Seven Chohans On The Path Of Ascension:

The Seven Chohans Elizabeth Clare Prophet, 1973-12-31 **Ascension Magick** Christopher Penczak, 2007 This practical how to guide brings a new level of clarity and synthesis to the often misunderstood path of ascension the spiritual practice of integrating higher consciousness into everyday life This comprehensive reference work explores ascension theology and techniques from a magickal perspective providing a solid foundation for beginners and greater depth and context for those already on the ascension path Powerful meditations rituals and spells for personal and planetary healing are included along with more fascinating information **Prophecy the Missing Dimension of Healing, the Healing Power of Angels Karma of the Nations** Elizabeth Clare Prophet, 1988-03 The Masters and the Spiritual Path Mark L. Prophet, Elizabeth Clare Prophet, 2020-12-29 You have friends in high places There are masters who have come out of all the world's great spiritual traditions These great lights of East and West have graduated from earth's schoolroom and reunited with Spirit in the process known as the ascension The masters tell us that they are examples and not exceptions to the rule We too are destined to fulfill our life's purpose and reunite with Spirit This intriguing work offers an innovative perspective on the universe and your role in it In this brilliant blend of East and West you will discover valuable keys for your own spiritual path You'll learn about the relationship between the ascension nirvana and samadhi the parallel structure of the spiritual and material universes the difference between ascended and unascended masters and the function of the spiritual hierarchy and the role of the masters The Masters and the Spiritual Path also offers a unique meditation on the bliss of union with Spirit and a breathing exercise to help you balance and expand consciousness **The Lost Teachings of Jesus** Mark Prophet, Elizabeth Clare Prophet, 1986 Reveals that concepts regarded as purely Eastern like karma reincarnation and chakras can be found in the mysteries Jesus taught Tells how you like Jesus can be in close contact with your Divine Source Gives you the tools to transcend life's circumstances and realize more of your higher self every day With inspirational stories of seven saints and mystics and their individual paths to self mastery Cosmic Ascension Joshua David Stone, 1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth's history there is a new opening and potentiality to also begin one's cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small

feat in and of itself It is for this purpose that the author was guided to write this book Beyond Ascension Joshua David Stone,1995 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source **The Masters and Their Retreats** Marl L. Prophet,Elizabeth Clare Prophet,2020-08-28 The great lights who have come out of all the world s spiritual traditions and graduated from earth s schoolroom have become widely known as masters They demonstrate that in the world of Spirit there is no division of race religion or philosophy there is simply oneness ineffable sweetness and love What is not so widely known is that these great masters have retreats temples and cities of light in the heaven world where we can go in spiritual meditation and while our bodies sleep at night In this comprehensive work Mark and Elizabeth Prophet talk about these great masters the stories of their lives and their magnificent spiritual retreats Reality of Your Ascension Elizabeth Clare Prophet,2020-08-01 The ascension is the goal of life In fact it is the culmination of many lifetimes of soul evolution and balancing karma But it is not the end Having learned all the lessons of earth s schoolroom the soul is reborn in the realms of Spirit But what is the ascension Is it something that just happens because you lead a good life Is it a miraculous transition like Elijah s chariot of fire Or is it a goal that must be sought and won In Reality of Your Ascension Elizabeth Clare Prophet explores these and many other mysteries of the path of the ascension Most importantly she introduces us to Serapis Bey and other masters of the ascension flame those who have walked that path before us They present a practical and transcendent wisdom for all who seek the ultimate goal Let the inner door of your Ascension Temple be opened in this age so the Brotherhood of Luxor can bid you enter Dare to cross the threshold into an experience of reality beyond imagination Keys to the Kingdom and New Dimensions of Being Mark L. Prophet,Elizabeth Clare Prophet,2020-02-06 The kingdom of God is not a place but a state of consciousness This insightful book reveals practical steps you can take to reach a greater awareness of your divine nature and who you really are You will learn how to use the spiritual power you have and how to reconnect with angels and ascended masters those from all races religions and walks of life who have graduated from earth s schoolroom and now guide and teach us from higher realms You will also discover how to access your own spiritual power and use powerful tools for self transformation to bring harmony peace and positive change into your life and the world around you *The Path of the Universal Christ* Mark L. Prophet,Elizabeth Clare Prophet,2020-01-07 In The Path of the Universal Christ the authors of the popular Lost Years of Jesus and The Lost Teachings of Jesus recapture the heart of the Master s message You like Jesus are meant to realize your own innate divinity You are destined to become one with your own Higher Self your Christ Self Church fathers suppressed

Jesus original teaching on the Christ within But Mark and Elizabeth Prophet reveal our true inner identity and the true goal of our life on earth You will rediscover Jesus lost keys to finding God within and learn how to contact your own inner light and access your unlimited potential Pearls of Wisdom, 1977 Saint-Germain,1977-11 **The Path to Immortality** Mark L. Prophet,Elizabeth Clare Prophet,2011-01-07 What is immortality Does it mean living forever in the same physical body The Path to Immortality shows that immortality means total liberation from the duality of this world and absolute freedom through spiritual mastery and higher consciousness Immortality it shows is your divine right and the destiny of your soul This far reaching work unfolds metaphysical truths about the law of cycles and the seven bodies of man the planes of consciousness the inner working of the chakras and the flow of energy through them It also explores what the soul is and how we can take care of it the meaning of the fiery trial dangers that confront the soul on the homeward path and tools to deal with them **The Complete Ascension Manual** Joshua David Stone,1994-01-01 New age spirituality The Chela and the Path Elizabeth Clare Prophet,El Morya,2009-06-10 The Chela and the Path contains personal instruction from the master El Morya for all spiritual seekers and chelas students of a spiritual teacher As El Morya Khan at the conclusion of the nineteenth century he is known for his efforts in founding the Theosophical Society with the adept Koot Hoomi and for his far reaching work in bringing together the ancient spiritual truths of the East with the traditions of the West El Morya s instruction came in part in the form of personal letters addressed to a handful of disciples of the Mahatma of the Himavat Those letters are now on file with the British Museum in London Now with the incomparable skill of a Zen master El Morya teaches us in The Chela and the Path to see beneath the surface of daily life and the ego of the lesser self to become who we really are He calls us to experience life with the faculties of the soul as we learn and practice the keys to self mastery on the spiritual path A foundational work for all who aspire to a higher level of consciousness and spirituality **Memories of Mark** Annice Booth,2017-09-28 Annice Booth shares her friendship and student teacher relationship with Mark L Prophet who was a twentieth century prophet She shows us Mark as a man of mysticism miracles and tremendous spiritual mastery yet still profoundly human **The Story of Creation** Dr. Joshua David Stone,2001-12-11 One of the most extraordinary books ever channeled and written on the true Story of Creation from the Ascended Masters perspective This book brings forth never before revealed information on the Story of Creation that will change your consciousness of self and life forever This is all channeled information of myself and a great many of the greatest channels who have ever lived on this planet All this information is woven together into one of the most comprehensive compelling full spectrum prism perspectives on how Creation really occurred Absolutely must reading for all seekers of Self and God Realization **Meeting the Masters** Mark L.
