Bowker's Complete Video Directory ,2000      Hallucinating the End of History Eric Cunningham,2007 This monograph explores and describes the historical continuities and relationships between 20th c Zen Buddhism the postwar psychedelic movement and postmodern eschatology In general terms and this is a rich complex study the work is a critique of modernization theory as a way of viewing history and suggests the modern epoch like the Greco Roman world before it will only end when the modern world ends Accordingly many postmodern movements seek to end modernity through violent action Germany and Japan in WW11 etc while others seek to bring to an end modern consciousness e g the psychedelic movement which posed a major historical challenge to bourgeois morality values and modes of experiencing space and time The core of the study is a critique of the historical philosophy of Japan s greatest modern philosopher Nishida Kitaro and in particular his historical eschatology Cunningham examines the Zen based metaphysics of Nishida s thought and links this to historical resonances between the philosopher 20th c Zen Buddhism The West s leading theorist DT Suzuki was a friend of Nishida and the psychedelic New Age movement which as sought to achieve authentic experience outside of history History and Ideas Series No 2 This work is a valuable addition to research library collections that focus on Japan 20th alternative movements Zen and or the philosophy of history Dr Elizabeth Koda      *Spirit Matters* Philip Gabriel,2006-01-01 Spirit Matters is a ground breaking work the first to explore a broad range of writings on spirituality in contemporary Japanese literature It draws on a variety of literary works from enormously popular fiction Miura Ayako s HyEten and Shiokari Pass and the novels of Murakami Haruki to more problematic serious fiction Ee KenzaburE s Somersault to nonfiction meditations on martyrdom and miracles Sono Ayako s Kiseki and the dynamics of religious cults Murakami s interviews with members of Aum ShinrikyE in Underground The first half of the volume focuses on the work of two women Christian writers Miura Ayako and Sono Ayako Combining a decidedly evangelistic bent with the formulas of the popular novel Miura s 1964 novel HyEten Freezing Point and its sequel are entertaining perennial bestsellers but also treat spiritual issues like original sin that are largely unexplored in modern Japanese literature Sono s Kiseki Miracles and Miura s Shiokari Pass focus on the meaning of self sacrifice and the miraculous and survey both the paths by which people come to faith and the spiritual doubts that assail them Perhaps most striking for Western readers Gabriel reveals how Miura s novel shows the lingering resistance to Christianity and its oppositional nature in Japan and how in Kiseki Sono considers the kind of spiritual struggles many Japanese Christians experience as they try to reconcile their belief in a minority faith      **Insights to Finding Spiritual Peace** Lex Adams,2022-02-17 Are you hungry for more of God Do you seek a greater understanding of His purpose for your life and hope to walk in His blessings Do you long for His comfort and guidance and answers when confused Do you want to know more about the Holy Spirit The second in a series Insights to Finding Spiritual Peace offers a compilation of Bible studies and commentaries written over more than twenty years They were born from personal experience and insights from
