Set Us Free What The Church Needs To Know From Survivors Of Abuse:

Feminism and Method Nancy A. Naples, 2013-10-16 Naples draws on different research topics such as welfare poverty sexual identity and sexual abuse to illustrate some of the most salient dilemmas of feminist research the debate over objectivity the paradox of discourse the dilemma of standpoint and the challenges of activist research By linking important feminist theoretical debates with case studies Naples illustrates the strategies she developed for resolving the challenges posed by postmodern Third World postcolonial and queer studies

Set Us Free Ann W. Annis, Michelle R. Loyd-Paige, Roger R. Rice, 2001-01-10 *Set Us Free* dispels the myth that abuse does not happen in my church This book uses the stories of abuse and survival to help the reader examine the connections among abuse religious beliefs and the church Through these personal accounts we are reminded that abuse is not confined to any singular group of people nor is religion or the church immune Through the voices of survivors *Set Us Free* examines how religion has been used as a means to justify abuse how the church has responded both positively and negatively to the issue the long and short term effects of abuse and how survivors struggle with their understanding of God His nature and their faith The book concludes with a set of guidelines for churches that wish to sensitively thoughtfully responsibly and effectively respond to the issue of abuse

Not Quite Healed Cecil Murphy, Gary Roe, 2014-03-14

Survivors of sexual abuse face a long road to recovery With every bump and bruise and setback they may wonder if total healing is even possible In fact the feeling that I should be healed by now is one that every survivor will have to deal with at some time A survivor himself Cecil Murphey writes I absolutely affirm that God can produce such a miracle I don't know of any but I still think that it is possible So how are survivors to overcome the challenges they are sure to face Finding strength in community with other survivors is one key to recovery In *Not Quite Healed* two survivors join forces to share insight and encouragement on the issues that challenge them most After a candid discussion about each issue the authors provide a self-affirming statement that men can study memorize and recite on their darkest days statements such as Forgiveness is a difficult task for me but it's a simple thing for God Accountability is the first step to livability God wants to heal my pain to bring healing to others Whether men are struggling with relying on God living behind a mask dealing with flashbacks and recurring dreams or learning to forgive Cecil Murphey and Gary Roe offer hope and comfort for the ongoing

The Church Leader's Counseling Resource Book Cynthia Franklin Ph.D., Rowena Fong, 2011-02-01 This all in one guide is designed to better equip clergy and the church leaders to meet their congregations needs in a spiritually grounded and scientifically sound manner Succinct easy to read chapters summarize all a pastor needs to know about a given problem area including its signs or symptoms questions to ask effective helping skills and most importantly when to refer to a mental health professional Synthesizing what research says about treatment approaches for mental health issues this user friendly

reference is filled with guidelines case scenarios key points to remember resources for further help advice on integrating scripture and theology with the best available research and tips on partnering with others to provide the best possible care for each church member Each chapter is designed for quick lookup by problem area empowering church leaders to understand and help meet the challenges facing the children adults families and communities that they serve *Responding to Abuse in Christian Homes* Nancy Nason-Clark,Catherine Clark Kroeger,Barbara Fisher-Townsend,2011-03-04 Domestic abuse is a horror It lurks beneath the surface of our collective existence sometimes raising its ugly head where least expected in the church or within families of faith Are we individually or collectively ready to respond What can or should congregations and their pastoral leaders do And as we survey the Christian landscape across the United States and Canada are we as the community of faith stepping up to the challenge presented by violence in the family There is no easy answer to the problems that surface when abuse impacts the Christian family But each of the authors contributing to this volume believes fervently that it is imperative that followers of Jesus and their spiritual shepherds respond to the cries for help To respond well necessitates both knowledge and a willingness to act This book is here to help It represents a collective effort to bring all of us a step farther in our journey of walking with Christ over a sea of troubled waters None of us know as much as we should but all of us can learn from one another Throughout the collection we provide an opportunity to examine a diversity of perspectives with the hope that each will in some way advance our understanding of the complexity of domestic violence issues in our midst within our churches and the communities where our churches minister **International**

