**Greg Weiner**

## **Setting Municipal Priorities 199:**

Power Failure Charles Brecher, Raymond D. Horton, 1993-04-08 New York City's municipal government is the largest and most complex in the nation perhaps in the world Its annual operating budget is now a staggering 29 billion a year plus it has a capital budget of 4 billion more The city and its various agencies employ approximately 360 000 full time workers The Office of the Mayor alone employs some 1 600 people and spends some 135 million And the Police Department boasts a small army of over 25 000 officers with a budget of 1 5 billion Anyone wanting to make sense of an organization this vast needs an excellent guide In Power Failure Charles Brecher and Raymond Horton provide a complete guidebook to the political workings of New York City Ranging from 1960 to the present the authors explore in depth the political machinery behind City Hall from electoral politics to budgetary policy to the delivery of city services They examine the operation of the Office of the Mayor and the City Council covering everything from the number of members and their annual salaries Council Members receive 55 000 per year the Council President 105 000 to the mayoral races of John V Lindsay Abraham Beame and Edward I Koch Much of this encyclopedic work focuses on New York's ever present financial woes including the financial crisis of the mid 1970s when the City had an unaudited deficit of over a billion dollars and the public credit markets closed their doors They examine the repeated failure of collective bargaining to set wage policy before the annual operating budget is set which undermines the integrity of the budgetary process and they look at the main source of revenue the property tax homeowners pay 84 cents per hundred dollars of market value commercial property owners pay 4 31 a politically motivated imbalance which the authors find economically harmful and grossly unfair to renters and businesses Finally they examine service delivery and discover not surprisingly that the highest local taxes in the nation are not spent efficiently The authors offer detailed looks at the uniformed services police fire sanitation corrections the Department of Parks and Recreation and the Health and Hospitals Corporation which operates the country's largest municipal hospital system revealing which departments are run well and which are not For New York City residents this is an essential volume for understanding City Hall Indeed anyone baffled by big city government whether you live in New York or in any major metropolis will find in this volume a wealth of information on how to run a city well and how to run it into the ground **Working-Class New York**

Joshua B. Freeman, 2021-04-20 A lucid detailed and imaginative analysis The Nation of the model city that working class New Yorkers created after World War II and its tragic demise More than any other city in America New York in the years after the Second World War carved out an idealistic and equitable path to the future Largely through the efforts of its working class and the dynamic labor movement it built New York City became the envied model of liberal America and the scourge of conservatives everywhere cheap and easy to use mass transit work in small businesses and factories that had good wages and benefits affordable public housing and healthcare for all Working Class New York is an engrossing Dissent account of the birth of that ideal and the way it came crashing down In what Publishers Weekly calls absorbing and beautifully detailed

history historian Joshua Freeman shows how the anticommunist purges of the 1950s decimated the ranks of the labor movement and demoralized its idealists and how the fiscal crisis of the mid 1970s dealt another crushing blow to liberal ideals as the city's wealthy elite made a frenzied grab for power A grand work of cultural and social history Working Class New York is a moving chronicle of a dream that died but may yet rise again **The State of the Uniformed Services**

,1990 **The Millennial City** Myron Magnet,2000-04-11 A penetrating collection of articles drawn from the pages of City Journal the quarterly magazine that has established a reputation for groundbreaking analytical reports on the urban scene

**On the Money Trail** Tim Chorney,2003-02-01 A graduate of Lakehead University Tim Chorney is a freelance journalist and media researcher for television newspaper and radio He is based in Ottawa Jay Innes holds a master's degree in journalism from Carleton University and has worked as a researcher and reporter for newspapers radio and television He is the producer of Secrets in High Places a television documentary for Stornoway Productions When Unions Merge Gary N.

