Service for the King. No.1 - July 1907 Mildmay conference,1882 **In the Service of the King** Nili S Fox,2000-12-31

Titles have always been conferred on persons both to identify their functions in society and to assign honorary status In Egypt even more than in Mesopotamia function related and honorary titles were so valued that officials and functionaries of varying stations collected the titles accrued in their lifetime and preserved them in a titulary the ancient equivalent of a resume Israelites serving at the royal courts in Jerusalem and Samaria or in local administrations also held title but the sources suggest far fewer of them than their neighbors Nili Fox analyzes the titles and roles of civil officials and functionaries in Israel and Judah during the monarchy including key ministers of the central government regional administrators and palace attendants The nineteen titles fall into three categories status related titles function related titles and miscellaneous designations that could be held by a variety of officials Fox sets these Israelite and Judahite titles in their ancient context through extensive study of Egyptian Akkadian and Ugaritic records She also draws upon the corpus of Hebrew epigraphic material which allows her to explore economic components of state organization such as royal land grants supply networks and systems of accounting which would be impossible to understand on the basis of the Hebrew Bible alone Fox also treats the widely debated issue of whether Israelite state organization was influenced by foreign models and if so how much The evidence of non Hebrew sources offers little concrete material to substantiate theories that Israel modeled its government after a foreign prototype and Fox offers a more finessed approach Many features of Israelite administration are best explained as basic elements of any monarchic structure in the ancient Near East that developed to satisfy the needs of an evolving local system Other seemingly foreign features have a long tradition in Canaan and probably were naturally assimilated Fox recognizes the interconnections between the cultures in the region but emphasizes the need to closely examine the Israelite system with internal evidence *In the King's Service* Katherine Kurtz,2004-12-28 In this first book of an all new Deryni trilogy New York Times bestselling author Katherine Kurtz takes readers back in time before King Kelson's bride before King Kelson's birth when the magical Deryni blood was sought by the most powerful men and women in the kingdom of Gwynedd Back when a man named Donal ruled over all **Service for the King** Albert B. Dedicate to Him your power to be filled and used Lay on His altar the gift He is about to bestow Take it as a sacred and unselfish trust to be employed for His work and glory And He will give abundantly He will take the offered vessel and use it 3 Appropriating and acting faith Take hold of His strength Attach your little wheel to His great engine and it will run with heavenly power God puts within each of our reach the great engine of His omnipotence and bids us attach our wheel of need for strength or service
