Alan J.K. Sanders

Seven Journeys Eastward 1898-1912 Among The Cheremis Kalmyks Mongols And In Turkestan And To Afghanistan:

Seven Journeys Eastward, 1898-1912 Gustaf John Ramstedt, 1978 Historical Dictionary of Mongolia Alan J.K. Sanders, 2017-08-25 This fourth edition of Historical Dictionary of Mongolia covers the people and organizations that brought Mongolia from revolution and oppression to independence and democracy and its current unprecedented level of national wealth and international growth This is done through a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 200 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Mongolia Historical Dictionary of Mongolia Alan Sanders, 2003-04-09 This edition offers detail on the history of the Mongol Empire Against the background of relations with Tibet it adopts a focus on the spread of Tibetan Buddhism to Mongolia There is a broader approach to Mongolian cultural affairs with expanded entries

Oral Epic Traditions in China and Beyond Chao Gejin, 2021-12-30 This volume is the masterpiece of Chao Gejin one of the best known Chinese scholars of epic studies during the last several decades between the 20th and 21st centuries The discussion ranges from Homeric and Indo European epics to renewed discoveries of age old African and Asian epics The author details developments in research from Parry and Lord's work on Homeric epics and Serbo Croatian oral poetry to his own research on the Mongol heroic epic The book traces the formation of theoretical systems such as Oral Formulaic Theory Ethnopoetics and Performance Theory and ends with the author's explorations of the 20th century Mongolian singer Arimpil's singing of his native epic poetry By combining China's theoretical concerns in verbal art and Western theories in folklore Chao illustrates the nature and feature of oral epic in many ways and is heading for constructing an oral poetics in a broader sense Students and scholars of epic studies literature folklore and anthropology will find this an essential reference

Ocean of Milk, Ocean of Blood Matthew W. King, 2019-04-02 After the fall of the Qing empire amid nationalist and socialist upheaval Buddhist monks in the Mongolian frontiers of the Soviet Union and Republican China faced a chaotic and increasingly uncertain world In this book Matthew W King tells the story of one Mongolian monk's efforts to defend Buddhist monasticism in revolutionary times revealing an unexplored landscape of countermodern Buddhisms beyond old imperial formations and the newly invented national subject Ocean of Milk Ocean of Blood takes up the perspective of the polymath Zava Damdin 1867-1937 a historian mystic logician and pilgrim whose life and works straddled the Qing and its socialist aftermath between the monastery and the party scientific academy Drawing on contacts with figures as diverse as the Dalai Lama mystic monks in China European scholars inventing the field of Buddhist studies and a member of the Bakhtin Circle Zava Damdin labored for thirty years to protect Buddhist tradition against what he called the bloody tides of science social mobility and socialist party antagonism Through a rich reading of his works King reveals that modernity in Asia was not always shaped by epochal contact with

Europe and that new models of Buddhist life neither imperial nor national unfolded in the post Qing ruins The first book to explore countermodern Buddhist monastic thought and practice along the Inner Asian frontiers during these tumultuous years Ocean of Milk Ocean of Blood illuminates previously unknown religious and intellectual legacies of the Qing and offers an unparalleled view of Buddhist life in the revolutionary period A Brief History of Afghanistan Shaista Wahab, Barry Youngerman, 2007 Presents the culture and history of Afghanistan from 3 000 B C E to the present day Ulaanbaatar beyond Water and Grass M. A. Aldrich, 2018-03-02 Ulaanbaatar beyond Water and Grass is the first book in the English language that takes the visitors to an in depth exploration of the capital of Mongolia In the first section of the book M A Aldrich paints a detailed portrait of the history religion and architecture of Ulaanbaatar with reference to how the city evolved from a monastic settlement to a communist inspired capital and finally to a major city of free wheeling capitalism and Tammany Hall politics The second section of the book offers the reader a tour of different sites within the city and beyond bringing back to life the human dramas that have played themselves out on the stage of Ulaanbaatar Where most guide books often lightly discuss the capital Ulaanbaatar beyond Water and Grass A Guide to the Capital of Mongolia reveals much that remains hidden from the temporary visitor and even from the long term resident Writing in a quirky idiosyncratic style the author shares his appreciation and delight in this unique urban setting indeed in all things Mongolian The book finally does justice to one of the most neglected cultural capitals in Asia Combining history ethnography architecture city planning and folklore with a delightful dash of irony and personal opinion Michael Aldrich s Ulaanbaatar beyond Water and Grass is an authoritative introduction to Mongolia s capital city For first time visitors or long term academics this is quite simply the best book available on Ulaanbaatar Jack Weatherford author of Genghis Khan and the Making of the Modern World The charm of this superb guide to Mongolia s mysterious capital is the exuberance and love the author bestows on his subject Michael Aldrich s erudition is profound and all embracing and he is as comfortable discussing abstruse aspects of Buddhism as he is the city s history from its pastoral and feudal origins through Manchu suzerainty to Soviet communism to the wild capitalism of the present day He never misses the opportunity for a colourful and amusing anecdote or tidbit of scandal to relish an obscure custom to delight in the spice in a local dish or to pause and admire the beauty of a particular artwork building or monument The prose rings with his idiosyncratic personality knowledgeable urbane and sceptical sometimes downright cynical but always passionate and committed Carrying this book through Ulaanbaatar s streets or curling into its pages on a sofa at home he is the perfect companion squeezing stories out of ancient stones conjuring ghosts and elegantly baring the city s soul Ulaanbaatar beyond Water and Grass will become as great a classic of travel literature for Central Asia as J G Links s Venice for Pleasure was for Europe Adam Williams author of The Palace of Heavenly Pleasure Destined to become the quintessential introduction to Ulaanbaatar not only in terms of the wealth of information but also in terms of the sympathetic understanding and humour the author shares with the reader Genghis Khan would have loved it Bill Porter author of Road to