Chaison,1986 **Report on New York** Citizens Budget Commission (New York, N.Y.),1983 *Secrets in High Places* Jay Innes,2003 **Thinking Like a Policy Analyst** I. Geva-May,2005-06-18 The world of policy represents the confluence of a

number of intellectual strands in which the clinician brings science together with intuition and uses his or her experience to interpret the evidence and make recommendations for treatment This important volume brings together leading scholars to explore the how of thinking about policy the questions values judgments and experience the analyst brings to bear **Dual**

**City** John H. Mollenkopf,Manuel Castells,1991-04-04 Have the last two decades produced a New York composed of two separate and unequal cities As the contributors to Dual City reveal the complexity of inequality in New York defies simple distinctions between black and white the Yuppies and the homeless The city's changing economic structure has intersected with an increasingly diversified population providing upward mobility for some groups while isolating others As race gender ethnicity and class become ever more critical components of the postindustrial city the New York experience illuminates not just one great city or indeed all large cities but the forces affecting most of the globe The authors constitute an impressive assemblage of seasoned scholars representing a wide array of pertinent disciplines Their product is a pioneering volume in the social sciences and urban studies the 20 page bibliography is a major research tool on its own Choice American

Burke Greg Weiner,2016-08-12 Those who lament Washington's polarized politics will find both inspiration and even hope in this first book to analyze the political thought of the scholar statesman Daniel Patrick Moynihan 1927 2003 who was eulogized by the Economist as a philosopher politician diplomat who two centuries earlier would not have been out of place among the Founding Fathers Identifies the New Yorker as a Burkean liberal who believe that government does have an important role to play yet while fully acknowledging its limitations and society's complexity *In Pursuit of Performance* Patricia W. Ingraham,2007-04-15 Based on five years of extensive research by the Government Performance Project this volume offers a comprehensive analysis of how government managers and elected officials use management and

management systems to improve performance Drawing on data from across the nation it examines the performance of state county and city governments between 1997 and 2002 within the framework of basic management systems financial information human resources capital and infrastructure and results evaluation Key issues addressed How governments strategically select elements of management to emphasize the role of leadership How those governments that aim to improve performance differ from those that do not What effective management looks like Through this careful in depth investigation the contributors conclude that the most effective governments are not those with the most resources but those that use the resources available to them most carefully and strategically In Pursuit of Performance is an invaluable tool for government leaders and the scholars who study them From Demon to Darling Richard Mendelson,2010-11-08 Reflecting America s complicated and often confused cultural identity laws have long regulated who can and cannot make sell distribute purchase and drink wine Richard Mendelson s compelling legal history is detailed but never dry because it reveals as much about Americans attitudes towards themselves as about their understanding of wine Paul Lukacs author of American Vintage The Rise of American Wine and The Great Wines of America This concise yet well documented history of how the wine industry has fared and ultimately triumphed through temperance Prohibition and convoluted control systems makes an enjoyable read for any serious oenophile Philip J Cook author of Paying the Tab The Costs and Benefits of Alcohol Control **The World and US Social Forums** Judith R. Blau,Marina Karides,2008 The WSF USSF is an expression of the people s struggles to advance alternatives to the world as we know it Since its first convening in 2001 in Porto Alegre Brazil it has captured the imagination of all who have come within its orbit and caught up by its vast and growing networks It provides a large space for groups to mobilize voice their oppression exchange ideas and express their desire for hope and another world Central in the founding principles of the World Social Forum are the advance of peoples rights including women s rights the rights of indigenous peoples the rights of minorities the rights of peasant farmers and generally the rights and dignity of all peoples now oppressed participatory democracy social and cultural pluralism and the end of market tyranny This volume captures the full range of topics dealing with the WSF USSF It is a fresh treatment of materials for the insider and provides ample background for someone who would like to attend Advanced Studies in Efficient Environmental Design and City Planning Ferdinando Trapani,Nabil Mohareb,Federica Rosso,Denia Kolokotsa,Sreetheran Maruthaveeran,Mahmoud Ghoneem,2021-09-24 This book explains how learning from past mistakes in urban design can help to enhance sustainable cities and how the principles of Green Urbanism can yield more resilient urban settlements Environmental design is a fundamental principle in shaping cities However environmental challenges like increased resource consumption water degradation and waste related issues are among the greatest problems now facing humanity which is why these issues need to be considered with regard to smart cities either for the development of new urban centers or for the transformation of existing cities The book not only discusses the importance of integrating sustainability principles in the urban design process

but also demonstrates their application to the development of sustainable cities As such the book offers essential information and a source of inspiration for all those who want to build more sustainable cities      **Catalogue of Hazardous and Solid**

