*Encyclopedia of African American Business History* Juliet E. K. Walker,1999-11-30 Black business activity has been sustained in America for almost four centuries From the marketing and trading activities of African slaves in Colonial America to the rise of 20th century black corporate America African American participation in self employed economic activities has been a persistent theme in the black experience Yet unlike other topics in African American history the study of black business has been limited General reference sources on the black experience with their emphasis on social cultural and political life provide little information on topics related to the history of black business This invaluable encyclopedia is the only reference source providing information on the broad range of topics that illuminate black business history Providing readily accessible information on the black business experience the encyclopedia provides an overview of black business activities and underscores the existence of a historic tradition of black American business participation Entries range from biographies of black business people to overview surveys of business activities from the 1600s to the 1990s including slave and free black business activities and the Black Wallstreet to coverage of black women s business activities and discussions of such African American specific industries as catering funeral enterprises insurance and hair care and cosmetic products Also there are entries on blacks in the automotive parts industry black investment banks black companies listed on the stock market blacks and corporate America civil rights and black business and black athletes and business activities

*The Business Strategy of Booker T. Washington* Michael B. Boston,2010-08-29 Michael Boston offers a radical departure from other interpretations of Booker T Washington by focusing on the latter s business ideas and practices More specifically Boston examines Washington as an entrepreneur spelling out his business philosophy at great length and discussing the influence it had on black America He analyzes the national and regional economies in which Washington worked and focuses on his advocacy of black business development as the key to economic uplift for African Americans The result is a revisionist book that responds to the skewed literature on Washington even as it offers a new framework for understanding him Based upon a deep reading of the Tuskegee archives it acknowledges Washington not only as a champion of black business development but one who conceived and implemented successful strategies to promote it as well The Business Strategy of Booker T Washington makes abundantly clear that Washington was not an accommodationist it will be required reading for any future discussion of this titan of history

**Business Ethics and Social Responsibility** Joseph Eisenhauer, Lawrence Zeff, 2023-11-25 Fr Gerald F Cavanagh S J

has been widely recognized as one of the founders of the field of business ethics as well as a leader in bringing Catholic Social Teaching to bear on this academic discipline One of his principal insights has been that business as the most powerful agency in society can and should be a force for positive societal change rather than deferring that responsibility to government This volume collects his most significant contributions to the discipline from the mid 1960s to the early 2020s into a single convenient reference work To show the development of his thought on various issues pertaining to the broad subject of business ethics the chapters are organized into five major themes diversity equity and inclusion the dignity of work personal values and spirituality in the workplace ethical norms and organizational values corporate social responsibility and business ethics in the college curriculum

**Franchise: The Golden Arches in Black America** Marcia

Chatelain,2020-01-07 WINNER 2021 PULITZER PRIZE IN HISTORY Winner 2022 James Beard Foundation Book Award Writing The stunning David W Blight untold history of how fast food became one of the greatest generators of black wealth in America Just as The Color of Law provided a vital understanding of redlining and racial segregation Marcia Chatelain s Franchise investigates the complex interrelationship between black communities and America s largest most popular fast food chain Taking us from the first McDonald s drive in in San Bernardino to the franchise on Florissant Avenue in Ferguson Missouri in the summer of 2014 Chatelain shows how fast food is a source of both power economic and political and despair for African Americans As she contends fast food is more than ever before a key battlefield in the fight for racial justice