Heaven Encounters with Chinese Hermits and Finding Them Gone Visiting China's Poets of the Past Michael Aldrich's guide to Ulaanbaatar reveals a city of religion of revolution and latterly of bold new experiment It is both a journey through the city of today as well as an imagining of the historical city now lost to development Paul French author of *The Old Shanghai A Z* This is an interesting and illuminating book providing fascinating details on the history and evolution of Mongolia's capital and largest city It should definitely be included on the essential reading list for anyone living or working in Mongolia

Jonathan Addleton Executive Director of American Center for Mongolian Studies former US Ambassador to Mongolia author of *Mongolia and the United States A Diplomatic History* Introduction to Altaic Philology Igor de Rachewiltz, Volker Rybatzki, 2010-05-31 There are many excellent books dealing with Old Turkic Preclassical and Classical Mongolian and Literary Manchu individually but none providing in a single volume a comprehensive survey of all the three major Altaic languages The present volume attempts to fill this gap at the same time it reviews also the much debated Altaic Hypothesis The book is intended for use by students at university level as well as by general readers with a basic knowledge of linguistics The 39 language texts analysed in the volume are discussed within their historical and cultural context thus vastly enlarging the scope of the purely linguistic investigation *Russian Practices of Governance in Eurasia* Gulnar T. Kendirbai, 2020-03-04 This book analyses the role of the mobility factor in the spread of Russian rule in Eurasia in the formative period of the rise of the Russian Empire and offers an examination of the interaction of Russian authorities with their nomadic partners Demonstrating that the mobility factor strongly shaped the system of protectorate that the Russian and Qing monarchs imposed on their nomadic counterparts the book argues that it operated as a flexible institutional framework which enabled all sides to derive maximum benefits from a given political situation The author establishes that interactions of Russian authorities with their Kalmyk and Qazaq counterparts during the mid 16th to the mid 19th centuries were strongly informed by the power dynamics of the Inner Asian frontier These dynamics were marked by Russia's rivalry with Qing Chinese and Jungar leaders to exert its influence over frontier nomadic populations This book shows that each of these parties began to adopt key elements of existing steppe political culture It also suggests that the different norms of governance adopted by the Russian state continued to shape its elite politics well into the 1820s and beyond The author proposes that by combining key elements of this culture with new practices Russian authorities proved capable of creating innovative forms of governance that ended up shaping the very nature of the colonial Russian state itself An important contribution to the ongoing debates pertaining to the nature of the spread of Russian rule over the numerous populations of the vast Eurasian terrains this book will be of interest to academics working on Russian history Central Asian Eurasian history and political and cultural history *The Mongolian Independence Movement of 1911* Mei-hua Lan, 1996 **The Mongolia Society Occasional Papers**, 1990 *The Mongolia Society Newsletter*, 1990 *Mongolia and the Mongols* Western Washington University, Henry G. Schwarz, 1992 **Mongolian Folklore** John G. Hangin, John Richard
