Social Change And The Middle Classes Tim Butler, Mike Savage, 2013-11-05 First Published in 1995 The study of the middle classes actually poses a variety of interesting challenges Traditionally the social scientific gaze has been directed either downwards to the working classes the poor and the dispossessed or upwards to the wealthy and powerful For all these reasons a collection of original papers on various aspects of the British middle classes seems an important venture that will cast valuable light on the course of social change in Britain more generally This book is designed to bring together a series of accessible high quality research papers on various aspects of the British middle classes

Domestic Service and Gender, 1660-1750 Tim Meldrum, 2014-09-11 In this exciting new study Tim Meldrum explores the real lives of domestic servants From close examination of court records and other documentary evidence he has reconstructed the lives of ordinary domestic servants in London A revealing account of life below the stairs the gendered nature of domestic service how different members of the household interacted with one another it makes a valuable contribution to the separate spheres debate

Migration and Domestic Work Helma Lutz, 2016-04-22 Domestic work has become highly relevant on a local and global scale Until a decade ago domestic workers were rare in European households today they can be found working for middle class families and single people for double or single parents as well as for the elderly Performing the three C s cleaning caring and cooking domestic workers offer their woman power on a global market which Europe has become part of This global market is now considered the largest labour market for women world wide and it has triggered the feminization of migration This volume brings together contributions by European and US based researchers to look at the connection between migration and domestic work on an empirical and theoretical level The contributors elaborate on the phenomenon of domestic work in late modern societies by discussing different methodological and theoretical approaches in an interdisciplinary setting The volume also looks at the gendered aspects of domestic work it asks why the re introduction of domestic workers in European households has become so popular and will argue that this phenomenon is challenging gender theories This is a timely book and will be of interest to academics and students in the fields of migration gender and European studies

Migration and mobility in an enlarged europe Sigrid

Metz-Göckel, Mirjana Morokvasic-Müller, A. Senganata Münt, 2008-07-23 The book investigates transnational migration and mobility of women from and within Central Eastern European countries It looks at women's practices and experiences mostly in the service sector where they are in demand as substitutes in stereotypically women's work The book combines different perspectives sociological and anthropological studies comparative policy analysis and historical and statistical evidence and provides new insights into current theoretical debates in migration and gender studies Family Time Michael

Bittman, Nancy Folbre, 2004-02-26 The time we have to care for one another especially for our children and our elderly is more precious to us than anything else in the world Yet we have more experience accounting for money than we do for time In this volume leading experts in analysis of time use from across the globe explore the interface between time use and family pol **Citizenship** Ruth Lister, 1998 To pinpoint the important theoretical issues that they raise Lister recasts

traditional thinking about the concept of citizenship exploring its political and policy implications for women in all their diversity Themes of inclusion and exclusion at the national and international level rights and participation inequality and difference are thus brought to the fore in the development of a woman friendly theory and praxis of citizenship Feminist Geographies

Women and Geography Study Group, 2014-01-14 In recent years the study of human geography has been reshaped by the work of feminist geographers and as a result a considerable number of universities now include feminist geography and gender issues in their courses This text provides an introduction to contemporary debates in feminist geography These explorations in diversity and difference make up feminist geography in the 1990s Feminist Geographies introduces key analytical concepts examines the history of the subdiscipline explores feminist geographers methodologies and considers the various ways in which feminist geographers have worked with some of geography's key concepts notably space place landscape and environment The text also goes on to outline areas of future debates within the subject **Hard**

Labour: The Forgotten Voices of Latvian Migrant 'Volunteer' Workers Linda McDowell, 2013-09-05 Although the Second World War ended sixty years ago there are still untold stories waiting to be heard stories not only of diplomats and soldiers but also of refugees camp inmates and ordinary people living in occupied territories stories of women's and children's lives as well as those of men In Hard Labour the forgotten voices of a group of young women who left Latvia in 1944 are captured telling the story of their flight from the advancing Soviet Army their difficult journeys across central Europe their lives as displaced people in Allied camps in Germany and finally their refuge in Britain Hard work is at the centre of these stories as the women became volunteer workers first for the Nazi war effort and then as labourers in the British post war reconstruction plan In what has been described as a venomous postscript to the War the fit and able amongst the vast homeless and often stateless population that fetched up in camps run by the Allies in war devastated Germany were recruited by western states as labourers Great Britain was the first nation to recruit displaced persons offering jobs in hospitals and private homes as domestic workers and in the textile industry to young single women and later men from Latvia Lithuania

and Estonia and other once independent states Many of these women spent the rest of their lives in Britain longing to return to their homelands but independence came too late for many of them At the centre of *Hard Labour* are the lives of twenty five now elderly Latvia women who came to Britain between 1946 and 1949 Their memories are placed in the context of recent work in feminist history illuminating debates about displacement and loss as well as the transformation of women s lives in post war Britain

