Select Statutes Other Constitution 4ed:

The Governments of Europe William Bennett Munro, 1925
Munro, 1947 Social Control of Sex Expression Geoffrey May, 2025-02-03 First published in 1930 Social Control of Sex Expression is a study of the control exercised by Anglo American law over voluntary sex expression Divided into three parts the book starts with the doctrine of sex repression among primitive peoples among the ancient Hebrews and early Christians It then explores the doctrine in English law and the problems of sexual morality and temporal jurisdiction in the second part The last and final part looks at the doctrine in Anglo American law from pre revolutionary America to America today Two facts stand out in relief from this study The one is that the methods of legal control of sex expression have varied widely throughout Anglo American history The other is that the attitude behind the law the doctrine of sexual morality itself has varied not at all The author argues that though the forms of control have changed the fact of control less tangible still persists This is an interesting read for scholars and researchers of sociology law and psychology **Position und Aufgaben des Richters nach westlichem und nach islamischem Recht** Heinrich Scholler, Silvia Tellenbach, 2007 English summary This volume contains the expanded articles written by a group of specialists in comparative legal history oriental law and ethnological legal research who dealt with various aspects of the position and the function of the judge in Western and Islamic law during the 30th conference for comparative law in Wurzburg in 2005 In both legal systems the main issue is basically the just judge Attempts to guarantee that justice is done by a judge can be made in various ways and can complement each other such as for example through a selection according to general knowledge and honesty preordained professional careers or rules of procedure for the trial German description Dieser Band enthält die erweiterten Beiträge der Fachgruppe für vergleichende Rechtsgeschichte orientalische Rechte und ethnologische Rechtsforschung die sich auf der 30. Tagung für Rechtsvergleichung in Würzburg 2005 mit verschiedenen Aspekten von Position und Aufgaben des Richters nach westlichem und nach islamischem Recht beschäftigte Dahinter steht in beiden Rechtssystemen letztlich die Frage nach dem gerechten Richter Versuche die Gerechtigkeit des Richters zu gewährleisten können in verschiedenster Weise erfolgen und sich ergänzen so z B durch Auswahl nach Sachkunde und Redlichkeit vorgezeichnete Berufslaufbahnen oder Verfahrensvorschriften für den Prozess Im vorliegenden Band mit Beiträgen von Wissenschaftlern aus Deutschland der Türkei Iran und dem Libanon werden sowohl historische wie aktuelle Aspekte dieses Themas behandelt **Red, White, and Kind of Blue?** David Schneiderman, 2015-10-06 Situated between two different constitutional traditions those of the United Kingdom and the United States Canada has maintained a distinctive third way federal parliamentary and flexible Yet in recent years it seems that Canadian constitutional culture has been moving increasingly in an American direction Through the prorogation crises of 2008 and 2009 its senate reform proposals and the appointment process for Supreme Court judges Stephen Harper's Conservative government has repeatedly shown a tendency to push Canada further into the US

constitutional orbit Red White and Kind of Blue is a comparative legal analysis of this creeping Americanization as well as a probing examination of the costs and benefits that come with it Comparing British Canadian and American constitutional traditions David Schneiderman offers a critical perspective on the Americanization of Canadian constitutional practice and a timely warning about its unexamined consequences The Lord Protector Robert S. Paul,2023-01-01 Oliver Cromwell stands at the gateway of modern history his resolute Puritanism formative to concepts of political and religious liberty the development of democracy and the individual s duty to resist tyranny In The Lord Protector Robert S Paul traces Cromwell s political career from his early influences and political experience to the English Civil Wars his brutal conquest of Ireland and campaigns in Scotland Where some historians present Cromwell in extremes either as a scheming power hungry tyrant or as a noble hero Paul seeks to understand the Lord Protector through the religious context of the seventeenth century removed from the typical historical readings of his contemporaries In order to understand Cromwell s career Paul s investigation focusses his study through the extent to which Cromwell shared the theological beliefs common to his time This relationship between his religion and political action provides an estimate of Cromwell as a man of faith statesman and ruler