The Game of Life Linda C. Dipman, 2006-06 God spoke to me and this is what he said Do you ever wonder why bad things happen Why did my child die Why did a hurricane kill so many people Why did I lose my job How many times have you blamed God Now what if I told you that you are in a huge multi faceted game A game where you are the hero battling spiritual forces of evil I must be joking let me prove it to you In The Game of Life I will answer the question why I will reveal the true purpose for each experience you go through I will use my life as an illustration to show you the veil of darkness and demonstrate to you the battle between good versus evil More importantly I will explain why the game is about to end Yes the clock is ticking down to the very last second Are you playing your Game of Life to win

WHAT CAN I DO TO HELP LAZARUS? Harriet I. Cook, 2024-05-06 Domestic abuse concealed within the fabric of Christian life is often foreign to both leadership and laity alike With a focus on abused wives What Can I Do to Help Lazarus compassionately gives spiritual and practical ways for leaders and fellow believers to better minister to women whose spouse has cruelly torn apart the marriage covenant With sensitivity scripture and wisdom the author also brings needed validation to the targets of purposed evil in the institution God designed to be a woman s sanctuary marital oneness What Can I Do to Help Lazarus was written as a short article for abuse survivors reading a Christian domestic abuse support site Reader comments were extremely positive and with the Lord s inspiration the author expanded the content Yes YES

Yeeeeesssss I will be sharing this with many church friends who are absolutely clueless Thank you for articulating this so well Eyes that see and a heart of mercy So rare There is something about how you write that seeps like water through porous soil Perhaps your words speak so clearly because they do not yell I don't think there was a single line that didn't make the tears fall a little harder at each one tears of she gets it [Set Free](#) Jan Coates,2005 If you or someone you love experienced emotional physical or sexual abuse as a child you know something of the brokenness anger and helplessness that resulted from it But there is hope when God reaches down and lifts you up **Forthcoming Books** Rose Arny,2002 [God vs. the Gavel](#) Marci A. Hamilton,2005-05-30 God vs the Gavel challenges the pervasive assumption that all religious conduct deserves constitutional protection While religious conduct provides many benefits to society it is not always benign The thesis of the book is that anyone who harms another person should be governed by the laws that govern everyone else and truth be told religion is capable of great harm This may not sound like a radical proposition but it has been under assault since the 1960s The majority of academics and many religious organizations would construct a fortress around religious conduct that would make it extremely difficult to prosecute child abuse by clergy medical neglect of children by faith healers and other socially unacceptable behaviors This book intends to change the course of the public debate over religion by bringing to the public's attention the tactics of religious entities to avoid the law and therefore harm others *Taking It Seriously* Genee Goertzen,2024-08-12 Domestic violence harms congregants and impacts our churches Abuse affects millions across this nation and around the world including individuals in your own congregation Informed by research and verified by experience this book provides practical guidance for pastors and lay leaders to faithfully address and respond to this crisis The influence of pastoral care and congregational preparedness from the author's seminary education and community practice social work lens is clearly evident The chapters are well researched trauma conscious and survivor informed The supplemental unique and comprehensive glossary of domestic violence terms crafted specifically for faith based ministry sets this book apart Prevention and intervention guidelines along with valuable recommendations for interacting with victims and survivors is the instructive content needed to propel faith leaders to action and improve the way domestic violence is handled within churches *Pastoral Work* Jason Byassee,L. Roger Owens,2014-01-15 Eugene Peterson may be the most influential theological writer in the church today Yet because most of his career has not been in academia there is not much critical engagement with his work Here some of the finest scholar pastors we have describe the way Peterson has inspired and infuriated on the way to hopefully more faithful pastorates **Still Time to Care** Greg Johnson,2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism's leading voices cast a vision for gay people who turn to Jesus It was C S Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive

pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth and rise of the ex gay movement the focus shifted from care to cure As a result there are an estimated 700 000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith based testimony driven parachurch ministries centered on the ex gay script Despite the best of intentions the movement ended with very troubling results Yet the ex gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex gay umbrella organization Exodus International in 2013 the ex gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I m not gay anymore Now I m just same sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo Evangelical fathers on caring over attempting to cure With warmth and humor as well as original research Still Time to Care provides Guidance for the gay person who hears the gospel and finds themselves smitten by the life giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel motivated love and compassion