New Perspectives on Mutual Dependency in Care-Giving Adéla Souralová,2016-03-09 Many scholars see caregiving relationships as being based on mutual dependency or interdependency Extensively cited notions of the global care chain or international division of reproductive labour have prepared the ground for analysis of global interdependencies in several domains This book goes further by taking mutual dependency as a starting point for analysing all relationships Using the example of Vietnamese families in the Czech Republic and the Czech native nannies it shows how paid caregiving is contextualized in terms of various relationships between three types of actors employer employee caring for the child and mother child All of these ties are based on ontologically different principles and each of them operates as a piece of a puzzle which is meaningful only in relation to each other Souralov considers caregiving to be a formative activity that establishes ties between the concerned actors whose subjectivities are mutually shaped in the daily practice of caregiving With its stress on mutuality in care work this ground breaking book illuminates the new forms of interpersonal interethnic and intergenerational relationships and highlights the mechanisms and processes in which kinship ties are negotiated and reproduced

Europeanization, Care and Gender H. Dahl,M. Keränen,A. Kovalainen,2011-10-04 This collection addresses the complexity of care arrangements in contemporary Europe developing new insights into debates about the care crisis gender equality the division of work and the reconciliation of care and work

Eating Out Alan Warde,Lydia Martens,2000-03-30 *Eating Out* first published in 2000 is a fascinating study of the consumption of food outside the home based on extensive original research carried out in England in the 1990s Reflecting the explosion of interest in food ranging from food scares to the national obsession with celebrity chefs the practice of eating out has increased dramatically over recent years Through surveys and intensive interviews the authors have collected a wealth of information into people s attitudes towards and expectations of eating out as a form of entertainment and an expression of taste and status Amongst other topics they examine social inequalities in access to eating out social distinction interactions between customers and staff and the economic and social implications of the practice *Eating Out* will be a valuable resource to academics advanced students and practitioners in the sociology of consumption cultural studies social anthropology tourism and hospitality home economics marketing and the general reader

Double Lives Helen McCarthy,2021-06-10 SHORTLISTED FOR THE WOLFSON HISTORY PRIZE 2021 Shortlisted for the PEN Hessel Tiltman Prize 2021 Longlisted for the HWA Non Fiction Crown 2021 Fabulous The Times A milestone in women s history Observer Groundbreaking a fascinating read Herald In Britain today three quarters of mothers are in employment and paid work is an unremarkable feature of women s lives after

childbirth Yet a century ago working mothers were in the minority excluded altogether from many occupations whilst their wage earning was widely perceived as a social ill In *Double Lives* Helen McCarthy accounts for this remarkable transformation and the momentous consequences it has had for Britain Recovering the everyday worlds of working mothers this groundbreaking history forces us not only to re evaluate the past but to ask anew how current attitudes towards mothers in the workplace have developed and how far we have to go Impressive and nuanced Guardian Brilliant Literary Review

Cottons and Casuals: The Gendered Organisation of Labour in Time and Space Miriam Glucksmann, 2013-09-13 *Cottons and Casuals* explores the connections between women's work in different spheres since the 1930s paid employment at home and in the community Women's own testimony and an array of other source materials are used to develop new ways of looking at their changing patterns of living and working The book examines changes in the organisation and commodification of domestic production and consumption the use of technology housing family structures gender relations and inter generational mother daughter relations Differing temporalities of work are highlighted as are their far reaching effects for the organisation of people's lives and life courses The significance of varying locations and spatial organisations of work for communities streets families and gender relations provides another important focus In the process Glucksmann addresses the nature of the research process reflecting on her sources and her own work in the production of knowledge

Gender and Landscape Josephine Carubia, Lorraine Dowler, Bonj Szczygiel, 2013-04-15 This volume a feminist inquiry into the landscape provides a bridge between feminist discussions of space and place and landscape interpretations

Gender, Migration and the Dual Career Household Irene Hardill, 2002-11-01 This book explores the gender issues associated with international migration in dual career households Adopting a feminist approach the author links research in economics sociology management and business and human geography to explore post industrial managerial and professional careers Particular emphasis is placed on the way in which social mobility and spatial mobility are entwined The author explores the location and mobility decisions of dual career households examining their personal and household biographies as well as published statistics Of essential interest to scholars of human geography sociology and gender studies this book will also interest those working in organizational migration and urban studies
