In 1927 the leading art schools of the United States were invited to participate in a contest sponsored by the Art Students League of New York. A well known artist and teacher George B. Bridgman directed the jury that selected the best figure drawings. Afterward Bridgman assembled this splendid gallery of the best images from the competition. Intermediate level students will benefit from the study of these complete and detailed drawings. Sketches in charcoal, pencil, wash, pen and ink, and crayon include a tremendous variety of styles, poses, and techniques. In addition to its value as a handbook, this collection also offers an authentic reflection of the era's excellent draftsmanship.
