EMPOWERED! Discovering Your Place in God's Story Stuart Simpson,2013-09-12 Surveys indicate that most Christians feel disempowered Wrong dualistic thinking which separates the whole of life into spiritual and secular and creates a division within the Church between those in full time ministry and those who are not has robbed many believers of the joy of knowing their life can make a difference The purpose of this book is to help give every Christian believer the realization that they have a special God given role and place in the fulfillment of God s Story and the Great Commission Our life story fits into God s bigger story HStory Our mission and purpose in life fits within his global mission and purpose God is calling us today towards the consummation of his story and his mission This task is not just for church workers or overseas missionaries Whatever your vocation in life you have a destiny to fulfill and a unique contribution to make With practical tools and study questions

God Loves Your Work Larry Peabody,2022-03-03 If you know God loves your work you can as Paul put it work at it with all your heart But too often even Christians find it hard to engage fully with what occupies them for hours every day This book will help you relate your work to God s eternal kingdom purposes Here you will find not just one or two but several biblical reasons for getting up and going to work During your lifetime you will spend perhaps 100 000 hours working in paid or unpaid work Will you see spiritual significance in those hours In the end will they really matter These easy to read chapters will help you view your daily work within a new and much larger perspective For example what if you were to begin seeing your work as a worship offering that God gladly receives Or what if you were to discover how he intends to use your work to further your own spiritual growth Get set to move from Thank God it s Friday to Wonderful it s Monday again
