Heady,2016-03-03 Because Victorian authors rarely discuss conversion experiences separately from the modes in which they are narrated Emily Walker Heady argues that the conversion narrative became in effect a form of literary criticism Literary conventions in turn served the reciprocal function as a means of discussing the nature of what Heady calls the heart change Heady reads canonical authors such as John Henry Newman Charles Dickens Charlotte Bront George Eliot and Oscar Wilde through a dual lens of literary history and post liberal theology As Heady shows these authors question the ability of realism to contain the emotionally freighted and often jarring plot lines that characterize conversion In so doing they explore the limits of narrative form while also shedding light on the ways in which conversion narratives address and often disrupt the reading communities in which they occur
