about the challenges presented to modern readers by the cultural chasm separating the biblical writers from today s world *How to Read the Bible Without Losing Your Mind* shows how the Bible can be read with full engagement of both mind and heart *Preaching the Gospel of John* Lamar Williamson,2004-01-01 In this accessible treatment of the major themes of the Gospel of John renowned New Testament scholar Lamar Williamson blends the best of biblical scholarship and a close reading of the Fourth Gospel to meet the practical needs of weekly preaching A more reflective Gospel in which the risen Jesus speaks in signs and discourses John does not simply tell stories but allows us to experience the Word and to see Jesus offering living water to the aridity of the institutional church and bread to the hungry hearts of individual disciples More than mere exposition *Preaching the Gospel of John* includes at the end of each passage three to five possibilities for preaching the text creative and pertinent suggestions that can help preachers apply the words of the Fourth Gospel to the lives of today s churchgoers Proclaiming the living Word is a major theme of the Gospel of John and this clear and insightful commentary captures that message in the preaching moment *How to Lead a Seeker Bible*

*Discussion* Rebecca Manley Pippert, 2003-05-29 Rebecca Manley Pippert shows you how to start and lead a seeker Bible discussion so that you can truly make a difference in the lives of your friends neighbors and coworkers A Saltshaker Resource

**OVERCOMING BIBLE DIFFICULTIES** Edward D. Andrews, 2025-01-07 The Bible has inspired generations with its timeless wisdom and truth yet it continues to face scrutiny from skeptics and challenges from those who claim it is full of contradictions and errors For many these perceived difficulties can lead to confusion or doubt raising questions about how to reconcile faith with reason In *Overcoming Bible Difficulties* Edward D Andrews delivers a robust and thoughtful response to these challenges demonstrating the integrity and harmony of Scripture through careful study and sound reasoning This book offers a clear and faithful approach to addressing some of the most commonly questioned aspects of the Bible It examines difficult passages with a focus on historical linguistic and cultural contexts uncovering the consistency and purpose behind even the most puzzling texts With an emphasis on the Historical Grammatical method of interpretation Andrews provides readers with the tools to understand the Bible as its authors intended revealing its single definitive meaning and dispelling misunderstandings that often arise from surface level readings *Overcoming Bible Difficulties* is more than a defense of Scripture it is a resource for deepening trust in God's Word By engaging with these challenges readers are not only equipped to address questions from skeptics but are also invited to explore the richness and depth of the Bible for themselves Through this journey the harmony of Scripture becomes evident affirming its role as a divinely inspired guide for faith and life This book is a must read for anyone seeking to understand and articulate the reliability of Scripture Whether you are a believer seeking reassurance a teacher aiming to strengthen others or a seeker exploring the claims of the Bible this work offers profound insights and compelling answers Let it transform your perspective on the Scriptures and deepen your confidence in their divine origin and enduring relevance

**Original Christianity** Peter Novak, 2005-09-29 Offers more information about the first century world of early Christians asking Could Christ's original teachings have truly been lost Foreword Reviews Whoever finds the interpretation of these sayings will not experience death from the Gospel of Thomas The work of scholars such as Elaine Pagels and Marvin Meyer have captured the imagination of the public by setting forth the Gospel of Thomas and other lost teachings of Jesus Now Peter Novak in *Original Christianity* brings forth a critical element essential for fully understanding these scriptures Novak argues that the authors of these early texts subscribed to the Binary Soul Doctrine an ancient belief system that allows for both reincarnation and an eternal afterlife Novak's interdisciplinary approach offers fresh insights on the beliefs and politics of the early church founders He points out that reincarnation was a commonly held Christian belief until it was voted out of official Christianity and the record expunged This newfound key reveals the true identities of many mysterious Biblical figures such as Lazarus Barabbas Judas and especially the Apostle Thomas who may not only have been Jesus identical twin brother but indeed a second Christ in his own right who lived to produce a genetically identical bloodline More important still the rediscovery of the lost theology of Original Christianity means Christ's central

message of personal integrity can again take center stage      International Handbook of the Religious, Moral and Spiritual Dimensions in Education Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04

In today's pluralistic world many cultures feel a shift in the relationship of people with religious traditions. A corresponding movement is a resurgence of interest in human spirituality. This Handbook presents the views of education scholars who engage these concepts every day in a collection of essays reflecting the international state of the discipline. Out of these rises a vision for the emergence of a just and peaceful world.
