**Identity Theft, Second Edition** Debra E. Meyerson, Steve Zuckerman, 2025-09-16 Identity Theft Second Edition is an award winning book that follows Stanford professor Debra Meyerson's journey to recover from a severe stroke that initially left her physically incapacitated and unable to speak In addition to providing realistic expectations for the hard work needed to regain everyday capabilities Meyerson and Zuckerman focus on the less frequently documented emotional journey as she and her family rebuild identity in recovery Virtually every stroke survivor is haunted by questions like Who am I now and How do I rebuild a meaningful and rewarding life after losing so much of what they had before capabilities careers and jobs relationships and more This is a book full of hope for survivors from stroke or other life changing injuries or illnesses as well as their care partners families and communities The first edition of Identity Theft centers on Debra's experience her stroke her extraordinary efforts to recover and her journey to redefine herself But she also draws on her skills as a social scientist sharing stories from several dozen fellow survivors family members friends colleagues therapists and doctors she has met and interviewed By sharing this diversity of experiences Debra highlights how every stroke is different and every recovery is different She provides a valuable look at the broad possibilities for successfully navigating the challenging physical recovery and the equally difficult and frequently unspoken emotional journey toward rebuilding one's identity and a rewarding life after a trauma like stroke This second edition is written by Debra and her husband Steve Zuckerman As they have shared in countless talks Just as the original book was headed to the printers we decided that the finish line had become a new starting line They co-founded the nonprofit Stroke Onward where they have been working side by side to build an organization that can catalyze change in the healthcare system to better integrate the emotional journey of rebuilding identity into a lifelong recovery process This edition draws on five more years of experience as a post stroke couple and what they've learned from thousands more survivors family members and healthcare professionals They've added new insights about the long term recovery process and how we can change the stroke system of care to better support all survivors and their families Their 4 500 mile bike ride called Stroke Across America in 2021 helped raise awareness for Stroke Onward and stroke survivorship care
