Stevens PhD, 2011-01-14 In *Wicked Women* Dennis Stevens a criminology professor and prison counselor shares the fascinating life stories of fifteen super predators detailing their early life experiences and criminal activities through the time they interacted with him in prison. Withholding their names and identities he presents disturbing evidence and chronicles the long destructive journeys of these super predators. Dr Stevens spent several years among high risk felons in some of the most heavily researched penitentiaries in America while teaching criminology at various universities. He uses his vast professional experience to create fictional vignettes based on real life situations offering a glimpse into the souls of creatures who carry out wicked acts under the cover of a mask of sanity. While presenting bizarre accounts of incredible human cruelty of every variety including border raids, brutal beatings, cannibalism, rape, and gang warfare, Dr Stevens provides a never before seen look into the backgrounds and twisted minds of people like Margo, a transgendered drug addict obsessed with setting fires, and Mary, a former New Orleans police officer convicted of killing her partner. Without censorship or interference from political police, *Wicked Women* presents eye opening, unforgettable accounts of the outrageous thoughts and gruesome destruction of super predators.

Under a strange mask Frank Barrett, 1889 **The Auntie Sewing Squad Guide to Mask Making, Radical Care, and Racial Justice** Mai-Linh K. Hong, 2021-11-02 The rise of the Auntie Sewing Squad, a massive mutual aid network of volunteers who provided free masks in the wake of US government failures during the COVID 19 pandemic. In March 2020 when the US government failed to provide personal protective gear during the COVID 19 pandemic, the Auntie Sewing Squad emerged. Founded by performance artist Kristina Wong, the mutual aid group sewed face masks with a bold social justice mission to protect the most vulnerable and most neglected. Written and edited by Aunties themselves, *The Auntie Sewing Squad Guide to Mask Making, Radical Care, and Racial Justice* tells a powerful story. As the pandemic unfolded, hate crimes against Asian Americans spiked. In this climate of fear and despair, a team of mostly Asian American women, using the familial label Auntie, formed online, gathered momentum, and sewed masks at home by the thousands. The Aunties nimbly made and funneled masks to asylum seekers, Indigenous communities, incarcerated people, farmworkers, and others disproportionately impacted by COVID 19. When anti lockdown agitators descended on state capitals and eventually the US Capitol, the Aunties dug in. And as the nation erupted in rebellion over police violence against Black people, the Aunties supported and supplied Black Lives Matter protesters and organizations serving Black communities. Providing hundreds of thousands of homemade masks met an urgent public health need and expressed solidarity, care, and political action in a moment of social upheaval. The Auntie Sewing Squad is a quirky, fast moving, and adaptive mutual aid group that showed up to meet a critical need. Led primarily by women of color, the group includes some who learned to sew from mothers and grandmothers working for sweatshops or as a survival skill passed down by refugee relatives. The Auntie Sewing Squad speaks back to the history of exploited immigrant labor as it enacts an intersectional commitment to public health for all. This collection of essays and

ephemera is a community document of the labor and care of the Auntie Sewing Squad **The Darkwood Mask** Jeff LaSala,2012-03-20 The Inquisitives are the private eyes of the Eberron world solving murders with magic and steel A diplomat has been murdered and an innocent man has been accused An up and coming young Inquisitive is brought in to solve this high profile case but corruption money and power stand in her way **We Shall Bear Witness** Meg Jensen,Margaretta Jolly,2014-08-26 An international array of human rights advocates scholars and survivor writers examine the profound and complex impact of personal testimony about human rights abuses as expressed through autobiography documentary film report oral history blog and verbatim theater Gas Mask Kid Keith Robinson,2021-02-19 Ben Emma Nate and Mia four friends determined to film the paranormal in the creepy town of Darkhill They call themselves DARKSEEKERS If you hear a siren at dawn it might just be the Gas Mask Kid Stay away from her So goes the spooky tale Decades ago a malfunction at a pesticide factory released a toxic cloud onto the residents of Darkhill Every year since a young girl wearing a gas mask has haunted the town She just wants to be somebody s friend but a single touch of her poisoned fingers can prove fatal When she shows up again the Darkseekers are on the case Armed with mobile phone cameras the four friends set out to await her arrival and get her on film But they quickly realize they ve underestimated how determined she is to make a new friend Written by the author of the Island of Fog series GAS MASK KID is the second in a new supernatural series If you re a fan of Goosebumps you ll love Darkhill Scary Stories *The Cuban Mask* Pasquale De Marco,2025-04-13 Embark on a captivating journey to the heart of Cuba with Pasquale De Marco s The Cuban Mask This comprehensive guide unveils the rich tapestry of Cuban culture history and society offering a kaleidoscope of insights into this enigmatic island nation Immerse yourself in the vibrant energy of Havana where colonial architecture stands as a testament to a bygone era while the infectious rhythms of salsa fill the streets Discover the tranquility of Cuba s countryside where verdant landscapes and pristine beaches beckon you to relax and rejuvenate Delve into Cuba s fascinating history from the struggles for independence to the transformative era of Fidel Castro s rule Understand the complexities of Cuba s political system its economic challenges and triumphs and the resilience of its people in the face of adversity Explore Cuba s vibrant cultural heritage a fusion of African Spanish and Caribbean influences Immerse yourself in the captivating world of Cuban music dance and art and discover the passion and creativity that permeate the island s soul Unravel the secrets of Cuba s natural beauty from the lush mountains of the Sierra Maestra to the pristine beaches of Varadero Encounter Cuba s unique flora and fauna including the iconic Cuban crocodile and the endangered Cuban parrot and learn about the importance of preserving this natural heritage Gain insights into Cuba s healthcare system renowned for its achievements in providing accessible and affordable care to all citizens Discover the innovative community based approach that has transformed healthcare in Cuba making it a model for other nations Pasquale De Marco s The Cuban Mask is not just a book about Cuba it is an invitation to embrace the vibrant spirit of this extraordinary island With vivid storytelling and insightful