**Waste Publications** United States. Environmental Protection Agency. Office of Solid Waste and Emergency Response,1998

**Journal of Human Services Abstracts** ,1978      *Frameworks for Water Law Reform* Sarah Hendry,2015 This book develops an analytical framework for water law reform using case studies across four jurisdictions for academics students and policy makers      *Change Philanthropy* Alicia Epstein Korten,2009-09-08 A how to guide for creating and funding social justice program grants This groundbreaking book shows how to increase funding for social justice philanthropy Social justice philanthropy provides direct services to alleviate suffering and works to transform the systems and institutions that cause that suffering Written in an engaging easy to read style Change Philanthropy offers an insider s view what works and what doesn t work when developing grantmaking strategies in support of social change It gives clear guidance showcases foundations of all types and sizes including Liberty Hill Foundation Charles Stewart Mott Foundation Needmor Fund Jacobs Family Foundation Discount Foundation Global Fund for Women Schott Foundation Ford Foundation and the Open Society Institute The book also includes a wealth of illustrative examples and contains practical suggestions and tips that can be applied immediately to support any social justice agenda Offers a guide for increasing funds for social justice programs and suggestions for foundations on which programs to fund Gives step by step advice for developing a successful grantmaking strategy Includes a wealth of examples from leading foundations Sponsored by The Center for Community Change

**Labour Inside the Gate** Matthew Worley,2005-03-24 In 1906 a confident Labour Party felt that it was already rattling the governing classes Its campaigning cartoon which gives this book its title showed the party wielding an axe towards the gates of Parliament cutting through the special interests protecting the old system to aid the working classes What followed was the remarkable transformation of a parliamentary pressure group into a credible governing force The inter war years were a crucial stage in the development of the Labour Party as it grew from pressure group status to national opposition to party of government At the end of the Great War 1914 1918 Labour had a developing national organisation and a fledgling constitution By 1922 it rivalled the war ravaged Liberals as the party of opposition a fact that was affirmed with the formation of the first minority Labour government in January 1924 The second Labour administration of 1929 collapsed amidst the whirlwind of the great depression but the organisational basis of the party remained solid allowing Labour to reinvent itself over the 1930s By the Second World War the foundations had been laid for the landslide victory that brought in the Attlee government of 1945 Matthew Worley has written the first study dedicated solely to this crucial period in Labour s development In an accessible style he provides a comprehensive account of all aspects of the movement Using a wide range of sources he explores this often marginalised period in Labour s history both looking at the parliamentary party and the growing network of constituency parties Worley s approach unites high politics and issues that cross local and national

boundaries He combines policy social history and economics with broader themes such as gender and culture Labour inside the Gate will appeal to students and scholars as well as all those interested in Labour s history Its new insights into the 1945 landslide victory illuminate this important period in the growth of the Labour Party as it continues to redefine and realign itself as the new party of government

Thank you extremely much for downloading **Setting Municipal Priorities 199**. Most likely you have knowledge that, people have look numerous period for their favorite books subsequently this Setting Municipal Priorities 199, but end up in harmful downloads.

Rather than enjoying a fine book taking into account a cup of coffee in the afternoon, on the other hand they juggled like some harmful virus inside their computer. **Setting Municipal Priorities 199** is handy in our digital library an online admission to it is set as public correspondingly you can download it instantly. Our digital library saves in merged countries, allowing you to get the most less latency epoch to download any of our books later this one. Merely said, the Setting Municipal Priorities 199 is universally compatible behind any devices to read.
