*Genesis to Revelation: Revelation Leader Guide* C. M. Kempton Hewitt, 2018-09-18 Study the entire Book of Revelation starting with John's theology that teaches that Jesus the exalted Christ is the center of faith. Some of the major ideas explored are personal religious experience, the living voice of God in the church today, advocating for what is right, distinguishing between good and evil. God's grace seeks to redeem and covenant with God. Leader Guide includes A verse by verse in depth look at the Scriptures. Background material including word studies and history of the biblical setting. Answers to questions asked in the Participant Book. Application of the Scripture to daily life situations. Discussion suggestions. A variety of study options. Practical tips for leaders to use. More than 3.5 million copies of the series have been sold. This revision of the Abingdon classic Genesis to Revelation Series is a comprehensive verse by verse book by book study of the Bible based on the NIV. These studies help readers strengthen their understanding and appreciation of the Bible by enabling them to engage the Scripture on three levels. What does the Bible say? Questions to consider while reading the passage for each session. What does the passage mean? Unpacks key verses in the selected passage. How does the Scripture relate to my life? Provides three major ideas that have meaning for our lives today. The meaning of the selected passages are made clear by considering such aspects as ancient customs, locations of places and the meanings of words. The simple format makes the study easy to use. Updates will include New cover designs, New interior designs, Leader Guide per matching Participant Book rather than multiple volumes in one book. Updated to 2011 revision of the New International Version Translation NIV. Updated references to New Interpreters Dictionary of the Bible. Include biblical chapters on the contents page beside session lesson titles for at a glance overview of biblical structure. Include larger divisions within the contents page to reflect macro structure of each biblical book. Ex Genesis 1-11, Genesis 12-50, Exodus 1-15, Exodus 16-40, Isaiah 1-39, Isaiah 40-66. The simple format makes the study easy to use. Each volume is 13 sessions. [Breaking the Code with Leaders Guide](#) Bruce M Metzger, Donn Downall, 2014-02 The book of Revelation contains passages of great beauty and comfort as well as passages that strike the casual reader as bizarre, bewildering and sometimes frightening. How are readers today to discern God's message in this peculiar part of the Bible? In this book Metzger presents solid scholarship in a nonacademic style. The book includes a list of resources for further study, a study guide for 8-13 sessions and can be used in personal or group study. Separate video set 762421. Introducing the Book of Revelation.