imaginary fabrication where at times he basks in the beauty of creation and at moments he suffers its loneliness There is transformation and simultaneous transition during these years of writing the beginning commences in the cold winter and rejuvenating spring comes in the end But the big question is will the Writer and his realm of fiction survive or both perish without the world ever reading his words and recognizing his worth Mask in the Mirror is a gripping story of self discovery introspection and a touching saga of how fictional life can change the real life of an ordinary man *The Mask of Enlightenment* Stanley Rosen,2004-01-01 This landmark study is a detailed textual and thematic analysis of one of Nietzsche's most important but least understood works Stanley Rosen argues that in Zarathustra Nietzsche lays the groundwork for philosophical and political revolution proposing a change in humanity's condition that would be achieved by eliminating the decadent existing race and breeding a new race to take its place Rosen discusses Nietzsche's systematically duplicitous rhetoric of esoteric messages in Zarathustra and he places the book in the contexts of Greek Christian Enlightenment and postmodernist thought *A Mask for Privilege* , Why in America should the most sinister of European social diseases have taken root Why should that disease have spread from its seemingly anachronistic beginning in the Gilded Age until it infected many of our great magazines and newspapers Until it determined not only where a man might stay the night but where he got his education and how he earned his living This book answers such questions by exposing the myths with which the anti Semite surrounds his position By taking away the mask of privilege it reveals the source of such prejudice for what it is the determination of the forces of special privilege with their hangers on to maintain their select and exclusive status regardless of the consequences to other human beings Like Carey McWilliams's other books on minorities in America *A Mask for Privilege* reveals the facts of discrimination so that the fogs of prejudice may be dispersed by the truth It traces the growth of discrimination and persecution in America from 1877 to 1947 shows why Jews are such good scapegoats and contrasts the Jewish stereotype too pushing too cunning with that of other minority groups Then it looks at the anti Semitic personality and concludes with Sartre that here is a man who is afraid of himself In his stirring new introduction Wilson Carey McWilliams calls this a work of recovery evoking names and moods and incidents now either half forgotten or lost to memory This brilliant analysis of anti-Semitism is a documented and forceful attempt to inform Americans about the danger of the undemocratic antisocial practices in their midst and to suggest a positive program to arrest a course too similar to that which led to the Holocaust It transcends majority minority relations and becomes an analysis of antidemocratic practices which affect the whole fabric of American life *Beneath the Mask* Robert N. Sollod,Christopher F. Monte,2008-01-22 Beneath the Mask presents classic theories of human nature much as each theorist might if the theorist were to teach his or her ideas to people encountering them for the first time Through a theorist by theorist approach this Eighth Edition continues to explore the ideas of personality theorists developmentally incorporating the personal origins of ideas to illuminate links between the psychology of each theorist and that theorist's own psychology of persons Beneath the Mask presents the sequence of

thinking for more than 20 theorists and demonstrates how the thinking that led to major theories is nested in the life experience of the theorists within the context of the surrounding culture. The authors emphasize each theorist's life history as the basis for the ideas that constitute his or her theories, making them easier to understand as pictures of human nature. John P. Wilson has revised the text in a manner that preserves and improves upon the best features of the late Robert N. Soltod and Christopher Monte's work.
